## Sneak Thieves Grab \$286 At GC Store

2 Youths Found Early Today Chopping Hole In W. T. Grant Roof

The theft of \$286 in cash from a desk at B. F. Goodrich store, 3rd street and Madison avenue, at 5:30 p.m. Monday was reported to police by Merle Blum, manager, who said the money was left on the desk by a salesman while he waited on a customer.

The money was missing when he returned to the desk a few minutes later, Blum said. Two male customers were in the store at the time the currency disappeared, the report stated.

**Hole Chopped in Roof**

An attempted break-in at W. T. Grant's department store in Nameoki Village shopping center early today by two teenage youths who chopped holes in the roof to gain entry was foiled by police who took the boys, 15 and 16, into custody.

In response to a call that someone was walking on the roof of the department store at 3:05 a.m. today, police converged on the building.

Officer Glen Wright climbed onto the roof where he found the two boys crouching over a hole in the roof, apparently caused by smashing down on the surface with a concrete block. A second opening had been made in the roof about seven feet away.

Entry into the store also was attempted by breaking a glass in the automatic division door on the north side of the building. Police said the youths gained access to the roof by climbing a storm fence at the north end of the building.

The two boys were taken to the County Detention Home at Edwardsville by juvenile officer William Harris and the parents were notified to appear at the detention center at 1 p.m. today.

**Thefts at Auto Agency**

The theft of truck wheels, tires and a battery from new vehicles at the Malheur Chevrolet lot, Niedringhaus and Grand avenues, was reported to police at 4:25 p.m. Tuesday by Sam Stringer of the auto agency, who said the theft occurred during the past two days.

Items missing, valued at \$292, included a battery and spare tire, valued at \$34; four 15-inch white truck wheels valued at \$47; and four 15-inch black.

## Tighter Illinois Clean Air Rules Urged at Hearing

The long-standing debate over differences in air pollution control regulations in the metropolitan area on the Illinois and Missouri sides of the river developed anew early this week at the result of a U. S. Senate subcommittee hearing in St. Louis that brought varied comment from air control officials in the Quad-City area.

Essence of testimony before the subcommittee hearing headed by Senator Thomas Eagleton (D-Missouri) was a repeat of old charges by St. Louis city and county officials that Illinois has failed to crack down on polluting industries while St. Louis is implementing one of the strongest air quality ordinances in the nation.

Witnesses before the committee — including St. Louis County Supervisor Lawrence Ross, St. Louis Mayor A. J. Cervantes and Lewis Green, former chairman of the Missouri Air Conservation Commission — called for federal enforcement of strong uniform air quality controls.

**Report Illinois Action**

Robert French of the Illinois Air Pollution Control Board and James H. Bogle, chairman of the Missouri Air Conservation Commission, testified as to the adoption in September by Illinois of air quality standards similar to those enacted nearly three years ago by St. Louis county.

Missouri officials are to conduct hearings Nov. 12 on adopting air quality standards for the Missouri side of the federal air region which will be made up of Madison, St. Clair and Monroe counties on the Illinois side and St. Louis, Jefferson and St. Charles counties on the Missouri side.

Eagleton personally called for tighter quality standards than those already existing, and during examination of witnesses challenged Missouri officials to set up more stringent standards than Illinois did in September.

The hearing later brought from the Industrial Waste Control Council announcement that 85 area industries will "absolutely" tougher air standards because, a spokesman said.

**Community Drug Abuse Education Program Set**

The Kiwanis Club of Granite City will begin a program of drug abuse education, announced at Monday's dinner meeting at the Rose Bowl.

The program, which will be directed to the entire community, but primarily to youngsters in the upper elementary and junior high schools who have not yet been confronted with an option of voluntary drug use, is to be called "Operation Drug Alert."

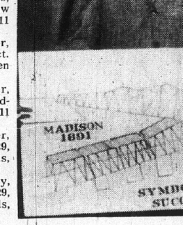

The club appointed a coordinating committee for the Operation Drug Alert program and named Philip A. Theis as chairman. He and members of the committee will undertake a self-

education program on the extent and seriousness of drug abuse in the community to be followed by an action program to provide a system of drug abuse education.

This program will be used as a preventive educational measure. A similar program is being carried out by Kiwanis clubs throughout the United States and Canada. It constitutes the Kiwanis "major emphasis" program in community service for the current year.

Operation Drug Alert is the result of a survey undertaken by the club president, announced this question to 300 leaders.

## UF Drive Totals \$352,986, Or 87.1% Outstanding Pledge Cards Could Push Campaign over Top

At the conclusion of a 29-day concentrated and intensive campaign the Tri-Cities Area United Fund realized a total of \$352,986 or 87.1% of this year's \$405,000 goal, it was announced at the final meeting for division and section leaders and volunteer workers yesterday afternoon at the YMCA.

Leo Konzen and George Becker, co-chairman of the drive, told over 75 persons that all pledge cards have not yet been received, so it is still possible to reach the full quota with only 13% outstanding. A final report will be issued upon receipt of all cards.

"It's the superb and dedicated work by all workers," Konzen said, "I do not feel this campaign has failed, and if it must be termed so, I take all the blame."

**"Must Be Successful"**

He added that from the beginning of this project, with the introduction of a new kickoff, the United Fund Fair, the whole campaign has been a community affair and has included all residents in all walks of life.

They have responded in the fullest extent," he said, "so this must be a successful venture."

The general co-chairman introduced each of the division leaders, who in turn gave individual reports and introduced the section leaders.

The section leaders were presented with "knights," small statuettes, the symbol of this year's drive.

Leading the reports was Mitchell Milonski from the American Steel Foundries, whose Industrial Firms Division, manufacturing A, reached \$109,415 or 99.5% of the quota.

## Five Injured in 15 Area Traffic Mishaps

Five persons were injured in four of 15 accidents reported to Quad-City authorities since Monday.

Brenda Smith, 12, daughter of Mr. and Mrs. Harvey Smith, 2439 Cleveland blvd., was admitted to St. Elizabeth Hospital at 4:45 p.m. Monday with injuries sustained when struck by a car as she crossed 25th street at Benton street.

Driver of the auto, Dale L. Miller, 35, of 14 Bradley street, was traveling east on 25th street. He was not booked.

Brenda suffered abrasions and contusions to the right leg and hip and a two-inch scalp cut which required eight stitches. She underwent surgery. Her condition Tuesday was satisfactory.

George Muholland, 60, of Troy, suffered leg injuries

about 4:45 p.m. yesterday when he was pinned between two autos as workers were leaving the job site on the Great River Road near the end of Roosevelt street. Muholland was treated for abrasions and contusions to both legs and admitted to St. Elizabeth Hospital. A witness said Muholland was standing between two cars when a motorist started his motor and his car jumped forward.

An auto operated by Van L. Arcey, 62, of 1320 Meridian street, traveling north on Iowa street at 7:45 a.m. Tuesday, was struck broadside at 27th street by a westbound vehicle driven by Patrick R. McKenna, 26, of Collinsville.

The Collinsville man was injured. (Continued on Page 5, Col. 6.)

**Former Resident, J. R. Pinkerton, 58, Killed in Crash**

J. R. Pinkerton, 58, of Hammond, Ind., a former Granite City resident, died of injuries sustained in an auto-train accident in Hammond at 2 p.m. Wednesday. The accident occurred at 6 p.m. Tuesday and other details were not available.

Born in Granite City, Mr. Pinkerton was employed at the Granite City Steel Co. prior to moving to Indiana about 20 years ago. He was employed at a steel plant in Hammond at the time of his death in a Hammond hospital.

Surviving are his wife, Flo; three married daughters, all residing in Indiana; a sister, Mrs. Lois Koenig of Granite City; and several grandchildren.

Funeral services will be conducted at 11 a.m. Friday at Hammond.

**"Trick or Treat" for Unicef Set Tonight**

The Quad-City Ministerial Association is announcing many children from the Quad-City churches will be out tonight collecting for UNICEF as their "trick or treat" contribution for the Halloween observance.

Rev. Frank Christ, pastor of the Madison Presbyterian Church is serving as chairman of the project, which is designed to provide milk, school supplies and other materials for needy children in Asia, Latin America and the Middle East.

## Dixon Becomes Active Candidate for Senate

Suggesting public debates during the primary campaign, State Sen. Alan Dixon of Belleville this morning at the Belleville city hall announced he will be an active, aggressive candidate for the Democratic U. S. senator nomination. State Treasurer Adlai Stevenson III announced for the senatorial post yesterday.

"Dixon said no other candidate but Dixon has 'open endorsements and private assurances' indicating that he could receive major support from all parts of Illinois and from all segments of the party. He predicted that he will win a U. S. Senate seat and that his role will aid Democrats in winning many court-house and legislative offices."

Cong. Melvin Price endorsed Dixon yesterday.

**10 Undergo Surgery At Local Hospital**

The following are recovering from surgery which they underwent at St. Elizabeth Hospital since Monday:

James Grass, Gahanna, Ohio; Irene Davis, 2101 Pontoon road; W. L. Griffin, 20th and State streets; Alma Gawlik, 420 Iowa street; Mary F. Kanady, Collinsville.

Mark A. Griffith, 2008 Buxton avenue, Oscar Hatter, 4048 Breckinridge lane; Donna M. Tankley, 561 Margaret avenue; Ethel Schumpp, Rural Route One; Fred Lambert, 2632 Adams street.

Marchers will be eligible for cash awards in three categories — best dressed, most colorful and most original. Cash prizes of \$10, \$5 and \$4 will be presented the top three winners in each division, with an additional 40 consolation prizes also to be awarded.

Children and adults attired

in costumes are to gather in front of the city hall on Niedringhaus avenue at 7 p.m. tomorrow, when numbered tags identifying the entrants for judging will be assigned by members of Women of the Moose, Chapter 246.

The parade, starting promptly at 7:30 p.m. Friday, will leave the city hall, proceeding east to State street, south to 19th street, west on 19th to Niedringhaus street east back to the city hall where members will pass in review for the judges, Chastain said.

Parents of youthful trick or treaters should make certain their children can be seen while Halloweening, national safety authorities warned last week, cautioning that costumes made of dark material increases the chances of being struck by drivers as small tricksters cross streets at night.

Parents are urged to insure their children's safety by making costumes clearly visible, adding white or yellow stripes, polka dots or pieces of reflective tape to their outfits.

A flashlight carried by the child helps him to be spotted more easily and youngsters should be instructed to remove their masks while crossing the street so their vision will not be obstructed, parents are advised.

**Annual Halloween Parade Friday in Downtown GC**

Hobgoblins, witches, spooks, and all sorts of Halloween characters are expected to take part in the traditional Halloween Night Parade, at 3:30 p.m. tomorrow through the downtown Granite City business district.

The annual affair which usually attracts several hundred young and adult marchers will be co-sponsored by Granite City Moose Lodge 272 and the Downtown Granite City Shopping Merchants On Friday evening.

Uniformed Shriners from the Tri-City Shrine Club, riding in their motor-coaches, will lead the parade, sponsors announced today.

Edward Chastain, Moose City affairs chairman and parade marshal, reported today that judging the costumed paraders will be by the National Association of Junior Troop Leaders, Miss Ruth Stover, youth director for the Salvation Army.

Marchers will be eligible for cash awards in three categories — best dressed, most colorful and most original. Cash prizes of \$10, \$5 and \$4 will be presented the top three winners in each division, with an additional 40 consolation prizes also to be awarded.

**Urge Grade Spans to Join Madison, FA 151**

(Second of a series) BY HARRY BARNES

Of the total projected cost of \$8,533,000 to finance a six-year capital improvement program in the cities of Madison and Venice, \$5.9 million of the amount would go for the two major street development programs calling for grade separations at the railroad tracks separating the two communities according to recommendations of the new Comprehensive Development Plan recently completed.

The plan, now under study by council members and the planning commissions of the two cities lists seven specific street development programs, recommendations for two park acquisitions, a community facilities plan for Venice and the Neighborhood Development program (housing) in which both communities will participate as joint sponsors.

The plan was prepared by the Southwestern Illinois Metropolitan Area Planning Commission which also has submitted to both cities proposed zoning and land use ordinances, plus a series of plans, along with adoption of a comprehensive plan, is required to qualify the cities for federal aid in carrying out its Neighborhood Development Program.

**Housing Action First**

While the street improvements and other recommended projects are urged as priority items, it appears certain the first major undertaking of both Madison and Venice will be sponsorship of the Neighborhood Development Program which will entail construction of new housing to replace substandard dwellings in certain areas of both cities.

Under this program, which

## City Promised \$733,865 Aid For Sewer Work

Madison Mayor Demands State Halt Pollution

The Illinois State Air Pollution Board has been requested to issue an immediate stop order on burn burning for freight car salvage by Hyman-Michaels Co. of Venice, Madison Mayor Stephen Maestas informed Madison council members in a regular meeting Monday night.

Maestas said he had written C. W. Klassen, technical secretary of the state pollution control board, pointing out the city of Madison has been waiting for nearly two years on state action to eliminate open burning by the Hyman-Michaels firm, which allegedly burns old freight cars in an open area near the Broadway viaduct in Venice to salvage the metal.

The mayor told the council that he wrote the letter "after I walked out of my office the other day and saw that dense cloud of black smoke covering the area. I was so mad I went right back in the office and got off a letter to Klassen."

The council endorsed the mayor's action and made his letter a part of the minutes.

"I'm not saying this is the only violation," the mayor commented, but when the city of Venice had a little smoking in the city dump, the state cited the city immediately and wanted \$90,000 advance payment.

The council also endorsed the mayor's action and made his letter a part of the minutes.

He was accompanied to Belleville Tuesday by Aldermen Charles Morleir and R. E. Robertson, Controller Robert Stevens and City Atty. Leon Saggans.

The fund grants are to reimburse and pay the city for labor, overtime, use of city-owned equipment, rented equipment and materials.

Mayor Partney said it will be several months before most of the funds will be received.

**Tax Income, Expenses**

He reported to the city council Monday night that the city's income from taxes for sewer maintenance so far this year has amounted to \$30,276, while as of today, \$358,439 has been paid for repairs and replacement.

Mayor Partney advised the council then that he had instructed the street superintendent and contractors to halt all city improvement projects, such as sidewalks and curbs, which are being carried out with regular city funds, upon completion of current projects, because of the city's financial straits.

He noted that so far the city's disbursements during the current fiscal year that started May 1 have been \$2,138,664 to date, while income from taxes exclusive of fees and sales tax, has amounted to \$1,307,692.

Following the council meeting, which was prior to Tuesday's meeting with federal and state officials, the council approved a resolution for transfer of money from special funds totaling \$72,790 to the sewer maintenance account.

The amount is to be repaid to the special funds when money becomes available, and the

## Mayor Obtains Fund Allocations From Federal, State Agencies

"We don't have any of it in the city treasury yet, but we did obtain commitments of \$733,865 federal funds for damages to sewers and other city properties caused by the June and July floods," Mayor Partney reported yesterday.

The mayor and other city officers met Tuesday at the Civil Defense Agency offices in Belleville with Col. Charles Wood and Leo Matames of the office of Emergency Preparedness, Region IV, Federal Regional Center, Battle Creek, Mich., and Warren Rubber and William Eisele of the State Civil Defense Agency.

While the mayor was given additional federal fund application forms to prepare, the meeting was called to complete the amount of \$183,758 with advancement of \$90,000 and recommendation of provisional approval of \$550,076 to be covered by supplemental payments, Mayor Partney explained.

The city's original request was for \$1,310,365, of which \$576,500 was declared ineligible, but the state has approved the amount of \$183,758 with advancement of \$90,000 and recommendation of provisional approval of \$550,076 to be covered by supplemental payments, Mayor Partney explained.

Under this program, which

now is being developed by a St. Louis engineering firm, Madison and Venice would be able to build houses in various locations of the cities to replace substandard dwellings that first would be condemned and then razed.

The new houses would be built on the sites where the old houses had been cleared and then offered for sale. Owners or occupants of the old homes that were eliminated would be given first chance to buy the new houses.

The SIMAP comprehensive plan sets up the sum of \$100,000 to finance the first phase of this program as part of the Madison-Venice capital improvements program. This money, \$50,000 from each city, would come out of the general funds of the two communities to finance planning and launching

## New State Taxes Top Costs But More Obligations Ahead

### YMCA Pre-Kindergarten Class Starts Nov. 13

The YMCA has reorganized its pre-kindergarten program for four-year-old youngsters and will start a new session on Thursday, Nov. 13. The 16-session program, which will continue through Jan. 22, will cost \$30 in cash or \$36 on the payment plan.

The class will meet each Tuesday and Thursday afternoon from 1 to 3 p.m. with Mrs. Takmaljan as instructor. She will be assisted by Mrs. Mary Herman, Youth department staff member.

The class will not begin until ten youngsters have enrolled in the class that has a maximum of 15 children.

Further details on the program are available at the "Y" youth office at 876-7200.

During the first quarter of the new 7th biennium, July 1-Sept. 30, receipts of the general revenue and common school funds of Illinois government exceeded disbursements by \$80,066,727, Michael J. Howlett, state Auditor of Public Accounts, reported this week.

Receipts were \$817,384,097; disbursements were \$348,288,270. The balance on hand rose from \$112,383,898 to \$191,460,315, including \$39 million borrowed last year from the motor fuel tax fund.

Howlett said income should rise more rapidly in subsequent quarters as new taxes voted by the legislature are collected and make their full impact.

The increased motor fuel and race track taxes became effective July 1, but the new income tax and increased cigarette, tobacco distributors, beer and alcohol taxes did not become effective until Aug. 1.

The General Assembly appropriated \$4,777,108,208 for the 12-month period ending June 30, 1970, of which \$2,740,845,594 was appropriated from the general revenue and common school funds. The average level of expenditures proposed from these funds is \$228,400,000 per month, September receipts into the general revenue and common school funds, reflecting the new taxes for the first time, were \$93,373,674 higher. The 1969 figures for the September quarter reflected an austerity program which had just been launched by Gov. Shapiro.

"The General Assembly voted appropriations for the 75th Biennium (a two-year period) totaling \$5,788,042,325 of which \$3,752,660,000 was appropriated from the general revenue and common school funds," said Howlett. "This would have al-

lowed for expenditure of \$156,300,000 per month.

**Cut in Balance Recalled**  
"But actual receipts for the biennium were \$5,412,498,030, including \$39 million borrowed from the motor fuel tax fund. This allowed for expenditure of only \$142,187,460 a month."

"The General Assembly in 1967 overestimated revenues by \$370 million. Gov. Shapiro's austerity program, continued by Gov. Ogilvie, cut back expenditures \$253 million, but the cash balance during the old biennium still was reduced from \$199,758,474 to \$123,363,588, even with the \$39 million loan."

"We are not as austere as we were at this time last year, but we don't need to worry about running out of money if we spend wisely and maintain our rate of tax collections."

The drivers of two autos involved in a collision at 20th and State streets at 2:55 p.m. Tuesday, claimed a large truck blocked their vision causing the crash.

Durward E. Bryant of Edwardsville, who was traveling south on State, said he drove around the rear of the truck and his auto was struck in the front end by Alvin F. Whitsett, of East Alton, who was driving east on 20th street. Minor damage occurred to both vehicles.

## Elks Lodge Furthers Plans For Veterans Day Program

Congressman Melvin Price will speak at the Elks Lodge community-wide Veterans Day observance on Tuesday, Nov. 11, at 7 p.m., to be staged on Niedringhaus avenue between 20th street and State street. This block will be roped off for the observance.

Robert Hendrickson, Americanism chairman, announced at the regular Elks Lodge meeting Tuesday night that 83 proclamations on Americanism have been sent to fraternal and civic organizations in the Quad-City area.

Other plans for honoring veterans who have served in the Armed Forces or those who are still serving will include the dedication of an American flag which has flown over the Capitol building in Washington, D.C. and now will be flown from the ice rink at Wilson Park, Cong. Price had sent the flag to the United Council of Americanism group who in turn gave the flag to the park board.

Vincent Bischoff, exalted ruler, presided over the meeting and told the members a letter has been sent to Barry Goldwater confirming his request that more patriotism be shown in the observance of Veterans Day.

The Navy Mothers will provide a refreshment booth for the celebration which features a street dance after the talks of visiting dignitaries.

Milton Kuzma, dance chairman, announced the tickets are now on sale for the "Fall Festival" dance sponsored by the Lodge for Elks members and guests on Saturday, Nov. 15, at the Elks.

Another activity of the organization will be the mixed doubles bowling tournament at Bowland, set for Sunday, Nov. 16.

The youngsters arrived here by plane Sunday from Vallejo, Calif., where their mother is seriously ill following a series of heart attacks. They are the children of Army Major Raymond Womack and the former Miss Angeline Bell of Madison, who is hospitalized at the David Grant U.S. Air Force Medical Center at Travis AF Base, Calif.

Mrs. Bell explained the clothing was still in three suitcases, locked in the trunk of an automobile. The car trunk was broken open and ransacked while parked at her place of employment Monday.

Pamela, ten, and Carla, seven, were sent to their maternal grandmother for care on the advice of Mrs. Womack's physician. As their stay here is for an indefinite period and they are to be enrolled in the Madison schools, their mother used her Army allotment check to purchase new clothing and suitcases for the children.

The mother's ill health required immediate care for the girls and the American Red Cross (California) provided funds to transport the children to Madison. The Tri-City Red Cross Chapter, this week, also contributed sufficient money to outfit the girls with a clothing change, Mrs. Ruby Overbeck said Tuesday.

The youngsters are fairly tall for their ages, according to Mrs. Womack, whose limited income prohibits her from furnishing an entire new wardrobe for the pair.

Anyone interested in donating clothing items may contact Mrs. Bell at 876-4587.

### Parents of Deaf Visit Area Schools

The Bi-County Parents Group for Deaf and Hard of Hearing Children was represented at the International Parent's organization conference at the Sheraton-Jefferson Hotel, St. Louis, this week by local residents, Mr. and Mrs. Steven Gargac, Mr. and Mrs. Charles Dittrich, Mr. and Mrs. James Grote, and Mrs. Harriet Lovins. Mrs. Joan Gregory, supervisor of the Bi-County program also attended.

### Clothing Stolen From Children Of Serviceman

An appeal for clothing to outfit two small girls, the daughters of a serviceman in Vietnam, to replace items stolen from the trunk of an auto, was made this week by the children's grandmother, Mrs. Patricia Bell, 538 Mercedia street, Venice.

## Jewish Federation of S. Illinois Meets Sunday

Warren E. Hearnes, governor of Missouri, and the Honorable Shaul Ramati, Consul General of Israel for the Midwest, will address the Southern Illinois Jewish Federation's 28th annual dinner, Sunday, highlighting a day of special meetings and festivities for Federation adults and teenagers.

Budget committee members from the Quad-City area who will attend are Harvey Miller, Merwyn Sher, Dr. Harry Epstein, Barry Friedman, and David Steinberg.

The teenagers will hear an "Eye-Witness Report on Israel" given by three former members of the Federation's Jewish Youth Council who visited Israel this past summer. Miss Gail Schermer of Granite City will report on her visit to Brandeis Camp Institute.

A full program of planned events will take place on Sunday, Nov. 2, at the Chase-Park Plaza Hotel, St. Louis beginning at 12:30 p.m. with a joint meeting of the budget committee and board of directors and culminating in the reception for Gov. Hearnes and Mr. Ramati and the dinner at 5:30 p.m.

Gov. Hearnes will head a gathering of dignitaries and civic leaders to mark the tenth year since the Jewish community of Cape Girardeau and the Jewish communities in south-east Missouri affiliated with the Jewish Federation of southern Illinois, under the leadership of Martin Hecht, currently the president of the Jewish Federation.

A seminar on the subject, "Our Alienated Youth," will be conducted in the afternoon by Dr. Melvin Rubenstein, psychiatrist, and Arthur Goldberg, executive director of the Jewish Family and Children's Agency. Mrs. Bernard Cohen of Contra-hia will be the moderator for this session.

### MORE ABOUT Air Rules

man pointed out, it is doubtful that many of the standards can be met as they now are.

### Favors Stricter Standards

Following the hearing, Mayor Donald Partney of Granite City said yesterday that he "goes along" with the demand for more stringent air quality standards and charged that the Illinois Air Pollution Control Board "has stood in Granite City's way of enforcing strict control regulations for a long time."

Referring to a remark by Green during the Monday hearing that "Illinois has steadfastly refused to go any further than the organized industrial polluters have desired to go," Partney commented, "I think he's right."

The mayor recalled that he presented an air control ordinance much stricter than the one Granite City now has, including sulphur dioxide standards and pointed out that the city council later adopted a "watered-down" version without the sulphur dioxide provisions and "without my signature on the ordinance."

### Refused Exemption

He said the Illinois control board has refused consistently Granite City's request for an exemption which would give the city's control board power of pollution control enforcement in the city.

"I've offered to turn over pollution control enforcement to the state board if they would establish an office in Granite City, but they won't do it," the mayor said. "They want to be up in the hills in the fresh air."

Henry Blenick, chairman of the Granite City Air Pollution Control board, said he believed that a Senator Eagleton "went into this thing cold without too much background" and was startled to find out how little progress actually has been made during the past few years.

Blenick said he is convinced Eagleton has only a "layman's view" of the air pollution control problem and, like many other persons, assumes the problem should be solved much faster.

### Should Be Settled

"I agree," Blenick said, "that the matter of standards and enforcement should be settled so that industry can recognize what the problems are and do what it can to meet them."

Prof. Edwin Hoelscher, technical secretary of the Granite City control board, said he did not attend the St. Louis hearing, "because I did not see any situation that warranted our making a statement."

He said the hearing involved "a lot of words that were a waste of time," and said that Missouri charges of enforcement laxity by Illinois are countered by the fact that the Missouri side of the river has air pollution problems and enforcement difficulties that "are just as bad as they are anywhere else."

#### MORE ABOUT

### Urged Grade

The program. Federal aid would be available and home construction can be financed either by private or municipal funds, according to present planning.

#### Two Phase Plan

The program of capital improvements estimates the cost of the fifth street development to connect State street in Madison with College street in Venice, plus upgrading of fifth street, in two separate phases, one at \$1,250,000 and the other at \$2,400,000.

The first phase involves upgrading of fifth street to a four-lane highway between McCambridge avenue and State street in Madison, with accompanying sidewalk improvements. The plan report lists the source of these funds as the motor fuel tax and general funds.

Second phase of the plan calls for connection of fifth street with College street in Venice by construction of a grade separation spanning the Terminal Railroad Association tracks and State street. The report states engineering studies will be necessary to determine the most feasible type of grade separation.

A related project, construction of a collector street from Weaver and the proposed fifth street extension to Biessell street, is set up in the plan at an estimated cost of \$750,000. The plan estimates the \$2,250,000 cost for development of 13th street, Kennedy drive and 14th street in Madison to serve as a primary collector street to connect McCambridge avenue (Route 203) with a grade separation over the railroad tracks at 14th street. The proposed new roadway would provide four travel lanes and would extend through Venice, via the grade separation, to connect with the River Road.

#### Related Project

A cost of \$325,000 is estimated for a related project calling for a collector street connecting the 13th street extension and College street in Venice. The street would parallel the N&W tracks and serve primarily as an industrial service road. This street would connect the two main arteries of fifth street and 13th street, both carrying traffic to the River road via grade separations at the railroad tracks.

Another cost factor of \$750,000 also is projected for construction and replacement of sidewalks, curbs and gutters as a part of this project. The SIMAP plan report suggests that all of the \$2,250,000 for this particular phase of roadway development may be obtained from this state. These project estimates involve \$8 million of the capital improvements program suggested for the two cities.

The balance of \$333,000 is projected for other improvements which will be discussed in the next article.

**Fire Truck Summoned**  
No damage was reported at the Kenerley Cleaners, 2344 Edwards street, where firemen responded to an alarm at 9:25 a.m. yesterday when a furnace failed to shut off.

#### CHAMBER OF COMMERCE BANQUET

gathering of 315 listening to Dr. Kenneth McFarland, the principal speaker, Tuesday evening at SIU-SW. In the close-up view of the speaker, Gene H. Sternberg, toastmaster, is at the left and Clifton E. Blankenship, retiring Chamber president, is at right. Those at the head table, left to right, are Rev. Joseph Enright of Sacred Heart Catholic Church, Mr. and Mrs. Barry Loman, Mrs. Melvin Gillie and her husband, Mrs. Albert H. Froemling and her husband, Mrs. Sternberg and her husband, Dr. McFarland, Mr. and Mrs. Blankenship, Mr. and Mrs. Bill H. Terrell, Mr. and Mrs. Donald Adams, Mr. and Mrs. Melvin Wilmseyer, Dr. Felicia Koch and Mrs. Howard W. Kaseberg and her husband.

### Preserve American System, Chamber Gathering is Urged

Preservation of the American system as the best means of assuring individual freedom and opportunity was urged by Dr. Kenneth McFarland at the 29th annual dinner of the Chamber of Commerce at the Tri-Cities Tuesday evening.

"An audience of 315 assembled in the Meridian Room of the University Center at Southern Illinois University's Southwest campus to witness installation of 1969-70 officers and to hear the former Topeka, Kan., school superintendent, now an author and consultant to major corporations and widely regarded as the leading public speaker in the U.S."

Albert H. Froemling, president of the Madison County Federal Savings and Loan Association, was installed as Chamber president for the October 1969-September 1970 year, succeeding Clifton E. Blankenship, A. O. Smith Corp. executive.

Billy H. Terrell, operator of the Terrell insurance agency, and Melvin L. Gillie, W. T. Grant Co. manager, were installed as vice-presidents and Barry Loman, Trust and Savings Bank vice-president, was installed as treasurer.

**Women's Officers Installed**  
Also installed by Howard W. Kaseberg, a past Chamber president, were the officers of the new Women's Division of the Chamber of Commerce.

The divisional officers are Dr. Felicia D. Koch, president; Mrs. J. Meyer, vice-president; Mrs. Ruth Ann Partney, secretary; Miss Hilda Schroeder, treasurer; and Mrs. Mary Ann Lay, historian.

Gene H. Sternberg sr., a Chamber director, served as toastmaster and prayers were offered by Rev. Joseph Enright, pastor of Sacred Heart Catholic Church. Results of city flag design contests were announced.

mean personal freedom and equal opportunity for work and for the pursuit of happiness.

"The only enduring freedom is freedom under God; man is entitled to dignity, respect and opportunity because he is created in the image of God."

**Inherent Responsibilities**  
"We must teach that the understanding is the heart and soul of the concept of freedom that was conceived in America, that the blessings of God and freedom are accompanied by corresponding responsibilities."

Dr. McFarland said that communities have many things in common and that each can overcome obstacles, regardless of the size and nature of the problems, if citizens are willing to adopt constructive attitudes and adhere to fundamental American principles.

**Unselfish Effort, Service**  
"Members of the Chamber of Commerce have given unselfishly of their time and effort in behalf of fellow citizens. No other organization is more qualified and concerned about reaching solutions."

"Your Chamber represents all the community, all the people, all the time. I congratulate the officers, directors, staff, committee members for a job well done, and I consider it an honor and privilege to have worked with them," Blankenship said.

"Together, we have implemented many worthwhile community projects and established numerous challenging goals for the future. I feel confident in our new leadership, and ask that you share with me in wishing them even greater success."

**Not for 'Spectators'**  
Dr. McFarland asserted that "citizenship is not a spectator sport."

He assailed people made of "illustrious paper" for unwilling to fight or to take a stand that they unquestioningly accept the prevailing attitude.

"Some people are such appeasers that they would consent to appease a man-eating crocodile in the hope of being the last one eaten," the Kansas commented.

It is becoming popular in some groups to downgrade the American system and to "erode the framework of principles fundamental to our nation and way of life," Dr. McFarland said.

**Atheism vs. Respect for God**  
In urging active response by citizens to counter such trends, he contrasted Communism, which by its nature is atheistic, with the American system, which has a recognized spiritual basis.

"The American system involves two concepts—economic, free capitalist enterprise, and the political safeguard of individual freedom guaranteed by the Constitution."

"We believe that the individual citizen is a sovereign being created in the image of God himself."

"We must instill in the minds and hearts of all Americans that there is an Almighty and just God who rules over the universe. On this most fundamental of all truths rests the foundation of freedom."

**Duty to Teach Patriotism**  
"We have to quit assuming that American principles are going to be automatically accepted by people just because they're born in America. We are not pre-conditioned."

"We must tell the young about the American system so that it can be continued and transmitted to new generations."

"The two key words in our system are 'individual' and 'opportunity.' We have equality of opportunity, which is the original meaning of 'rights.' It can never mean all people will achieve equality. It does

#### MORE ABOUT

### City Promised

transfers were approved to cover the estimated \$50,000 cost of repairs to a break at Moro creek, avenues and other sewer costs.

**Transfer Breakdown**  
Of the total, \$19,251 is being taken from the unclaimed rebate account, normally classified as a non-transferable account, \$100,000 from a special survey fund, \$36,338 from a special police fund for replacement of the department's firing range, \$428 from a special street fund created when Illinois Terminal Railroad paid the city for removal of old trolley tracks, \$3308 from a special fire department fund, left over when Granite City Steel Co. paid the city for vacating Omaha street for its BOF furnaces.

The transfer resolution specifies the borrowed money is to be replaced "when funds become available."

Legality of the transfers was questioned by Alderman Moerlein, but City Atty. Scroggins said he doubted if any projects would be made.

"I'm protesting," Moerlein said.

Scroggins replied he had meant it was unlikely anyone would take the matter to court.

Alderman Boker asked, "Who's to determine when the money is available to reimburse these funds?" It seems to be "we're always broke."

Alderman Rutledge answered, saying a specified date could not be given in the resolution, "but I feel sure the matter will be straightened out."

Council members took no action Monday night on recommendations of a week earlier that reconsideration be given the adoption of an ordinance to boost the maintenance of sewer tax rate from the present two cents per \$100 assessed valuation to the maximum of 10 cents.

Also ignored was a recommendation requested from industrial engineers, who had suggested the city employ a nationally known engineering firm to consolidate current engineering studies on sewer breaks and outline a plan of action for repairs and replacement and employment of a full-time engineer to be followed by a study of city finances by the Tri-Cities Taxpayers Public Expenditures Survey committee.

However, there was a five-page reply to the proposed engineering study and employment of a full-time engineer from Kenneth Kleberger, president of the engineering firm of Research Planning & Design Associates in St. Louis, which serves Granite City.

Kleberger termed the report from William F. Hoelscher, general manager and secretary of the Manufacturers Association of the Tri-Cities, as "vague" and "betraying a general lack of information and knowledge about the progressive action that has been taken by the mayor and council."

**Letter Placed on File**  
The letter from Kleberger, who was present for the council session, was heard by the council and placed on file without comment.

"The obvious purpose," Kleberger said, "seems to be in bringing additional engineering to the city at much higher costs for unnecessary additional services. Thus, it becomes most important for us to shed light on the obvious misdirection and perhaps ulterior motivation that has taken place because this motion of Oct. 20 to invite the engineers of industries and the public expenditures survey committee to consult with the finance committee and the council members as to the financial situation of the city."

Kleberger pointed out the city sewer problems already have been studied by four engineering firms, and that the city's only problem is financing. He pointed out that the municipal

engineer was not asked to the meeting of the industrial engineers. "This was a serious and a deliberate oversight. The city pays Research Planning & Design Associates an annual retainer for the purpose of being in attendance at such meetings."

"Our intimate knowledge of the city's engineering problems and of available funding programs could only serve to expedite these discussions. Furthermore, any additional knowledge that could be gained from such meetings is important for us to know."

The city engineer went on to say, "These interested parties have developed four elementary and contradictory conclusions."

**Full-Time Engineer**  
Pertaining to the employment of a full-time engineer, Kleberger said: "The normal cost to the city for a city engineer usually ranges between 16 and 30% of the construction cost of the city's maintenance and improvement expenditures. The normal fees paid to an outside consultant for these services are between 10 and 12%. These facts are based upon a comprehensive study by the National Society of Professional Engineers."

"Currently RPDA's fee to the city is only 4.7%, roughly a fourth of the low normal expenditure required for a full-time engineer."

"RPDA offers the city many advantages over an individual engineer. We have personnel available to answer any emergency 24 hours a day, seven days a week, 52 days a year. This staff is on stand-by at all times in the virtue of the small retainer fee."

"It should be noted that a city engineer would be obliged to be available to answer any outside consultant to assist him in these emergencies. Thus, the normal studies that have already been executed by the city and to set forth a plan of action to solve the city's sewer and drainage problems."

**Study 55% Complete**  
"RPDA as already completed 55% of this study under our normal fee. An engineer as consultant would have to charge not less than \$20,000 to execute the same study."

"It is stressed that a nationally recognized firm be used, which has ample staff and expertise in soils, sewers and drainage. Only one of the three firms recommended is substantially larger than we are. Hence, manpower does not seem to be the basic issue, for we have had as many as 12 men working in Granite City at one time."

Referring to the term "expertise," Kleberger said, his firm works with experts on soils and hydrology. "Particularly for Granite City soil and foundation problems. We also want to mention that RPDA is the professional correspondent of Lockwood, Kessler & Bartlett, which is one of America's largest engineering firms. In brief, we can handle engineering project of any magnitude and scope."

The report of last week, Kleberger said, "makes it appear that the city government is at a standstill. Nothing could be further from the truth."

"RPDA is proceeding with the solution of the city's technical problems. The only problems that we have been unable to care for are those which have been curtailed by the lack of available funds ... We know perhaps better than any other firm of the tremendous future that is available to Granite City through cooperative governmental action."

"The city's problems can all be solved by positive unified action, and we stand ready to be of service when these actions are taken."

**Ticketed Tuesday**  
Ticketed on a speeding charge at 7:30 p.m. Tuesday at Madison avenue and 29th street, David E. Harkey, 2949 (r) Warren avenue, was told to appear in magistrate's court by Nov. 18.

## GCHS Ready For Illinois Harrier Meet

Warrior harriers will compete at the state cross-country meet at Champaign Saturday at 10 a.m.

The seven Warriors scheduled to run are Gene Briggs, Dan Burris, Rick Rose, Doug Horton, Geoff Lux, Scott Schneider and Art Menendez. If any of the seven is unable to run, Harriers Mike Allen, Ralph Rojas and Ken Eliff will be present and ready to run.

The squad will drive to Champaign Friday night. Teams from 30 high schools are eligible for the state finals.

Coach Dick Hamilton credits the Warrior success to "good balance. We knew when the season started that we had no one runner who could make up for a weak runner. But if one fellow gets down, the others talk to him; the whole team has pulled together."

He is particularly proud that Warriors took three of the first 16 places in sectional competition covering 48 schools.

## 250 Master Masons Attend PM Meeting

More than 250 Master Masons and wives attended the 75th annual Past Master's observance of Triple Lodge 835, AF & AM dinner last night at the Masonic Temple, and were welcomed by Raymond Isom, worshipful master.

The invocation and benediction offered by Debert McKissick.

Clinton H. Lang of Hazelcrest, Ill., the Most Worshipful Grand Master of Illinois, was the featured speaker. His topic was the history of the Masonic Lodge from Bible times to the walk on the moon by "Buzz" Aldrin, a 32 degree master.

Other state officers attending were Earl M. Potter and wife, from Belleville; Charles A. White and wife from East St. Louis; (G.R.S.), Ruth R. Smith of Granite City and Arthur Keller of Bunker Hill, both RWDDGM; Robert B. Perkins, Belleville, state finance board member; Gene Ross, Granite City, grand examiner; Preston Ridge, of Granite City, and Wayne Harper of Alton, both past DDGM.

B. E. Champion, Worshipful Master of Triple Lodge in 1919, presented his past master's jewel to the Lodge as a memento.

**Progress Achieved in Iran Cited by Frohardt**

Recollections of a March 1967 visit to Iran were presented to Madison Rotarians yesterday by Ralph Frohardt, retired Granite City School principal, whose son-in-law and daughter, Dr. and Mrs. Rahmat Simani, have resided in Teheran and Shiraz since September 1968 and plan to return to the U. S. in November 1970. He was introduced by President Richard Suss.

Illiteracy has been reduced from 80% to 60%, part of the arid land has been irrigated from mountain streams and women's rights have been increased during the reign of Shah Mohammed Reza Pahlavi, who has led Iran since 1949 although not formally becoming monarch until 1969, Frohardt reported. He displayed examples of Persian craftsmanship.

**Mendoza Loses 1-0; Contest Here Sunday**

The Mendoza Sporting Goods soccer team lost 1-0 to the Morning Club last night at Carondelet park. Coach Ruben Mendoza noted, "We completely dominated the second half but just couldn't put the ball into the nets."

On Sunday at 1:30 p.m. Mendoza's will host Southern Equipment at the St. Elizabeth field.

**29-6 Soph Victory**

Edwardsboro Warriors downed Edwardsville 29-6 at the Granite City gridiron Monday.

**Sophomores Lose 16-12**

The Madison sophomore football team lost 16-12 to Dupont Monday at the MHS field.

## Open House at GC School Board Offices Nov. 9

Open house will be held Sunday, Nov. 9, from 2 to 4 p.m. at the Granite City board of education and administrative offices at 2001 and Adams streets. The board decided last night.

Refreshments will be served and the public will have an opportunity to inspect, general and accounting facilities, audio visual offices and storage areas.

Former Stolze Lumber Co. property was acquired by the community unit school district as the permanent site of its administrative headquarters. Office space formerly was leased in the Labor Temple building, and before that the district offices were at Granite City high school.

**Boards Convene Tonight**

Plans were completed for a meeting tonight at GCHS of the Southwestern Division, Illinois Association of School Boards. George Moore sr., chairman of the Granite City school board, is chairman of the division.

About 200 board members and administrators will attend the 6:30 dinner.

Discussion topics will be new directions in vocational-technical education, recent school legislation changes, developing student responsibility through freedom, coaching a winning administrative team, the changing patterns in elementary education and school programs oriented to student needs.

Board Secretary Donald Strucke was named delegate of the Granite City district to the Illinois Association of School Boards meeting opening Nov. 23 in Chicago. The board decided to support 13 resolutions to be considered at the convention.

Miss Barbara Kerch, consultant on elementary physical education and on girls' junior high and high school physical education, was authorized to attend the annual conference of City and County Directors of Health, Physical Education and Recreation Dec. 11-14 at Springfield, Mo.

**Special Education Move**

Biltmore Moving Co. was authorized to move Quad City special education district equipment from Madison schools to the new offices rented at 2801 Madison avenue. Estimated moving cost is \$29.75 hourly for three hours.

Administrators were instructed to inspect surplus federal equipment at Springfield for possible purchase by the school.

Cafeteria canned goods purchased on bids totaled \$29,820—Allen Foods \$13,694, M. J. Keller \$9,046, Clitchfield Greener Co. \$4,122, Edray Foods \$2,145, General Grocer \$905, Kraft \$126 and Stocker-Hausmann, \$71.

With 34 enrolled at present in the Win Back program at GCHS, in which 40 have qualified for high school diplomas through evening classes in the past two years, state reimbursement for a third year will be sought.

Events authorized at school facilities include use of GCHS by Elks Lodge 1063 in event of rain at 6 p.m. Nov. 11. The lodge will be host for a talk by Cong. Melvin Price, to be given in front of the Elks club if the weather is favorable.

Legal and personnel matters were reviewed in an executive session.

The board instructed Attorney Maurice Dailey to file suit to establish that the school board office is not subject to taxation.

## Clothing Needed for 9 Orphaned Children Here

Immediate aid in the form of clothing items, especially toddlerwear for a year-old girl and two-year-old twin girls, is being sought by friends of Mrs. Lottie Lynn, 2013 Harris street, Madison, who assumed responsibility for her 11 grandchildren recently following the death of their mother.

Nine of the 11 youngsters are under 15 years including five who are five years or less. Two older children, Robert, 18, is now employed and Mrs. Terry Kay Greathouse, 17, a married daughter, is assisting her grandmother.

The children's mother, Mrs. Lottie Lynn, died two weeks ago from injuries in a head-on collision near Prairieville, Mo., where the family had been living the past year.

Their father, Glen Welty, a pensioned veteran of war II, died 15 months ago of lung cancer at the John Cochran Veterans Hospital, following a lengthy illness. The Welty's were living in Madison at the time of his death.

Mrs. Lynn, whose husband died four months ago, has applied for assistance to various agencies to which the children may be entitled, but their needs are acute and governmental assistance requires time to process, a neighbor said today.

A traffic ticket for disobeying a stop sign. He is to appear in magistrate's court by Nov. 25.

D'Arcy was treated at St. Elizabeth Hospital for abrasions to the right forearm and released. A passenger in the local man's car, Marian Berkshire, 36, of 2406 Iowa street, also received treatment for abrasions to the left knee and a small cut to the head.

**Treated For Injuries**

Mrs. Jeanie Varnell, 36, Wood River, was treated at St. Elizabeth Hospital about 11:40 a.m. Tuesday for injuries sustained in a two-car accident on Route 111 in Roxana. She was treated for cuts to the left side of her head and pains to the left thigh and both knees, and was admitted.

Roxana police said Mrs. Thelma Buster, 48, Edwardsville, driver of the other car, also was injured and was taken to the Wood River Township Hospital. Cars driven by the two women collided at the intersection near the Shell Refinery, which is a four-way stop.

**Season tickets will be on sale** through the Granite City performance. Adult tickets are \$6 (22 less than single-admission prices) and student season tickets are \$4, a saving of \$1.

The head of the Von Trapp family will be played by Ron Fennell of Granite City.

His portrayal of Captain Von Trapp is his second appearance with the Masquers, he first appeared as Marcus Lycus in "A Funny Thing Happened on the Way to the Forum" last spring. Fennell is a teacher at Granite City High school, conducting classes in English, speech and drama. He obtained his teaching degree from Eastern Illinois University and also holds an M.A. degree in theatre from St. Louis University. Some of his previous stage credits include "R.V.R.", "Tartuffe", the role of Ishmael in "Moby Dick" and Sir Thomas More in "A Man for All Seasons."

## Maroons Outscore Grid Braves 24-12

The Coolidge football Braves lost 24-12 to the Maroon freshmen at Belleville West Monday afternoon. Braves' Coach John Tonnoff cited tackling deficiencies.

Neither end zone was threatened until the second quarter, when the Maroons marched from midfield to a touchdown. On the next kickoff, the Braves watched the ball roll to their own one-yard-line and allowed a Maroon to pounce on the ball. Belleville punched across for a TD to lead at halftime 12-0. Coolidge moved to within the Maroon 25 several times after the intermission and then, in the final quarter, Russ Robinson on a quarterback keeper won 70 yards for a TD. Belleville intercepted a pass and headed 35 yards for a TD. Coolidge was held and Belleville used passes for its final scoring drive.

Coolidge put together a successful drive with rushing by Jon Stagner, Gerald Hopper and Robinson. Walt Milton ran the final 11 yards. With two and a half minutes remaining, Coolidge unsuccessfully attempted an onside kick and the Maroons ran out the clock. All conversions were running attempts and failures. Madison County junior high school football conference standings: Roxana 5-0, Grigsby 3-1, Collinsville 2-1, North of Collinsville 1-3, Prather 0-3 and Webster of Collinsville 0-3.

## Madison, Roxana Will Decide Title Tomorrow

The undefeated Trojans can clinch the Midwestern Conference football title with a win over the Shells at Roxana at 7:30 p.m. Friday.

The Shells, with a 3-1 conference record, are the only team with a record sufficient to challenge Madison's potential sole ownership of the championship. MHS is 3-0 in league play and will finish with a Nov. 7 game here against Bethalto.

Trojan Coach Al Vonder Haar comments, "If we win, there's no tomorrow for Roxana. We must realize how important this game is to us, because it's all-important to them."

"The way Roxana can beat us is if we beat ourselves. We'll have to play one of our best ball games, with few mistakes."

**Hope to Avoid Penalties**  
"We had four offenses penalized in our last game, which isn't bad for a total but isn't good when you play someone like Roxana, which has had only 20 penalties in five games. They haven't fumbled or had any penalties in the games we've scouted."

Last week against Dupo, the Trojans almost defeated them. The Tiger defense scooped up a fumble for a touchdown and a high Trojan hike from center bounced before the defense.

Madison's defense has given up an average 12 points per game in conference play, second only to Madison's average of 7.30 points. Roxana's offense has 25.25 points per conference game, second to none; MHS has averaged 24.5.

**Weight Differential**  
"My defensive halfbacks are 140 and 150 pounds. If James or Shaw (220 and 170 pounds, respectively) get that far, my halfbacks will have problems stopping them."

"If we key on those two, Madison has a good wingback who can get into a quarterback who is a good thrower and end, especially John Ervin, who has fine hands."

Harold James' counterpart, John Peters, left halfback, Otr rushes to provide the brunt of the ground attack. The right halfback is Robin Vidavick.

The Shells' fullback, Rich Simms, weighs 150 pounds but makes a strong charge with "determination to keep his feet and the ability to hit quick," Tschannen explains.

**Veteran Quarterback**  
The Shells' attack is directed by seasoned Quarterback John Peters. Left halfback, Otr rushes to provide the brunt of the ground attack. The right halfback is Robin Vidavick.

The Shells' fullback, Rich Simms, weighs 150 pounds but makes a strong charge with "determination to keep his feet and the ability to hit quick," Tschannen explains.

Linemen giving superior support to the Shells' backfield are left guard Perry Allison, center Paul Davis and right guard Rich Wilson.

The past two weekends, Roxana lost to Highland 36-30 and to Cahokia 36-21. But if the scorekeeper would have been a few minutes late to each game, the decisions could have belonged to Roxana.

**3 TD's in 4 1/2 Minutes**  
Coach Tschannen relates, "I guess it even happens in pro ball. We've had a conference record going into the Highland game and it turns out that we weren't ready. We must have been looking past Highland to other games, and Highland was higher than a kite. They scored three touchdowns in the first four and a half minutes."

**Cahokia made two touchdowns on their first three plays from scrimmage. We came back for a 21-18 lead going into the fourth quarter, but to their numbers of players, they got to us.**

"Watching the game films of Cahokia's attack, I think it was just a perfect play. Every coach could say, 'I draw the plays on the blackboard, and we should make a touchdown every time.' But it seldom works to the perfection of the plan. This time it did."

Tschannen summed up the early-game problem as, "It's not physical; it's a mental thing."

**Past Scores Compared**  
Roxana opened its season by blanking Southwestern 21-0, followed by a 27-0 loss to Wood River. The Shells knocked out Triad 15-12, Dupo 27-0 and Bethalto 29-0 before losing to Highland 35-30 and Cahokia 36-21.

Madison has played scoreless ties with Rosary of St. Louis and Mater Dei of Breese and has defeated O'Fallon 13-12, St. Peter of Festus, 20-0, Highland 33-6, Triad 26-6 and Dupo 14-10.

The Trojans fared better than Roxana against both Highland and Triad, but were able to win only in the closing seconds over a loser by four touchdowns to Roxana.

**Standout tailback Steve Ganz,** who against Wood River scored three TD's, will definitely not play for a second week because of leg trouble.

Williams has not scouted Quincy since the Blue Devils lost to Alton 26-6 in the season opener. He says, "They must be tough now; they've won their last three games."

Likely substitutes for injured warrior are a quarterback, junior Don Harris, a regular starting defensive safety, who has done some quarterbacking this season in the closing minutes of games; fullback—Jim Greenwald, who at 205 pounds is built for, and has experience at, the position but has not been a starter; and tailback—junior Mike Wilson, who adequately filled the position last week but needs experience.

**Blue Devils turned the corner with a 13-4 win over Keokuk, Ia., and kept their momentum, topping both Burlington, Ia., and Galesburg by 20-13 scores.**

All three were come-from-behind wins. Quincy trailed at halftime in two of the contests and against Galesburg took an 8-6 lead moments before halftime.

**Able Quincy Defense**  
Blue Devils' coach William Groff gives credit to the defense— "our strongest point. This kept us in the ball games, putting on pressure when we needed it most."

Groff sees his independent defensive platoon—no one plays defensively and the defense at Quincy— "as a good, sound unit. There are no individual stars."

The defense has a strong man in 215-pound corner linebacker Bruce Ader, who can look down on everyone from his six foot six-inch height.

Others doing more than assignable duty are middle line-backer Bob Garkey and end Dick Himeh.

**Bessing Main Ball Carrier**  
Blue Devils who have proved to be capable offensively are 170-pound running back Jack Bessing, the most frequent ball carrier.

Back Steve Welch. The Quincy line consists of all second-year veterans except for Keith Wade, who is playing his third year as varsity center.

Groff concluded, "Granite City is an entirely different kind of team. The teams we've played in the past. They could not have the wins over the powerful teams they've played if they weren't different."

"They have a solid, balanced team with solid offense and good defense. Their quarterback throws the ball well and handles the ball especially well."

**GC Bruises, Injuries**  
The 14-13 Edwardsville victory over Granite City last week may have caused the Warriors to lose more than first place in the conference standings.

Quarterback Dave Evans has been hurt by his throwing arm and starting fullback Stan Corey is nursing sore ribs.

Both may not, according to Coach Wayne Williams, be able to play against the Blue Devils. Standout tailback Steve Ganz,

**TWO GOALS BY COUGAR BLAKE.** Jack Blake (18, second from left) kicks the first of two goals he scored in SIU-SW's 5-0 soccer victory over Washington University Tuesday. Washington U.'s Bill Egloff vainly tries to block the shot. Cougars Jim Hoff (center) and Mickey Conway (12) are ready to rebound if the shot had missed.

## Battered But Unbowed Warriors Await Quincy

Trying not to look past tomorrow's 8 p.m. game at GCHS against non-conference Quincy, the Warriors will be seeking their fifth victory in seven starts.

The Granite City gridders still have a quarter chance to tie for the conference championship, but first they are confronted with a non-league foe whose 3-4 record shows rapid improvement in the past several weeks.

In the early season, Quincy dropped four games in a row — to Alton 26-6, Collinsville 21-8, Belleville West 46-0 and Lincoln 26-6.

The Blue Devils turned the corner with a 13-4 win over Keokuk, Ia., and kept their momentum, topping both Burlington, Ia., and Galesburg by 20-13 scores.

All three were come-from-behind wins. Quincy trailed at halftime in two of the contests and against Galesburg took an 8-6 lead moments before halftime.

**Able Quincy Defense**  
Blue Devils' coach William Groff gives credit to the defense— "our strongest point. This kept us in the ball games, putting on pressure when we needed it most."

Groff sees his independent defensive platoon—no one plays defensively and the defense at Quincy— "as a good, sound unit. There are no individual stars."

The defense has a strong man in 215-pound corner linebacker Bruce Ader, who can look down on everyone from his six foot six-inch height.

Others doing more than assignable duty are middle line-backer Bob Garkey and end Dick Himeh.

**Bessing Main Ball Carrier**  
Blue Devils who have proved to be capable offensively are 170-pound running back Jack Bessing, the most frequent ball carrier.

Back Steve Welch. The Quincy line consists of all second-year veterans except for Keith Wade, who is playing his third year as varsity center.

Groff concluded, "Granite City is an entirely different kind of team. The teams we've played in the past. They could not have the wins over the powerful teams they've played if they weren't different."

"They have a solid, balanced team with solid offense and good defense. Their quarterback throws the ball well and handles the ball especially well."

**GC Bruises, Injuries**  
The 14-13 Edwardsville victory over Granite City last week may have caused the Warriors to lose more than first place in the conference standings.

Quarterback Dave Evans has been hurt by his throwing arm and starting fullback Stan Corey is nursing sore ribs.

Both may not, according to Coach Wayne Williams, be able to play against the Blue Devils. Standout tailback Steve Ganz,

## 19th Straight Soccer Victory for Cougars

It is nine down and two to go for the SIU-SW soccer Cougars following their 5-0 victory over Washington University here Tuesday. The triumph ran Coach Bob Guelker's soccer team's record to 19 straight without a defeat, marred only slightly by a 3-3 tie with a strong Quincy College team.

One of the final two games will be this Saturday's 1 p.m. homecoming battle with the University of Illinois Chicago Circle at the Cougar field.

The Cougar's offense once again proved it wasn't a one-man team as the Washington U. defense zoned in on John Carezza and stopped him, only to see a two-goal effort from Jack Blake and single goals from Tom Howe, John Diewer, and Jim Kersting.

The Bears held SIU scores in the first period. Blake broke the ice 12 minutes into the second period when he took a pass from Mickey Conway and lobbed the ball into the net.

It was the first of four assists for Conway.

Indicative of the Cougars' dominance are shots on goal totals. SIU-SW's outshot the Bears 22 to 6. The half dozen shots which Washington got, Goalkeeper Jim Stranz waved off with ease. It was his fourth shutout of the season.

The Cougars will travel Nov. 8 to meet the Rivermen of the University of Missouri at University City's Heman Park.

**Wrestling Rules**  
Wrestling coaches and officials are invited to attend an Illinois High School Association rules interpretation meeting at the Granite City high school gym Monday at 7:30 p.m.

Joe Fedora has announced. "Warrior" Wrestling Coach William Schmitt will preside as the IHS-appointed moderator.

## Park Cage Leagues To Organize Monday

Each team that intends to play in one of the three Granite City park district basketball leagues should have a representative attend an organizational meeting at the Wilson Park office at 7:30 p.m. Monday, Park Supt. Harold Brown has announced.

The leagues are: the Classic League for adult men, the Church League for young men 16 and over, and the High School League for boys now attending high school.

Boys who participate in high school interscholastic sports may not play for any park district basketball team.

## Hunting Applications Should Specify Dates

Sportsmen who intend to apply for permits to hunt on the areas operated by the Illinois Department of Conservation should list an alternate date in their application.

They should not write and ask what dates are open before they apply, according to Ed Fitzgerald, Vandalia, supervisor of the public hunting areas. This delays the issuance of a permit.

Seven pheasant hunting areas are managed by the Department of Conservation. They are Chain O' Lakes, near Fox Lake; Des Plaines, near Wilmington; Iroquois county, near Beaver

Ill.; Shelby county, near Cowden; Richland county, at Calhoun; and Carlyle Lake, on the west side of the lake, north of the city of Carlyle. These areas will be open from Nov. 15 through Dec. 7.

Quotas have been filled on the Chain O' Lakes Area for Nov. 16, 22, 23 and 29. All weekends have been filled on the Des Plaines Area, but hunters still may obtain reservations for weekdays.

The duck areas are Rice Lake, south of Banner on the west side of the Illinois river, and Sanganois-Knapp Island, on the east side of the Illinois river, west of Chanderville.

Rice Lake is full for Nov. 1, 2, 8, 9, 15, 16 and 22. Hunting permits are no longer available for Sanganois-Knapp Island for any weekend date except Nov. 30 the last day of the duck season.

Will the Lakes Freeze? The duck hunting areas will be open during the entire duck season if the shallow bottomland lakes do not freeze over. Hunters are advised to call the areas to determine if they are open for hunting if the weather has been cold.

Horseshoe Lake near Olive Branch in Alexander county, and the Union County Area near Ware are the goose hunting

grounds managed by the department. Permits are necessary to hunt on them from Nov. 18 through Dec. 21. However, the areas will be closed on Mondays.

The harvest quota of geese has been set at 25,000 birds. If this quota should be killed before the scheduled closing date, the season will be ended by order of Conservation Director William L. Rutherford.

If the quota is not filled by Dec. 21, the season will reopen on Jan. 2 and run until Jan. 11, or until the state quota has been harvested, if the quota is bagged before Jan. 11.

to hunt on the public goose areas during January. Hunters will draw for pits or blinds every morning.

Permits are not available for the Union County Area for Nov. 18, 22, 23, 28, 29 and 30 and Dec. 6, 7, 13 and 14. The only weekend with openings is Dec. 20-21.

The Horseshoe Lake Area (Alexander county) is filled for Nov. 22 and 29 and Dec. 6, 7 and 13.

Applications for permits should contain the following information: the hunter's name and address, a partner's name, the area desired, the date desired and an alternate date. Only one permit per hunter will be issued for a goose area or a pheasant area or a duck area.

**Rule on Firearms of Waterfowl Hunters**

Waterfowl hunters going to and from their blinds in boats must have their firearms unloaded and cased.

John Rebuffoni, chief law enforcement officer for the Illinois Department of Conservation, has noted that hunters are often cited for having a loaded or an uncased gun in a boat.

"I can understand how a hunter returning from his duck blind at the end of the day might be in a hurry and tired and forget to follow this rule," Rebuffoni said. "But I cannot explain how a thing like this could happen early in the morning on the way to the blind."

"A hunter may shoot waterfowl from a boat tied up and used as a blind or from a scull boat," Rebuffoni explained.

"A scull boat as defined by the Game Code is a craft propelled by an oar fixed in a notch in the transom of the boat and worked in a turning or sculling motion. A standard rowboat or duck boat is not a scull boat, according to our regulations."

"A hunter may shoot a crippled duck that he is chasing

from a boat if the boat has ceased its forward motion. But loaded gun drops and discharges accidentally. Conservation officers have been instructed to cite anyone who violates this provision of the Game Code."

Rebuffoni said the regulation is a safety measure. "We do

**Retraining for Water Safety Instructors**

The Tri-Cities chapter of the American Red Cross will conduct a water safety instructor retraining course beginning Monday, Nov. 3, at 7 p.m. at the YMCA, 2001 Edison avenue.

The course is open to all authorized water safety instructors certified by the American National Red Cross, regardless of their place of residence. There is no fee charged for the course.

All water safety instructors are required to complete the retraining course by Dec. 31, 1969, or forfeit their authorization. Those instructors who have not conducted a class this year will have this retraining course credited toward a review course, which automatically renews certification for the length of the authorization period.

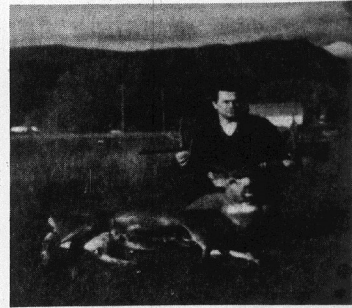

The course will be conducted in three sessions on consecutive Monday evenings, and participants must attend all three sessions in order to receive credit for completing the retraining. The first of these sessions in-

cludes registration, presentation of the revised 1968 swimming and lifesaving programs of the American Red Cross, and discussion and clarification. The remaining two sessions will be entirely pool-oriented, with no time spent in the classroom.

Throughout the course, various materials, including instructor's manuals, will be distributed at no charge to the participants. In addition, those wishing to obtain the new Red Cross swimming textbook, "Swimming and Water Safety," may do so, purchasing it at a cost price of \$1 per copy.

Those water safety instructors wishing to participate in the course must register in advance, in person or by telephone, at the American Red Cross chapter headquarters, 1411 21st street, telephone 432-7184, no later than 5 p.m. Oct. 31.

Boys' basketball player openings remain in the Mitchell Athletic club 7th through 9th grader division. Interested boys may register by phoning Cecil Hampton at 301-0412.

Five teams in each of the other Mitchell basketball divisions will begin play Nov. 4 at the Mitchell school gym.

The Jerry West division for 3rd and 4th graders is comprised of the Hawis team, coached by Lowell Burton; Pistons, Wayne Barnes; Lakers, Joe Stefanoff; Rockets, Satch Page; and Warriors, Bob Young.

Teams and coaches in the 5th and 6th grade Oscar Robinson division are: Royals, John Roberts; Bullets, Ralph Morris; 76ers, Ray Sumpter; Celtics, Leroy Shriver; and Bucks, Cecil Hampton.

Mitchell Athletic volleyball league for couples also will begin Nov. 4.

Other club-sponsored activities still in the planning stages include a fund-raising game between Kook All-Stars and Mitchell No-Stars; an awards banquet, with the guest of honor, a former pro-basketball player, Charlie Share; and a fathers vs. sons basketball game.

**'Big Deer' Trophies Available to Lucky Gun, Bow Hunters**

If you bag a big deer this fall you may be eligible for a trophy, according to Conservation Director William L. Rutherford.

The third Annual Big Deer Contest is open to gun or bow hunters, male or female. The contest is sponsored by the Illinois Wildlife Federation in cooperation with the Illinois Department of Conservation.

Four awards will be given by the Wildlife Federation, two in the senior division and two in the junior division, for the biggest buck and doe taken during the 1969 hunting season. The senior division is open to hunters over 21, and the junior division to hunters under 21.

The field dressed weight of the deer will be the criterion used to judge entries. Blanks will be available at a Department of Conservation employee assigned to a check station. Bow hunters must contact a conservation officer for this service.

Contestants must submit a clear black and white photo of their deer and themselves. Entries postmarked after Jan. 15, 1970, will not be considered.

Deer hunting permits are no longer available for Clinton county in southern Illinois. Logan county in central Illinois and Adams county in west central Illinois.

Permit quotas have been reached 30 counties. Quotas are filled in the following northern counties: Bureau, Carroll, Grundy, Jo Daviess, LaSalle, Marshall, McHenry, Ogle, Putnam, Rock Island and Stephenson.

In central Illinois the following counties in addition to Adams and Logan have been filled: Fulton, Hancock, Knox, Mason, Peoria, Tazewell and Woodford.

The following southern counties, in addition to Clinton, have been filled: Fayette, Hardin, Johnson, Pope (north), St. Clair, Saline, Union, Wayne and Williamson.

# GC Girl Seeks Word on Whereabouts of Husband-Flier

By VALERIE EVENDEN

Exactly one year, ten months and two days ago, the crew of a U. S. Navy aircraft became another statistic in the "missing-in-action" columns released by the Department of Defense.

On the plane was a young Navy flier whose wife, a Granite City girl, has waited for word for almost two years of her husband's fate—just some word to indicate he is alive and well.

Navy Lt. (jg) Roger B. Innes, 23, husband of the former Miss Sandra Noeth of Granite City, was reported missing-in-action in Vietnam on Wednesday, Dec. 27, 1967, by U. S. Navy authorities. He is one of at least 1300 "lost men"—348 believed to be POWs and 954 simply "missing."

Unlike Other Wars  
Missing in Action and Prisoners of War are familiar terms from wars past. But unlike other wars, in the Vietnam war there has not even been a release of the names of the prisoners held. The 1300 "lost men" list is merely an estimate.

Lt. Innes had arrived off the coast of Vietnam on a U. S. aircraft carrier just five days before his plane disappeared on an overland mission. He volunteered for service in the Navy Air Force in October 1965, five months after graduating from Culver-Stockton College at Canton, Mo.

His wife, Sandy, the daughter of Washington school principal Fred Noeth and Mrs. Noeth of 40 Terrace lane, is a 1964 graduate of Granite City high school and attended Culver-Stockton College. The couple was married in August 1966.

Radar Officer  
At the time his plane failed to return to the Navy carrier, Lt. Innes was serving as Radar Interception Officer (RIO) aboard the 10-man aircraft.

A soft-spoken blonde girl, Mrs. Innes is employed at the First Granite City National Bank where she is admired tremendously for her ability to work each day at demanding tasks despite the pressure of not knowing the fate of her young husband.

"Her sunny disposition in the face of uncertainty is noted by everyone with whom she comes into contact," a fellow worker said. "Few people are aware that Sandy is the wife of a missing-in-action serviceman. She is full of hope and her warm

personality radiates the belief that her husband is alive and well," he said.

Recently, Mrs. Innes attended a meeting in Chicago of about 100 families who have formed "Reunite Our Families Group." The organization is devoted to getting Americans more interested in prisoners of war and missing-in-action servicemen and doing something to change these conditions.

Bumper Stickers  
To spread their message, members of ROFG have prepared a bumper sticker which they hope motorists will affix to their cars, reminding still more people of their cause.

In Chicago, Mrs. Innes for the first time met relatives of other servicemen listed as missing-in-action or prisoners of war, all desperate for the slightest hint of the health and whereabouts of their loved ones.

"What we can do to bring word public opinion down on the North Vietnamese government and encourage our own people to support our efforts to get news—any news—was the principal topic discussed," Mrs. Innes said.

**LT. ROGER B. INNES**  
Missing-in-Action

she plans to maintain contact with families in the same situation, plus cost of mailings. Mrs. Innes is asking the public to contribute ten cents for each sticker, but will provide them without charge if necessary.

Compiling List  
She also is urging any families with servicemen who are prisoners or listed as missing in action to contact her at 876-5200, or write to Box 674, Post Office, Granite City, Ill., 62040. She recently heard of two families, one in Highland and the other in Greenville, with missing sons, but has been unable to get their names.

The U. S. Navy has not forgotten Lt. Innes. A Naval officer stationed in St. Louis, communicates with Mrs. Innes on a regular basis, keeping up her spirits.

"At first these letters were heartbreaking to me, but now I really welcome them. They make me realize that someone really does care," she said this week.

In the past two years, she has been permitted to write her husband one letter each month and send packages on two occasions—Christmas 1966 and in August this year. Her letters are addressed only with her husband's name, rank, serial number and a file number and are sent to Hanoi, Democratic Republic of North Vietnam.

Whether the young Naval officer has received her letters, Mrs. Innes doesn't know. She can only hope and wait.

## Pet Owner's Suggestion

### For Halloween Season

The Granite City Animal Shelter board has been asked by a local cat owner to suggest that pet owners keep their animals either penned or in their homes during the "trick or treat" season.

The purpose is not only for the safety of the costumed youngsters, but also a protection for the pets. The cat owners recalled that last year, her pet cat was frightened by the Halloweeners and ran off—never to be seen again.

## Aerial Broken

Mrs. Dale L. Carper, 2673 Center street, reported at 10:40 p.m. Tuesday that vandals broke the aerial from her 1968 auto which was parked on the Niedringhaus United Methodist Church parking lot about 8 p.m. the same night.

## SCOUTS STUDY FIRST-AID

Boy Scout Troop 23 met Tuesday evening at the Long Lake volunteer firemen's recreation hall with the leader, Leonard Barron, in charge.

The meeting opened with the pledge of allegiance to the flag, followed by a demonstration of first-aid by John Harper, Danny Kreher and Pete Fourcatt.

Others present were Mark and Larry Green, Stephen Noid, Stanley Daigger, Arthur Stroud, Roger Daigger, Eddie Kennerly, John H. McD., Roger McDonald, Carl McKay, Dave Senior and Donald Slep.

# Three Winners Display Municipal Flags For Granite City, Madison and Venice

Official presentation of city flags for three local municipalities was made to the community during the annual dinner meeting of the Tri-Cities Chamber of Commerce, attended by 315 persons Tuesday evening at the SIU-SW campus University Center.

High school students from the three local high schools, whose designs were selected for the official city flags, were presented with \$50 U. S. Savings Bonds by Barry Loman, chairman of the C. of C. Image Improvement committee.

The winners are William D. Fox, 15, a sophomore at Madison high school and son of Mrs. Dina Fox, 814 Madison avenue; Miss Pamela Schaefer, 15, a junior of Granite City high school and daughter of Mr. and Mrs. Ted Schaefer of 63 Karen drive; and Edward A. Oats, 16, a junior at Venice high school and son of Mr. and Mrs. Ralph Cooper, 213 Abbott street.

## Parents in Audience

The students' parents were in the audience and were introduced.

Also taking part in the ceremony were the local mayors, Dr. John E. Lee of Venice, Donald Partney of Granite City and Stephen A. Maeras of Madison, who spoke briefly to congratulate the prize winners.

Judges in the contest were members of the administrative staffs of three local school districts—John Patchett of Madison, Supt. John Pier of Venice and Eugene Alassi of Granite City. Loman was aided on the C. of C. committee by E. E. Margerlin.

Mayor Partney and Loman explained the background of the contest, which was entered by hundreds of local high school students.

## Request from Overseas

Mayor Partney had received a request from a young serviceman in Vietnam requesting a city flag to fly on his Army personnel carrier. The soldier, Sp4 Garry W. Barron, son of Mrs. Melvin F. Penberthy of Forest avenue, was sent a city auto license sticker instead, but the matter of a city flag was presented to the Chamber of Commerce. The assignment to find a means of securing a flag was given to Loman's committee.

In addition to designing the flag, each student was required to explain the design in 25 words or less.

Miss Schaefer wrote—"I chose this design because it shows that Granite City is a shining, outstanding city in the state of Illinois."

Her design of a blue field with an outline of the state on a red background shows the locale of Granite City with a golden sunburst. The name of Granite City is in large white letters on the field of blue.

## Madison Motto

William Fox wrote—"The symbol on this flag is the Chain of Rocks bridge, which is the trademark of Madison, Ill. The date on the flag, 1891, is the date that Madison was founded."

The motto on the flag "Symbol of Success" stands for the wealth the bridge has brought Madison. His black and white design gives an outline of the city-owned Mississippi River bridge. The essay by Edward Oates of states—"In my entry is a drawing of the Union Electric plant and the McKinley bridge. These two structures are important in Venice because they employ men from Venice. The Union Electric plant is one of the

for plants in the area, and McKinley bridge is important to Venice. It helps Venice financially. The bridge was purchased 11 years ago for the price of 24 million dollars." Mayor Lee gave assurance that Oates' flag design would be accepted by the council. He added that he wanted to correct the student's essay in that the city of Venice is not being aided to any great extent financially through the operation of the bridge.

Mayor Maeras noted the Madison council had met Monday night to accept the city flag. He pointed out that over the years the operation of the bridge, which now has been replaced by the I-270 Mississippi River bridge, have been good to the city of Madison, making the city absolutely tax free for one year.

**\$6,000,000 for City**  
"It's done a lot for our community in the past 27 years and made us \$6,000,000 dollars. We have good streets, sidewalks and curbs and gutters and a growing industrial park."

"I want to tell everyone here that we have no art department in our high school, and the youngsters who entered this contest did it on their own volition."

Mayor Partney remarked that the Granite City council also had adopted the flag officially Monday night. He presented Miss Schaefer with a key to the city. "This is a distinction, for it is a rare occasion when one of these keys is presented. It won't open anything, but it is a token of the city's appreciation."

## Honorable Mention In Poster Contest

Karen DeGonia and Cheryl Schaus, representing Sacred Heart Catholic school, both received honorable mention for their posters entered in the Farm Bureau Food poster contest for the 7-8 grade category.

Lynn Lewis of Rural Route Two, Highland, was first place winner of the contest. A third grade student from St. Paul's school in Highland, she used as her theme for the poster, "Good Food Is The Ruler of Life." Basic food needs were depicted on the poster as well as the pictorial display of healthy people representing childhood through maturity.

The poster contest is conducted each year by the Farm Bureau Women's committees throughout the state. The next step on the schedule for judging is district competition, where a few girls' posters will be entered with 16 other county winners.

State winners will be selected at the IJA's State Farm Bureau, annual meeting held in Chicago during the week of Nov. 17. All district winners will be present at the announcement of the state winner. District winners are awarded expense-paid trips to Chicago to attend the meeting.

## Schedule Seminars on Communist Mass Media

A series of six seminars on "Mass Communications in Political Change" will be presented at Southern Illinois University-Southwestern campus beginning Monday, Nov. 10, featuring Kamil Winter, director of news for Czechoslovak television until the Russian occupation.

Each Monday from 7:30 to 9:30 p.m., Winter will discuss theoretical concepts of a practical approach as to mass media in Communist countries, explaining the task and role of media and journalists in Communist regimes. Programs will consist of 70 minutes of lecture and 40 minutes of television.

The seminars will be held in the Lovely Library auditorium. A \$1 registration fee per seminar will be payable at the door each evening. The Nov. 10 seminar will be of general and historical nature. On Nov. 17, Winter will lecture on the Leninist-Stalinist concept of mass media, organizational structure of the Communist party machine and an organization of media.

Effective Saturday, Nov. 1, the recreation swim schedule will be—non-members: ages 6-14—9 to 10 a.m.; Girl Members, ages 6-14—10 to 11 a.m.; Boy Members, ages 6-14—11 a.m. to noon.

Gym Schedule: Boy members, ages 12, 13, 14—9 to 10 a.m.; Boy Members, ages 7-11—10 to 11 a.m.

Non-Member privileges on Saturdays which became effective on Saturday, Oct. 25 include the following regulations:

Non-members of the "Y" may participate in a recreation swim period according to schedule, for a fee of 50 cents.

Non-members will not have the privilege of purchasing a day pass to play pool and ping pong. YMCA members are to have the opportunity to use the facilities that their membership provides for them, Hasse said.

## Churchmen Fellowship Fall Meeting Sunday

The fall meeting of the Illinois South Churchmen's Fellowship of the United Church of Christ will be held at the St. Paul United Church of Christ church at 127 North St. Paul street, Columbia, Ill., on Sunday, starting at 3 p.m.

## Object Strikes Car

Minor damage to the right side of his auto, caused by a brick or similar object thrown at the moving vehicle by a group of high school age youths was reported at 4:30 p.m. Tuesday by William Barnhart, 2405 St. Clair avenue. The motorist said the incident occurred at St. Clair and Nameoki road about one hour earlier.

## CB Radio Taken

Mrs. Ida Doolin, 2118 Lee avenue, notified police yesterday that thieves removed a citizens radio band radio from her auto while the vehicle was parked overnight in the rear yard of her home. The radio equipment was valued at \$150.

## Animal Shelter Needs Old Rugs, Carpets

The Granite City Animal Shelter on Route Three, near the RC Cola Co. Plant, has need of old carpeting and rugs for the animals' beds as cold weather approaches. Mrs. W. W. Bowers, president of the shelter board has announced.

Anyone wishing to donate the articles may take them to the shelter during the week from 9:30 to 10:30 a.m., or 2 to 3 p.m. on Saturday and Sunday from 9 to 10 a.m.

## Talk by Effitmo to Parents of Deaf Pupils

The Bi-County Parents Group for Deaf and Hard of Hearing Children met at the Union school in Belleville Tuesday night to hear Vasil Effitmo, director of pupil personnel services of the Granite City school district. Steve Gargac, president, introduced the speaker and his wife. A question period followed the talk.

Gargac called a business meeting to order and reports were given by the treasurer, Mrs. Jay Dietrich, and secretary, Mrs. Gail Gargac.

Special recognition was given to Mrs. Gargac for her work on a new school brochure, printed through the cooperation of the Madison and St. Clair counties superintendents of schools.

Reports were given by those who attended the International Parents Organization convention in St. Louis last weekend. It was noted that Mrs. Hazel Bothwell, coordinating consultant for the deaf and hard of hearing, Department of Special Education, Office of Public Instruction, state of Illinois, addressed this gathering of 47 persons at a workshop concerned with "Legislation for Good Education and How to Get It."

A contingency fund was set up for each of the ten classrooms in the program, and also established was an educational supplies and library fund.

The parents will be selling Christmas cards as a fund-raising project. The November meeting will be at the Union school and will feature a film of a "Ben Casey" television show. Department of Special Education, Office of Public Instruction, state of Illinois, representative Mrs. Joan Gregory, supervisor of the oral deaf program, introduced the following members: Mr. and Mrs. Ernest Green, Mr. and Mrs. Houston Lowry and Mrs. Trudy Stafford.

Arrangements were made for the parents group to send Gargac as their representative to a meeting this Saturday of the Special Parents of Hearing Impaired in Morton Grove, Ill. The meeting will be concerned with planning a course of action the state group will follow during the coming year.

Refreshments were served by Mrs. Lowry and Mrs. Harriet Lovins and were provided by Mrs. Lowry, Mrs. Sue Body and Mrs. Alphonse Dail.

Team members are planning to attend and a car pool will be assembled at the Stotz home. Mrs. Davis announced that calendars will be ready for distribution at the Nov. 6 meeting.

Mrs. Mae Lee, spokesman for a planning committee, announced that the annual Christmas party will be held at Camp Lakota Dec. 4. Reservations must be in by Nov. 25. Each leader is to bring a covered dish and a gift for exchange. The teams will be in charge of favors, Webster school, meat, Marshall, salad, Nidderhaus, vegetables, and Sacred Heart, dessert.

An open house is scheduled for Camp Chan-Ya-Ta Nov. 15 and 16 with a dedication Nov. 16 at 12 p.m. The Junior Girl Scout troop led by Mrs. Davis will conduct the closing ceremony.

The chairman discussed all levels of scouting and told how to hold interest in troop programs and activities. Plans were made for spring and fall projections.

Mrs. Stotz announced that an outdoor training course, scheduled for Nov. 11, has been postponed until early spring.

For the month, Mrs. Mary Frymick, served refreshments to those named and Mrs. Jo Ann Dix, Mrs. Beth Carey, Mrs. Mary Ahlers, Mrs. Pat Eaton, Mrs. Mae Lee, Mrs. JoAnn Jarrett and daughter, Ann Marie, and Mrs. Jackie Watkins.

The next service team meeting will be held at the Davis home Nov. 25.

#### HALLOWEEN CRAFT

A Halloween project was worked on during an arts and crafts session Tuesday afternoon by members of Webster school Brownie Troop 386 under the direction of the leaders, Mrs. Alma Buente and Mrs. Wanda Keelin.

The program opened with the formal scout ceremony and singing of the Brownie smile song. Following a business meeting, the scouts made Halloween cutouts of orange and black construction paper to decorate their homes.

Several of the new members continued work on sit-upons which they will use at day camp. Mrs. Buente spoke on "dinner for Daisy" and Mrs. Keelin, founder, Miss Juliette Lowe. The troop sang "Good-night Brownies" to conclude the weekly meeting.

Responding to roll call were Susan Buente, Connie Bronnbauer, Jackie Chapline, Rebecca Clay, Julie Grider, Culene Jackson, Melissa Keelin, Christine Kuehn, Sandy LeMaster, Cindy Parsons, Robin Plach, Susan Prokopick, Robyn Starks, Lori Taylor, Leann Thomasson and Sheila Wallace.

She received a number of gifts.

#### FIRST COMMUNION

Teresa Jean Brunick, daughter of Mr. and Mrs. Thomas Brunick, 1527 Sixth street, made her first Communion Sunday morning at the nine o'clock Mass at St. Mary's Catholic Church, Madison.

Mr. and Mrs. Brunick entertained with a buffet dinner in their home during the early evening hours, with the following attending:

Mrs. Rose Miller, great-grandmother, Mr. and Mrs. George Meyers, great-grandparents, Mr. and Mrs. George Brunick and E. J. Miller, grandparents; and Mr. and Mrs. Walter Miller and sons, Ron and Ray, Mr. and Mrs. Robert Pearce and daughter, Bobby, and son, Billy, Mr. and Mrs. Robert Scaturro and daughter, Patti, and Mrs. Jo Ann Sebeska and daughter,

Grand avenue, for their daughter, Sandra Lynn, who made her Communion Sunday morning at St. Mary's Church in Madison.

A first Communion party was held in the home of Mr. and Mrs. George Stenitzer, 1000 the table.

#### U. S. Army Announces Re-Enlistment Policy

Men and Women who have been honorably separated from another branch by the Army Forces now may re-enlist into the U. S. Army without obtaining prior permission from the Enlistment Eligibility Activity at St. Louis, it was announced this week by Sgt. Morris L. Cook, local Army recruiter whose office is located at 1206 Niedringhaus avenue.

Such re-enlisting must occur within one year of the individuals separation from the Armed Force in which he or she served previously.

The Department of the Army message stressed that the person so re-enlisting must meet, without exception, the standards cited and must present a Department of Defense report of discharge or transfer which indicates an honorable discharge.

Applicants meeting such criteria will be re-enlisted in the Army in one grade lower than the grade held upon separation from the previous service, but in no case higher than E-7, the new policy became effective Aug. 25.

Further information may be obtained from Sgt. Cook at his office or at 876-5990.

#### Contract for GC Firm

A local firm, Rite Electric Co., was awarded a \$12,020 contract by the state highway department for electrical work in the construction of two pre-fabricated storage buildings to be located along Route 127, one mile north of Nashville, it was announced yesterday at Springfield. Total cost of the buildings will be \$149,568.

#### Thieves Get Battery

While his 1966 auto was parked at the Pontoon Plaza parking lot late Tuesday evening, thieves stole the battery, valued at \$36, Ronnie Wilhelm, 2723 Harvey place, reported Wednesday.

## Airman Livingston With Defense Unit

Airman First Class Terry S. Livingston, son of Mr. and Mrs. Bennett Livingston of 2625 Adams street, plays a key role in the operation of one of the nation's newest frontier defense facilities.

Airman Livingston is a radar operator at the BUC III (Back-Up Interceptor Control III) site that recently became operational at Baudette Air Force Station, Minn.

It is one of 15 Aerospace Defense Command high-speed, computerized command and control centers that will be strategically located throughout the country as a standby weapons control network. Using high-precision equipment that doubles the capability of previous radar monitoring facilities, BUC III automatically takes over defense weapons control in the event a link in the primary Semi-Automatic Ground Environment system becomes inoperative.

The airman, a graduate of Granite City high school, attended Southern Illinois University-Southwestern Campus.

## 2 GC Students Enrolled At Peru State College

Stephen Emert, 2343 Emert drive, and Jim Rains, 2210 Dewey avenue, are among the 1261 students enrolled for the 100th academic fall semester at Peru State College, Peru, Neb. The figure tops last fall's 1244.

Day students increased from 1127 last year to 1168 this fall, while evening class enrollment declined from 117 to 83. The freshman class at Nebraska's first college totals 456-295 men and 161 women. Other classes include 273 sophomores, 248 juniors, 259 seniors, and 25 post-graduates. Men outnumber women 770 to 491.

SUNDAY

NOVEMBER 2nd, 10:45 a.m.

An amazing new ingredient  
now comes in this familiar package.

It's called a longer-lasting engine. Longer lasting than our old engine, which in case you didn't know, was one of the toughest engines around. The new version is more powerful. (Top speed: 81 mph vs. 78 mph.) It has better acceleration. And most important, it weighs the same as the older version. So it doesn't have to work as hard to get you where you're going. But the generation gap ends there.

The new engine will still give you a good 26 miles to a gallon of gas. It still takes pints of oil instead of quarts. It still obtains from antifreeze. (Because it's still air-cooled.) And it's still conveniently located in the rear for better traction in mud and snow. Yes, all the things that made our old package a hit last year are back again this year. Including our old package.

## Madison County Museum Offers Extensive Data, Displays for Visitors

By DONNA HOGAN

After many years of planning and collecting a variety of books, historical information, furniture and antique farm implements pertaining to the locale of Madison county, the Madison County Historical Museum was officially opened on Oct. 31, 1964 at its present location, 715 North Main street, Edwardsville, Ill.

The idea for preserving the history of this area along with items and furnishings to be eventually housed in a museum originated with the Madison County Old Settlers' Union organized in 1887 by people who had been born or had lived in Madison County at least 50 years.

### 1889 Origin?

This was the forerunner of the Madison County Historical Society, Inc. However, in the Alton Courier in June 1889, the Illinois Literary and Historical Society announced a meeting to be held in Shurtliff College and the statement was made that it had been seven years since a meeting was held and an appeal followed for material along historical lines for the society.

The Edwardsville Intelligencer on Feb. 16, 1903, said the Society had been organized at Alton and listed the following officers: E. P. Wade, president; John Leverett, corresponding secretary; Miss Julia Buckmaster, recording secretary; and J. M. Ryrie, treasurer, with a membership of 50 persons.

The organization did not continue on an active basis and on Oct. 22, 1921, Professor W. D. Armstrong called a meeting to reorganize the Society.

Reorganized in 1926: Officers elected during the reorganization meeting were—W. D. Armstrong, Alton, president; Gatus Padlock, Fort Russell, vice-president; Judge G. W. Crossman, Edwardsville, secretary; Miss Laura Gontierman, Edwardsville, treasurer; and A. Mrs. C. H. Burton, Edwardsville, historian. Trustees, W. T.

MADISON COUNTY MUSEUM, located at 715 North Main street. It is open from 9 a.m. until noon

and 1 to 5 p.m. on Wednesday and Friday, from 1 to 5 p.m. on Saturday and from 2 to 5 p.m. on Sunday.

Norton, Alton, W. L. Waters, Godfrey, and Mrs. C. Burton, Edwardsville, and directors, Rep. Norman G. Flagg, Fort Russell, and Mrs. Mark Henson of Collinsville.

Mrs. Charles H. (Annie) Burton, historian and trustee to the society, was one of the first custodians for the steadily growing collection of historical items in the county.

Housed in a white painted brick building which was built in 1836 in the architecture of the Federal Period, the museum contains 15 rooms, a full basement, is two and a half stories high and has walls of four bricks thick. The house has been in the possession of the Weir family since its construction.

Many pioneer household and farm articles are stored in the basement and on the north side of the house, which was remodeled many years ago.

Home Furnishings: The double parlors and one bedroom on the south side, still unchanged, are arranged as a home of the 19th century with furniture used in Madison county at that era.

Another upstairs bedroom on the south side, was opened 2 1/2 years ago as a reference library, containing a wealth of material on the early history of Illinois, Madison county, and various local communities, churches, architecture, and growth in many directions.

Books Sought: The library is especially interested in books for the library, such as Brink's History of Madison County, Norton's Centennial History of Illinois, and other historical publications which might be of historical interest especially if indigent to Madison County.

There is a Louise K. Ahrens Memorial Book Fund to which donations may be made in the form of books or money to purchase the appropriate ones.

Particular piece came to the colonies from England in 1772 on a sailing vessel. The museum, owned by the Madison County Historical Society, Inc., is partially supported by taxes by receiving two-mill tax for maintenance of the building, but restoration of furniture, purchase of books for the library and other purchases are financed by contributions.

At the present time, the museum is not crowded although the parlors contain two Victorian and one Federal sofa and other pieces are being added all the time. Space will eventually become a problem as the basement is most crowded, being used for storage of numerous items and the furnace. Future plans of the Society include the erecting of a bank-barn at the back of the property to house many of the farm implements and other storage items.

The Society plans to renovate the basement so that films may be shown to classes and clubs.

Days and hours which the museum is open are Wednesday and Friday, 9 a.m. to 1 to 5 p.m.; Saturday, 1 to 5 p.m.; and Sunday, 2 to 5 p.m. The museum is closed on legal holidays.

Busiest Seasons: The busiest seasons of the year is in April and May during the school field trips, with October for fall trips. There are of course many visitors during the summer vacations, among those recorded during the year were residents of 63 Illinois cities outside of Madison county, 28 states, and the countries of Australia, India, England, Scotland, Iceland and Brazil.

Comments on most commonly made at the museum by visitors express amazement that a museum opened only since 1964 should contain so much in the way of exhibits, as well as library material.

The society also has received complimentary letters from researchers, such as a man from Los Angeles who had been engaged in research work for 10 years all over the United States on the Pruitt and Dillon families in Madison county.

He had published a book on the subject. He was so pleased to find such an abundance of material he consequently loaned the museum the only copy he had available for this genealogical book.

A radiologist from Mayo Clinic received by correspondence information on his early ancestors here, and voiced his great appreciation as well as returning a small contribution.

Those associated with the museum welcome group visits from schools or organizations although they request an appointment be made to insure a complete tour of the building and exhibits.

Mrs. V. H. Mindrup is currently serving as president of the Society with Robert C. Lang, first vice-president; Elmer Hart second vice-president; Mrs. Thomas N. Harris, secretary; and Mrs. Charlotte Stampfer, treasurer.

Quid-City residents who are now named to the board of directors are Mrs. John E. Lee of Venice, John Whitemeyer of Granite City and Mrs. Austin Lewis of Madison.

During November, there will be a display of antique lighting at the museum, sponsored by the Friends and under the direction of Mrs. Udell Bischoff of Granite City.

\$75,000 Suit Based on Accident at Picnic

A lawsuit seeking \$75,000 damages on behalf of a 2 1/2 year old girl injured June 14, 1968, in an accident at the annual picnic of St. Mary's Catholic Church in Madison has been filed in circuit court at Edwardsville.

The suit, filed by the girl's father, Ronald D. Dunnivant, names as defendants besides the church Bishop William O'Connor of the Springfield diocese and Liberty National Homes. Address of the Dunnivants is not given in the complaint.

The petition alleges the girl was sitting with her family on a wooden picnic bench when it collapsed, and suffered severe injuries to her left hand and fingers.

Magnolia Tree Blooms Despite Heavy Frost

Two white blossoms — not frosty ones — appeared Tuesday morning on the magnolia tree in the front yard at the M. C. Blake home, 2500 Cleveland blvd., it was reported by Mrs. Blake.

Temperatures that morning were in the low 30s and there was a skim of ice on the bird-bath in the backyard, Mrs. Blake said.

Sunday Services

The lesson-sermon at First Church of Christ, Scientist, 2560 Delmar avenue, Sunday will be titled "Everlasting Punishment." Services begin at the church at 10:45 a.m.

## Rotary Club Hears Outline Of Salvation Army Services

Major Leon Turner, service extension and public relations director of the Salvation Army in St. Louis, spoke at the luncheon meeting of the Granite City Rotary meeting Tuesday at the YMCA on the program of the Salvation Army and its history.

He expressed concern that the general public is, for the most part, unaware of the services offered by the Salvation Army to the needy people all over the world.

"The organization is basically an international religious and charitable organization, working for the Love of God and Love of Man," he said.

William Booth of London, England, began the work of the Salvation Army in 1865 by preaching in the slum area of London and later providing for the needs of the people by giving them clothing and counseling with their personal problems.

Major Turner said the organization now operates in 69 countries with headquarters in London and 8700 centers in the United States. The operation involves 12,000 full-time employees and 37,000 volunteer leaders along with additional individuals serving on boards and committees.

The visiting speaker also outlined programs in existence and the institutions that are financially sponsored by the Salvation Army. These programs include the maternity hospital for unwed mothers, Tree of life, disaster services, Armed Forces services, along with furnishing used clothing and food.

Dr. E. L. Stroheide was elected to serve as the 1969-70 president of the Tri-Cities Chiropractic Physicians Association, during a meeting Tuesday evening in the offices of Dr. E. W. Walton, 2001 Johnson road.

Other officers elected were Dr. Walton, vice-president; Dr. J. R. Vauloff, secretary; and Dr. F. E. Shipley, treasurer.

During the business meeting it was announced the Illinois State Chiropractic convention will take place at the St. Nicholas Hotel in Springfield this weekend.

Research and health programs were discussed with the Insurance Equality bill that was signed on Sept. 15 by Gov. Ogilvie.

### HALLOWEEN PARTY FOR LAKE SCHOOL BROWNIES

Brownie Troop 1156 of Lake school met Tuesday in the kindergarten room.

Shelly Pohlmán, president, led the pledge to the flag and the Brownie promise, after which the girls performed a Brownie ring, where a ghost story was told.

Halloween games were led by the co-leaders, Mrs. Mary Lou Hudson, Mrs. Ruth Buer and Mrs. Charlene Pohlmán, with prizes being won by Shari Christ and Melody Hand.

Refreshments, furnished by Brownies and their mothers, were served. These included cupcakes from Mrs. Pat Singleton, pumpkin cookies from Mrs. Goldie Granger, Girl Scout cookies from Sharon Sackett and candy treats from Julie Adams, Dana Boner and Tammy Han-felder.

The girls were once again reminded of their hygiene next Monday, Nov. 3, after school. They will leave the school for Middlegate Stables in Glen Carbon at 4 p.m. and will be returned to the school by 7:30 p.m. Parents are to pick up the children, as no transportation will be provided to take the girls to their homes.

Present were Julie Adams, Dana Boner, Dana Buer, Shari Christ, Cindy Granger, Melody Hand, Tammy Hanfelder, Brenda Hudson, Beverly Jones, Rob in Lorentz, Marsha Madison, Debra Nation, Shelly Pohlmán, Lori Ramsey, Rebecca Rowden, Sharon Sackett, Vickie Singleton, Cheryl Staggdill, Koma Underwood and Janet Young.

Mr. and Mrs. Charles Wood, 35 Mikel drive, are announcing the birth of their first grandson. The child, son of Mr. and Mrs. Gary Heidinger of East St. Louis, was born Oct. 25 at Belleville Memorial Hospital, and has been named Scott Keith. His

## GC Trust to Dedicate New Motor-Bank System Sunday

A special ribbon-cutting ceremony to initiate use of the newly installed motor bank service at Granite City Trust and Savings bank will be held 1 p.m. Sunday, E. A. Karandjeff, president of the bank, announced today.

To demonstrate the more convenient and faster service provided by the new system, Karandjeff said, guests will be permitted to try the new service from 1 to 4 p.m. and receive a gift from the teller stationed in the building.

Corky, the TV clown, will be on hand to distribute gas-filled balloons to all the youngsters. No business will be transacted during the day.

Karandjeff said the new LeFebvre Tel-Air Motor banking system recently installed is designed for convenience of bank patrons. "With it we offer the faster motor banking available, always personal, with clear voice communications and direct visual contact with the teller," the bank official said.

Four new Tel-Air pneumatic air tube stations have been installed to replace the previous two teller windows. The new installation is designed to increase customer service 60%. Each Tel-Air unit is connected from the customer station to the bank by pneumatic tubes. The customer places his deposit in a special carrier which takes

### HALLOWEEN SETTING FOR JOLLY MATRONS

A Halloween atmosphere prevailed at the home of Mrs. Anna Mae Murphy as she entertained the Jolly Matrons club Tuesday with a one o'clock luncheon. Pumpkins with lighted candles were used as decorations and the table was adorned with an appropriate cloth and napkins.

A decorated cake and muffins were used as the centerpiece. Those seated were Mrs. Lottie Ostresh, Mrs. Judy Modrusic, Mrs. Helen Thiele, Mrs. Margaret Grams, Mrs. Betty Wood, Mrs. Margaret Presnell and a guest, Mrs. Ruth Kowalski.

Games were played and prizes were awarded to Mrs. Ostresh, Mrs. Modrusic and Mrs. Thiele. Mrs. Ostresh will entertain at her home in two weeks.

### TWO QUEENS CHOSEN

The Ship Shape club met Tuesday at Schermer's Civic Center.

Mrs. Bosworth had her home decorated in keeping with Halloween.

pledge and pledge to the flag. Members were weighed; those losing were honored and those gaining were penalized.

"Queen of the week" honors were shared by Mrs. Barbara Krone and Marjorie Polivick.

The hostesses served coffee to Mesdames Jackie Gattung, Lorraine Gremaud, Hazel Troits, Marie Bryant, Betty Al Williams, Alberta Robertson, Patricia Lee, Pauline Holman, Pat Kinkade, Shirley Kingsley, Virginia Hobe, Juanita Harrington, Marie Berger, Pearl Kester, Johanna Collett, Thelma Black, Geneva Hill, Alice Saumburger, Janet Allen, Martha Ripple, Beverly Lindsey, Olga Vizer and Helen Townes.

Mrs. Passig asked the members to start assembling rummage for an annual sale.

### HALLOWEEN THEME FOR CANASTA CLUB

Mrs. Sally Bosworth was hostess to the Chapter Canasta club in her home, 1885 Second street, Tuesday evening.

Many of the members were in Halloween costumes and Mrs. Bosworth had her home decorated in keeping with Halloween.

Lunch was served and canasta was played by Mrs. Annie Laura Platt, Mrs. DeLoyle

Rhoads, Mrs. Billie Bosworth, Mrs. Mattie Bosworth, Mrs. Bernice Gushett, Mrs. Mildred Burgess and Mrs. Fay Bailey.

Winners were Mrs. Billie Bosworth, high score, and Mrs. Hill, low. Mrs. Platt will entertain the group in her home Nov. 25.

### NEW REBEKAH LODGE OFFICERS HONORED

The Delray 786 Rebekah lodge met Tuesday evening at the Odd Fellows hall in Madison, with Mrs. Daisy Burnett, noble grand, presiding.

Announcements were made of a district meeting to be held in East St. Louis Nov. 1, installation of officers of the Namoki Lodge held Nov. 10 and a chicken dinner to be given by the Odd Fellows lodge at the hall Nov. 8.

The remainder of the evening was spent with the past officers presenting a play to announce the new officers and present them with their regalia.

Mrs. Carrie Gresham, past noble grand, read a poem and presented regalia to Mrs. Daisy Burnett, new noble grand. Mrs. Leo Mae Salmon presented Mrs. Gresham, past noble grand. Mrs. Phyllis Jan saw presented Mrs. Grace Hermann, warden; Mrs. Virginia Gall presented Mrs. Linda

Hermann, conductor; Mrs. Thelma Stockton presented Mrs. Mattie Veach, chaplain; and Mrs. Doty Andrews presented Mrs. Florence Shaver, outside guardian.

Coffee and cake were served to 22 members and a guest, Mrs. Agnes Meng of Granite City.

### FAREWELL DINNER FOR MRS. REYNOLDS

A farewell dinner was shared Sunday evening by members of the United Methodist Church of Madison and friends in honor of Mrs. Hazel Reynolds, who will soon be making her residence in Lawrenceville, Ill.

Mrs. Reynolds has been a lifelong member of the United Methodist Church, which her late mother, Mrs. W. J. Franklin, started as a mission in 1906. Mrs. Reynolds has always been an active member of the church and Sunday school.

Mrs. Betty Ballentine presented a corsage of yellow mums to her and a gift was presented by Mrs. Estella McBrien from the church members and friends.

Seated at the head table with Mrs. Reynolds were her sister, Viola Beck of Granite City, and brother and sister-in-law, Walter Franklin and his wife, Beatrice, of St. Louis.

Also at the head table were

Mrs. Minnie Perry, Herbert Rash and Rev. Blackburn and his wife, Nancy, and daughter.

About 75 were present. A program followed the dinner. Franklin had on display a scale model he had made of the history of the church, as did others in the group. Some gave personal thanks to Mrs. Reynolds for various services.

Miss Glendine Mell sang "Mansion Over the Hilltop." Wes Clemons sang "How Great Thou Art." and Mrs. Eva Clemmons sang, "His Eye is on the Sparrow."

The church choir sang, "What a Friend We Have in Jesus," and Mrs. Betty Ballentine sang "It Took a Miracle." Accompanist for the evening was Mrs. Dorothy Linberger. Rev. Blackburn read several passages of Scripture and closed the program with prayer.

### Fire Damages Stereo

The transformer in a stereo set was destroyed in a minor fire at 8:10 a.m. Tuesday at the home of Nell Hildebrand, 2100 Delmar avenue. Granite City firemen responded to the alarm and estimated damage to the set at \$50.

## THANKSGIVING PLANS BY JUNIOR FELLOWSHIP

Newly-elected officers of the Junior United Methodist Youth Fellowship of Namecki United Methodist Church were in charge of the group's Sunday evening meeting. Sponsors are Mr. and Mrs. Alan Pilch, who distributed activity gifts from the church to each member present.

Officers for this year are: president, Kevin Weston; vice-president, Linda McCrone; treasurer, Alan Briner; secretary, Connie Hein; and sergeants-at-arms, Donna Lathrop and Stephen Hein.

Plans were discussed for a recreation and refreshments party in November. For their Thanksgiving project, members are to bring canned goods for a needy family.

Kevin Weston served refreshments to those named and Rev. William Foster, Christine Ert, Gay Bowler, Connie Davis, Richard Bunch, Twila Lathrop, Diane Bunch, Frank Reed, Darla Lewis, Lisa Curtis and Jo Ann Curtis.

The Junior Fellowship, for grades three through six, will meet again Sunday at 6:30 p.m. at the church.

## YOUTH COSTUME PARTY AT CHURCH TOMORROW

Ray Kimbrell, youth director at the church, 2139 Clark avenue, met with young people of the church Sunday evening to plan future activities.

A Halloween party is scheduled for Friday at 7 p.m. at the church. Costumes are to be worn, and there will be games and refreshments.

On Nov. 8, youth of the church will once again visit Camp Netez, near DeSoto, Mo. Cars will leave the church at 7 a.m., and each person is to bring a sack lunch.

Present were Beverly Cable, Kenny Cable, Randy Cable, Dave Bell, Bob Carley, Rickey Ashby and Steve Ashby. The next meeting of the youth department will be Nov. 30.

## FOURTH BIRTHDAY PARTY FOR SUSAN SCHNEFKE

Susan Schnefke, daughter of Mr. and Mrs. Doan Donald Schnefke, 3832 Ash avenue, celebrated her fourth birthday Sunday at a dinner at the home of her grandparents, Mr. and Mrs. E. E. Coleman, 2615 Grand avenue, and at a birthday party in her parents' home that evening.

Attending both events were Susan's brothers, Joe and Thomas, and Mr. and Mrs. Leo DeChue of Herculaneum, Mo. Mr. and Mrs. Raymond Hendrix and daughter, Joyce, of Festus, Mo., and children, Jim Hendricks and children, Robin, Sherrie, Jimmy, Brian, Timothy and Gregory, of Granite City.

## BIRTHDAY PARTY HONORS LESA, LAUREN JARRARD

A joint birthday party was held Sunday afternoon at the home of Mr. and Mrs. William Jarrard, 2306 Lynch avenue, in honor of their daughter, Lesa, and their son, Lauren. Lesa's birthday is Oct. 20 when she became 10, and Lauren celebrated his sixth birthday on Oct. 24.

Mrs. John Zikowich, grandmother of the birthday children, and Mrs. Janet Spalding assisted Mrs. Jarrard during the party.

The family room of the Jarrard home was decorated with pink, blue and white paper streamers and balloons. The honorees opened their gifts and games were played. Each guest was presented a prize.

The refreshment table held place-card favors, which were chocolate bars on lace doilies, decorated with each child's name.

Present were Denise McKee, Kelley Papp, Kendra Rapp, Dana Spalding, Pam Reinhardt, Debbie McKee, Pitti Eyalika, Tamir Terrell, Tamra Hurbrink, Lisa Mitchell, Wendy Brandt, and Nancy Wolf and Mrs. S. E. Reinhardt and Darrin and Douglas Spalding.

## PANEL IS FEATURED AT ALTAR SOCIETY MEETING

The Altar Society of St. Elizabeth Church met Tuesday night in the church hall with the president, Mrs. Marie Planitz, Fr. Lawrence Mattingly led opening prayer.

A discussion was held concerning the Christmas bazaar, which will be held at the church Saturday and Sunday, Nov. 8 and 9. Dinner will be served that Sunday starting at noon. The menu will include "pigs in a blanket" and roast beef. Mrs. Clara Schillinger is bazaar chairman and Mrs. Ann Pare and Mrs. Marge Noth are in charge of the kitchen.

Handiwork tents will be available, and there will be a country store, religious item

booth, fish pond, doll booth and other booths.

The president announced that tickets for the parish Christmas party will be on sale during November. The party will be Dec. 6 at Fischer's in Belleville.

Bylaws for the group, distributed at the last meeting, were accepted and will take effect Jan. 1, 1970.

A nominating committee was appointed by the president; chairman is Mrs. Betty Stegemeier and members are Mrs. Francis Barry, Mrs. Frances Wade, Mrs. Eleanor Kozioi and Mrs. Martha Koziolek.

They will meet weekly to select a slate of officers for presentation at the November meeting.

The Altar Society Christmas potluck dinner will be held Dec. 11 at 6:30 p.m. at the church. Meat and dessert will be provided and each lady is to bring a covered dish of her choice, an exchange gift and a white elephant gift for use as a prize.

Mrs. Stegemeier introduced Mrs. Ruth Lamb, who turned the program over to the moderator of a "panel of American women," made up of representatives of the Jewish, Protestant and Catholic faiths and the Negro race. Each panelist spoke and an open discussion was held.

The hostess, Mrs. Loretta Haack, assisted by Mrs. Emma Jakich, served refreshments to 80 members and guests.

Room attendance award was won by Mrs. Lynn's second grade class, and the Madonna prize was awarded to Mrs. Stegemeier.

Fr. Mattingly led closing prayer. The next meeting will be Nov. 25, with Mrs. Jakich as hostess.

## BROWNIE TROOP 738 HALLOWEEN PARTY

Brownie Troop 738 met with the leaders, Mrs. Helen Buenger and Mrs. Alberta Langley, in the Episcopal school cafeteria Tuesday afternoon for a Halloween party.

The meeting opened with "dimes for Daisy," donated to the Juliette Lowe World Friendship Fund.

Members made Halloween masks from paper sacks and used them as part of their costumes for two poems of choral speaking, "Fat Old Witch" and "The Goblin."

Taffy apples were served to Kathy Barnes, Lori Buenger, Anita Busch, Lydia Crews, Jodi Harrington, Christy Hayes, Kelley James, Helena Langley, Elizabeth Wallen, Janice Parky, Leah Rogers, Vickie Roth, Joni Smith, Denise Wein, Charlene Wilson, and Gwendolyn Fuchs, Lisa Sarich and Susan Robinson.

The meeting closed with the girls wearing their masks and the leaders presented each with a "trick or treat" sack.

Mrs. Betty Porter, president of the Jet Set club, has announced that the club will sponsor a bake sale Saturday starting at 9 a.m. at Grant's. All proceeds will go toward the group's Christmas project.

A party for the approximately 50 patients at the Madison County Nursing Home, Edwardsville.

## YOUTH FELLOWSHIP CAMPOUT AT PARK

The Christian Youth Fellowship of Central Christian Church held a campout through Sunday at Cahokia Mound State Park. Jim Ash is counselor and John Gordon and Mrs. Oscar Ash provided transportation for some of the members.

A campfire was held, with singing and guitar music provided by several members. A business meeting was held at the park and final plans were made for a party at the home of Jim Townsley Saturday night, following canvassing by members for United.

Attending the weekend activities were Duane Parrish, Joe Berkhigler, Alma Cassey, Herb Galt, Donna Galt, Scott Bell, Jim Townsley, Bill Hahn, Roger Underwood, Andy Berkhigler, Mary Beth Gordon and guest, Vicki Settemore, Phil Lamb and Ken Simon.

The Granite City Duplicate Bridge club met Sunday night at the Elks club under the leadership of Mrs. Helen Meyer, director.

First prize was won by Mr. and Mrs. Al Lanthorn and second by William Buente and Al Schaefer. Tied for third place were Mr. and Mrs. Elmer Branding and Mr. and Mrs. Jay Hamilton of East St. Louis.

## SENIOR HIGH YOUTH FELLOWSHIP PROJECT

The Namecki United Methodist Senior High Youth Fellowship met Sunday evening at the church with the sponsor, Roger Patty Lathrop presented the

lesson for the meeting, "I Am a Failure."

Main topic of discussion during the business meeting was the "Halloween insurance" group will once again be self-insured. It is available for \$1 per home, and insures the holder of the policy that if his property is "decorated," the Fellowship members will come and take care of the clean-up operation.

All proceeds from this project will go to the "Sharing Camping" fund for summer Methodist youth camps. Harry Smith is chairman of the project and policies may be obtained from him by calling 937-0764 or from any Fellowship member.

A joint Halloween party will be held with the Junior High Fellowship on Saturday, Nov. 1, at the Henry Canham farm. Senior high members may each bring a guest, and tickets at 25 cents each are available from Harry Smith.

Guest, Glen Bailey, was introduced and welcomed to the meeting. Members present were Ed Weston, Joan Bess, Alton Nancy, Sharon Bone, Harry Smith, Cindy Lathrop and Patty Lathrop.

The meeting Sunday will start 5 p.m. instead of the usual 8 p.m., and each member is to bring a sack lunch.

## SHOWER IS HELD BY FUTURE SLENDERETTES

A meeting of the Future Slenderettes club was opened by the leader, Mrs. Villa Ridings, who led the club pledge. Tuesday at the East Side Levee office in Granite City.

Reports were given and a weigh-in was conducted, with Mrs. Roberta Darragh winning the title, "queen of the week." She received the queen's pin, a basket of fruit and a prize.

Revised club bylaws including changes in penalties were presented and approved by the members.

A surprise cradle shower was given for Mrs. Helen DeRuntz. The gift table was centered with a doll in a basket, and pink and blue streamers fell from the ceiling to the table.

Miss Kathy Brave was in charge of games and awarded prizes to the winners. Favors were pink and blue mint cups, and coffee, diet soda, cake and gelatin were served to those named and Mesdames Mrs. McGee, Janet Davis, Pat Wickham, Christine Erspamer, Muriel Byrne, Margie Fiedler, Debbie Barbee, Helen Wilson and Diane Gonterman and Miss Donna Barbee.

A new contest will be announced at the next meeting Nov. 4.

## PYTHIAN SISTERS OF CASCADE TEMPLE MEET

Pythian Sisters of Cascade Temple 216 met at the Knights of Pythias Temple Tuesday evening for a planning session.

The most excellent chief, Mrs. E. I. McKittick, announced that the Past Chiefs will host an annual party for Pythian Sisters Nov. 11-7-46 at the Temple. This will be the first meeting of the 1969-70 year for the group, and the past chiefs will make over the officers for the evening.

Plans were discussed for a bazaar Saturday, Nov. 15, at the Temple. Mrs. McKittick is chairman of this event.

## MISSION VACATION GROUP DISCUSSES FALL PLANS

The Helen Lambert Mission Action Group of Third Baptist Church met Tuesday morning at the home of Mrs. Doris Curnett, 3825 Lake drive.

Call to prayer was led by the chairman, Mrs. Betty Clark. Mrs. June Ramsey presented the program for the day, "Unclaimed Disciples."

All participated in the presentation, and Mrs. Ramsey dismissed the group with prayer.

A discussion was held concerning future mission action plans, and the members decided to change the name of the group from Helen Lambert Current Mission to Helen Lambert Mission.

A meeting calendar for the year was prepared, with the next meeting Dec. 16 at the home of Mrs. Peggy Short, 2832 Iowa street.

A book study will be given Nov. 18 at the church by Mrs. Bonnie Pratt. It will be a joint meeting with the night Current Mission group.

Mrs. Betty Watkins, a new member and the wife of the new pastor, was welcomed by the group.

The hostess served a noon luncheon to those named and Mesdames Short, Linda Stevens, and Roberts Lewis.

HONOR CINDY BUENTE  
ON SIXTH BIRTHDAY

Cindy Buente, a daughter of Mr. and Mrs. Charles Buente, 2510 Jorden avenue, celebrated her sixth birthday with friends and relatives at a combination birthday and Halloween party given by her parents in their home Sunday. She is a first grade student at Webster school.

The decorations and table appointments were in keeping with a Halloween theme and a large cake, decorated in the same theme, centered the serving table.

The honoree received many gifts and the afternoon was spent playing games, including "pumpkin patch." These winning prizes were Jay LeMaster, Natalie Buster, Louise Strackeljohn and Kimberly Jameson.

The hostess, assisted by an aunt, Mrs. Erma Curtis, and Mrs. Barbara Strackeljohn, had cake, pumpkin-face ice cream and a beverage to the honored guest's sister, Susan, and Marsha and Kevin Curtis, Sandy and Randy LeMaster, Jay and Scott LeMaster, Tammy and Debbie Miller, Jimmy Jones, Diane LeMaster, Woodard, Kim and Lori Jameson, Becky Grimes, Louise Janet and John Strackeljohn and those named.

**OBSERVE HALLOWEEN**

A Halloween party for Junior Girl Scout Troop 267 of the Wilson PTA, with the leaders, Mrs. Betty Karing and Mrs. Barbara Hinson was held Monday in the home of Mrs. Ed Besserman, 3041 Maryville road.

The hostess utilized traditional Halloween decor in orange and black.

Prize winners during costume judging were Denise Baker, best costume, and Cindy Rodgers, best self-made creation. Games were played and the winners were Lori Webb, Patty Barton, Susan Perkins and Sandra Batey.

Other masqueraders were Laurie Austin, Lorraine Miles, Lisa and Carrie Gilbert, Lynn Coker, Leah McKinney, David Antoff, Debbie Wells, Mary and Tina Besserman, Susan Eddie, Tina Besserman, Debbie Kieffer, Laurie Vickers and guests, Sandy Kating and Terry Besserman.

Refreshments were provided by scouts who are working on the hospitality badge. Lori Webb, Susan Hinson, Janet Duke, Susan Howard, Kathy Antoff, Susan Hessel, Cindy Kating, Marilyn Hall, Renee Wilson and Mary Spahn.

**SCOUT TROOP BIRTHDAY**

Webster PTA sponsored Junior Girl Scout Troop 704 met at the school Monday with the leader, Mrs. Mae Lee, assisted by Mrs. Carol Siebert. The opening ceremony with the girls standing in a horseshoe formation, was led by the Mission Incredibles patrol. The scouts repeated the pledge of allegiance and promise and sang the national anthem. Mrs. Lee announced that the troop would assemble at the school Wednesday afternoon to go on a hayride and wieners roast to the Circle E Ranch, O'Fallon, Ill. Also discussed was the scouting founder's birthday and how contributions are used.

Work continued on the book badge and Mary Kay Chapline gave a demonstration of how to bind a book. Each girl is to bring her handbook to the next meeting and make a binding.

The members participated in a troop birthday celebration. Each girl lighted a candle, made a wish for the coming year and sang "Happy Birthday." All girls completing a year at the Junior Scout level received membership stars.

Leisa Tervasi offered prayer and punch and cupcakes were served. Karol Lee was in charge of a game period. The program ended with a disappearing tunnel.

Others in attendance were Evelyn Cox, Tammy Coberly, Danna and Tammy DePew, Tammy Fritts, Terri Hill, Corina Kuhn, Carmen Johnson, Anita McGee, Jerri and Pam O'Dell, Shirley Patton, Linda Pool, P. M. Martin, Becky Schorffedie, Shelley Siebert, Karen Tolon, Pam Williams, Vickie Williams and Susan Welty.

**SACRED HEART BROWNIE TROOP HALLOWEEN PARTY**

Brownie Troop 495, sponsored by the Sacred Heart Society, held a Halloween party Monday afternoon under the leadership of Mrs. Pat McKee and Mrs. Barbara Walker, 2455 East 25th street, in the Walker home.

The troop assembled at the church for a business session to collect "dimes for Daisy" and Brownie gold and record the attendance. The scouts had made Halloween masks at a previous meeting and, during judging, Carla Francis won

the prettiest mask category and Janis McQuaide, funniest.

The leader's home was decorated in orange and black with pumpkins and other holiday adornments.

Due to cold weather, a wieners roast was postponed and a lunch of hot dogs, lollipops and a beverage was served to the prize winners and Elizabeth Gae, Elizabeth Gae, Joan Hauptman, Rhonda Harlow, Cynthia Jones, Linda Knoblock, Debra McKee, Laura Perkins, Lisa Smith, Sherrie Walker, Laura Werthe, Dana York and Lisa Wolf.

**COSTUME PARTY FOR BROWNIE TROOP 492**

Mrs. Verna Kidman, 2816 Faith avenue, entertained Brownie Troop 492 at a Halloween party in her home Monday evening. The leader, Mrs. Faye Wentz, assisted. Jackie Morris received a prize for the most original costume.

As the scouts arrived, Mrs. Kidman turned out the lights and used a jack-o-lantern to tell a story. Games included a doughnut relay, bobbing for apples and oak leaf hunt and prizes were won by Kim Ragan and Pamela Kimance.

Refreshments of doughnuts and apple cider were served and pictures were taken for the troop album.

A weekly meeting was held at the Kidman home Tuesday afternoon and a flag ceremony opened the session. The members discussed the Juliette Lowe fund and final plans were made for a trip to the Kaiser Puma testing farm Saturday. The girls are to attend in uniform.

The scouts formed two teams to continue work on a seed plaque map of the U.S. and a Tom and Jerry cartoon theme in an out-box. The meeting ended with singing of "Taps." Those attending were Debbie Handlon, Laurie Holloway, Carol Ann Kidman, Ellen King, Jackie Morris, Janet Nunes, Cheryl Peach, Lisa Piquard, Robin Saltgaver and Werner.

**OCTOBER SESSION OF RUTH BIBLE CLASS**

The October meeting of the Ruth Bible class of Temple Baptist Church, Madison, took place Tuesday evening at the church with the hostess for the month, Mrs. Peggy Sharp.

The president, Mrs. Lillian Wright, presided and Mrs. Betty Gouy gave opening prayer. The class discussed chapters of meeting notes and it was decided to meet on the fourth Monday of each month. Mrs. Marilyn Jones of Johnson road invited the group to her home Nov. 24.

Other projects discussed were curtains for the fellowship

### The President Writes B&PW

Mrs. Bonnie Lazenby, publicity chairman of the Granite City Business & Professional Women's club, received a message from President Richard Nixon, congratulating the club on its accomplishments.

"It's one of our prize possessions," Mrs. Lazenby remarked yesterday, adding that the letter will be given a prominent place in the club's scrapbook. In his letter to the club, President Nixon stated:

"Never have women played such a vital part in national life as they do today. They bring needed skills to the labor force and fill significant roles in commerce, industry, government and many other professions."

"It is highly fitting that their achievements be recognized by the observance of National Business Women's Week."

"We are indebted to the National Federation of Business and Professional Women's Clubs for providing this opportunity to pay tribute to American women workers. For fifty years this year organization has given leadership and direction to the American woman, and enhanced her partnership in the progress of our society."

"I mark on history is perhaps best defined by the accomplishments of the women does it has encouraged and supported."

"It is on behalf of a grateful people, richly served, that I extend congratulations and good wishes to the Federation's members and to civic-minded, public-spirited women across the nation."

## SOCIETY

### Party Theme is 'Night at Races'

Eta Chapter of the Phi Tau Omega Sorority met Tuesday evening at the Flaming Pit in Edwardsville.

The hospitality committee was composed of Mrs. Veleta Baader, Mrs. Millie Great-house, Mrs. Frances Hartman, Mrs. Ella Mae Gabriel and Miss Eunice Hatcher, and the theme of the party was "A Night at the Races".

The same idea was carried out in all of the appointments and prizes in the games were won by Mrs. Charles Sparks, Mrs. Mary Lou Stark, Mrs. Lois Hodge, Mrs. Harriet Horn, Miss Dolores Sheridan and Mrs. Judy Adams.

Others present were Mrs. Mary Lou Richeson, Mrs. Jo Ervay, Mrs. Barbara Ingram, Mrs. Mary Yackel, Mrs. Ann Tatum and Mrs. Mary Evelyn Yenchio, Miss Mary Hassler and Mrs. Judy Adams.

### LADIES IN ACTION MEET AT CHURCH

The Ladies in Action of the Briarcliff Pentecostal Church on West Pontion road met Tuesday evening at the church.

Mrs. Margaret Glasgow, president, was in charge gave a reading entitled "The Diary of the Blue," Devotions were led by Mrs. Nellie Edmonson.

Reports were heard and refreshments were served to a guest, Mrs. Maxine Rutter, and the following members: Mesdames Lucille Anglin, Eva Smith, Jo Raynor, Eliza Travis, Barbara Blanton, Lillian Sexton, Virgie Clappet, Vida Murphy, Dorothy Dickerson, Ola Fowler, Opal Orrell, Marilyn Ragan, Ruby Scott, Mary Aiken, and those previously mentioned.

Refreshments were served by Mrs. Aiken and Mrs. Smith.

Plans were made at the meeting for a rummage sale to be held at 2726 Nameoki road, beginning Friday and continuing for a week.

### Job's Daughters Sausage Supper

Miss Lynn Jacobmeyer, honored queen, presided Tuesday evening at a meeting of Job's Daughters, Bethel 43, at the Masonic Temple.

The opening ceremony was conducted by Mrs. Neil Baskette, guardian, who was escorted and introduced.

Plans were completed at the meeting for a sausage supper to be held this evening at the Masonic Temple with carry-overs available. Tickets may be secured at the door or from the members.

"Recipe for Happiness" was the topic of the report by program librarian, Bella Blankenship, and the birthdays of Mrs. Marvin Moehle and Miss Karen Romine were celebrated.

Miss Carroll Carver reported on a guest night meeting of the Alton Bethel, and Miss Kristie Christich discussed the Oct. 29 DeMolay installation attended by the Bethel.

Plans were made to attend "Bonds for Braces" in Collinsville Nov. 3, and there were remarks by Mrs. Baskette and Dr. Amos Rody, director of finance and fraternal relations.

Halloween refreshments were served to 90 members and their parents. Mrs. Jean Carver, president of the Mother's Club, was in charge.

### Hospital Group Plans Yule Event

The October meeting of St. Elizabeth Hospital Auxiliary was held Monday evening in the hospital library.

Mrs. Marjorie Norwood, president, was in charge and Sister Mary Francis, hospital accountant, represented Sister Mary Thomas, administrator, at the meeting.

A business session was held and announcement was made of the success of the "Fractured Folies" presentation last weekend at the high school.

Plans were made for future projects and tentative plans were discussed for the annual Christmas party during the holiday season.

Refreshments were served in the coffee shop to 22 members of the group.

**MARRIED RECENTLY.** Mr. and Mrs. Bert W. Beck Jr., whose wedding took place at St. Margaret Mary Catholic Church. The bride is the former Linda Lee Cislser, a daughter of Mr. and Mrs. Robert M. Cislser, 2430 Waterman avenue. The bridegroom is a son of Mrs. Dorothy Beck, 2412 Delta avenue.

### SURPRISE VISITORS FOR MR. AND MRS. JENNINGS

Mr. and Mrs. Don Schmitts left Tuesday by plane for their home in Edison, N.J., after paying a surprise visit over the weekend to Mr. and Mrs. Merl Jennings, 1725 State street.

Mr. and Mrs. Schmitts were celebrating their 35th wedding anniversary. Also here for the occasion was another guest, Mrs. A. J. Williamson of Reseda, Calif., a sister of Mrs. Jennings, who will be remembered as Josephine Krill of this city.

Mrs. Schmitts, the former Jo Jennings, is now director of counseling at Middlesex Community College in Middlesex, N.J. Mr. Schmitts is teaching at Rutgers University and is working on his doctorate in psychology. Mrs. Williamson returned to her home, Monday.

### UPW Meets At Church

The October meeting of the United Presbyterian Women of First Presbyterian Church was held Tuesday evening at the church with about 35 women present.

Mrs. Walter Kerch presided at the piano and provided opening music for the meeting. Hostesses were Mrs. Members of the Church Four, Mrs. William Jeffers chairman, and coffee and dessert were served.

Mrs. George Holtzschger gave the devotion and after a brief business discussion, with Mrs. Elbert Roberts, president, in charge, the remainder of the evening was spent talking quilts, and on other handwork for various charity projects.

## Homemakers can Battle Inflation through Choice

What can the homemaker do to cope with inflation and other demands on the family pocket-book, which, while it may be a little faster than last year, seems to empty itself faster?

Something obviously has to give. "It becomes a necessity to make some choices," says Southern Illinois University consumer education specialists.

The latest Bureau of Labor Statistics report shows that the nationwide Consumer Price Index skittered up 4.9% in the 12 months from August 1968 to August 1969.

Now, in Illinois, since July 1, the new state income tax is taking a 2% bite out of each worker's paycheck and on top of that corporations are paying a 4% income tax, which "inevitably must be passed on to the consumer in price increases," Betty Jane Johnston, family economics and management professor, pointed out.

Already grocery store items are being upped a few cents—like 83 cents for coffee the shopper paid 78 cents for only a few weeks ago. Beef prices showed about the only decline on the August Consumer Price Index.

New car prices are higher than last year, Illinois automobile licenses are up. Household furnishings and equipment are more costly. Clothing, medical care costs and rents are more expensive. Loans to build a new home or remodel an old one are costing higher interest rates, and building materials are more expensive.

"You just have to decide when expenditures are most important to your family and then eliminate what you can do without or what you can postpone buying," Mrs. Karen Craig, SIU consumer education specialist, explained. "You can't control prices, but you can control what you choose to buy."

"In making the weekly grocery purchases, the homemaker can eliminate the frills, the expensive snack foods, the more expensive 'convenience' foods. She can buy less expensive but just as nutritious food of meat or brands of vegetables. She can stock up on staples when they are on sale. It is convenient she can shop at more than one store, taking advantage of the special prices on certain items at each."

The notions and gadget department of grocery stores have become shoppers' "variety stores," Mrs. Craig said. Homemakers may find that by avoiding impulse buying of these desirable but perhaps unnecessary items they can make a substantial saving in the grocery bill. In fact, impulse buying should be avoided in all the aisles, she added. Better—make a list of needed items before leaving home and stick to the list.

But when it comes to major purchases of needed clothing such as coats or suits, household appliances or furnishing, a new lawn mower, a new car, a new house, the decision should become a family one, Miss Johnston said.

"If such a large-scale investment must be made," she explained, "it takes such a large chunk out of the family budget that the whole family should participate in the choice. They should be involved in the decision if it becomes necessary to postpone the purchase, to choose a less expensive model, or to tighten up on other expenses. Actually, it all boils down to a question of management, both Mrs. Craig and Miss Johnston agree. Many consumers buy what they see or what the family needs, without actually recognizing how much the price has actually increased. Miss Johnston said. Despite the new "Truth in Lending" law, many also fail to take into account the true amount of service charges on unpaid balances involved in installment buying, which add substantially to the ultimate cost.

"It takes management to handle the family finances just as it does to manage a business enterprise," she said. "The family that operates business organizations, making joint decisions on spending the family dollar, will not only be a solvent one but also a happier one."

### FIRST BIRTHDAY IS CELEBRATED

Carla Leann Yager, daughter of Mr. and Mrs. Charles Yager, 1709 Courtney Blvd., celebrated her first birthday this week at a family dinner party given by her parents.

Those attending were the maternal grandmother, Mrs. Ellen Hoffman, and maternal great aunt, Miss Pearl Morgan, Mr. and Mrs. Robert James and family, Mr. and Mrs. Bruce Wickham and children, Mr. and Mrs. Louis Rohlfing and Mrs. Robert Hoffman and son.

### OPEN HOUSE HELD AFTER FIRST COMMUNION

Dr. and Mrs. Hubert Hawkins, 2600 Angela drive, entertained guests at an open house this week in honor of the first Holy Communion of their son, Mark, at St. Elizabeth Catholic Church.

Mr. and Mrs. William McGovern, godparents, of Alton, were among about 25 friends of the family who attended the open house.

### HIT of PEO Plans Events

Mrs. A. C. Stover, 2720 State street, entertained HT Chapter of the P.E.O. Sisterhood Monday in her home. There were seven present, including two guests, Mrs. Hazel Murphy and Mrs. Patricia Childress of Alton.

Mrs. Richard Kerch was named secretary of the convention planning committee at a recent reciprocity meeting. Mrs. Paul Surbey, Mrs. W. W. Bowers, Mrs. Kerch and Mrs. Charles Kohl will represent their chapter at a coffee for new affiliates and new members Nov. 30 in Belleville.

Mrs. Bowers introduced one of the guests, Mrs. Childress, who reported on the Supreme Convention held in Des Moines, Iowa, recently.

The next meeting is to be with Mrs. Kerch, 2910 State street, with Mrs. Irvin Rodermyer as co-hostess.

## MASQUERADE PARTY FOR CUB PACK 19

Combined with a monthly meeting of Cub Pack 19 at Washington school Monday evening was a Halloween masquerade party.

The meeting was conducted by Cubmaster Gary Barnstable and a Mrs. Russell Sheppard's Den 3 opened the meeting with a flag ceremony.

A number of awards were presented. They included Wolf Badges to Kevin Diehl, Johnson and Carl Hozian. The two latter also received silver and gold arrow badges. One-year members were awarded to Kevin Diehl, Richard and Robert Mosby, and Richard Ficker received a second year pin.

Perfect attendance during the year an additional award was given Kevin Diehl. Jeffrey Crews and his Cub Scout Badge turned in and Russell Sheppard and Carl Hozian received athletic awards.

Ronald Mosby was welcomed as a Cub Scout, and the Pack discussed plans for a roller skating party at the Star Diner Nov. 10 to which the public is invited.

Halloween costumes were judged and winners of prizes were Danny Collins, most comical, and Russell Sheppard, most original. Jimmy Crews and Mark Barnstable received the small children's awards and Mrs. Robert Johnson received the adult prize.

Halloween appointments included a Mexican pinatta and there were many prizes for the children. The adult awards went to Mrs. Maxine Barnstable. Refreshments were served by Mrs. Russell Sheppard's Den 3.

### CHRISTENSEN-FORTNEY WEDDING CEREMONY

Announcement is made of the recent marriage here of a former resident, Michael Christensen, and Miss Donna Jean Fortney, both of Atlantic, Iowa. The ceremony took place at the home of the bridegroom's brother-in-law and sister, Mr. and Mrs. Charles Hansen, 3133 Willow avenue, Oct. 24, with the Rev. Wilbert Snider officiating.

The bride's parents are Mrs. Mary Fortney and the late cell Fortney of Atlantic, Iowa. Mr. Christensen is a son of Mrs. Eda Christensen of Atlantic, and N. B. Christensen of Omaha, Neb.

After a brief honeymoon, the couple will live in Cedar Falls, Iowa, where the groom will be employed and the bride, a junior, will attend Iowa State College.

### First Meeting For Grigsby PTA

The first fall meeting of the Grigsby junior high school PTA was held Tuesday evening at the school with 157 persons present.

The meeting opened with the pledge to the flag by Cadet Troop 109. Mrs. Joyce Hand, leader, and an address of welcome by Charles Weiss, school principal, who introduced the following faculty members: Kenneth Spalding, assistant principal; Al Rowden, boys counselor; Paul Greve, Mrs. Mary Robinson, Robert Pyle, William Cravens, Duane Chaney, James Harmon, Jon Mulen, Paul Greve, Mrs. Mary Turner, Mrs. Jo Anna Massie, girls counselor, Mrs. Victoria Dames, and Mrs. VanKen Meyer, PTA president.

Mrs. Meyer conducted the business session and reports were given by Mrs. Vicki Boyd, secretary; and Mrs. Phyllis Reynolds, vice-president.

A resume of the PTA calendar for the season was given. Among the events scheduled are an open house in observance of Education Week on Nov. 17; a father-son, mother-daughter night in January and a Christmas tree to be erected in December. Special attention was called to the all-star baseball game to take place in the gym Dec. 4.

Al Rowden served as master of ceremonies for the program. James Swanek, advisor, represented the drama club. Rhonda Hollis is president of the Spotlighters Drama Club, and Darla McGarvey and Deana Whitsell gave a reading and a monologue. Walter Padgett, advisor of the Student Council, had a table display of projects undertaken by the students.

There was a number by a cornet trio composed of Becky Anderson, Jackie Jensen and Joy Barr; and Mrs. Laura Dames, vocal instructor, presented a mixed chorus in three numbers.

Glenn Lindsey spoke on behalf of the Student Council. There were selections by the band, under the direction of Mrs. Vivian Raffaele; a cornet trio by Dan Modglin, Glenn Lindsey and Scott Baggett; a flute trio by Becky Anderson, Jackie Jensen and Joy Barr; and three numbers by a boys and girls mixed chorus directed by Mrs. Laura Dames.

Refreshments were served after the meeting by Mrs. Phyllis Reynolds and Mrs. Frances Choate.

## Mrs. Sedekum is Named 'Boss of Year 1969-70'

The results of voting by the members of the Tri-Cities Chapter, National Secretaries Association (Int'l) was disclosed at the Sixth Annual "Boss Night" Monday in the Gallery Room of the Bel Air East in St. Louis, with the surprise announcement that Mrs. Mary Sedekum, partner in the Amco Plumbing and Heating Co., had won the title of "Boss of the Year for 1969-70."

Although Mrs. Sedekum was a charter member of the Tri-Cities Chapter when it was formed in September 1961, she later resigned from the Chapter when she and Walter Aerie formed their company a few years ago. Prior to that time Mrs. Sedekum had won the title of Tri-Cities Chapter "Secretary of the Year" in April 1964, and was first recipient of the chapter's Lace Award in February 1963.

Since resigning Mrs. Sedekum has maintained her interest and support of the local Chapter. She has entertained chapter members at her home on numerous occasions, and has helped with their Christmas party for children who are wards of the court. She has attended division meetings and district conferences with the members, having just returned from the Great Lakes District conference with the Tri-Cities Chapter delegate, Mrs. Charlene Vunovic.

The theme, "The Greatest Show on Earth," was chosen for this year's Boss Night dinner, with Miss Twila Edmonds chairman of the committee, act-

ing as "barker" and introducing the entertainment which was furnished by various members of the chapter, together with an act entitled "Whistler's Brother" by Walter Aerie, Clyde Beinfuhr and Carl Burrow.

Mrs. Sedekum and her husband, Wesley, reside in Edwardsville.

### Shower Honors

#### Miss Letkuskus

Miss Patricia Letkuskus was guest of honor this week at a bridal shower given at Sacred Heart Polish National Catholic Church.

Suspended above the gift table was a large bell and two smaller bells trimmed with clusters of Burgundy velvet and lilies of the valley. The honoree, who received many gifts, was assisted in opening the packages by two of the young women who are to be in the bridal party, Miss Linda Meinke and Miss Linda Knight. All are students at Blackburn College in Carlinville.

A buffet luncheon was served and the guests were seated at tables adorned with runners of green garlands and Danish tapers. Games were played and prizes were awarded to the winners.

The guest list included Alice Allen, Dorothy Amend, Vicki Baczewski, Ann Bienecki, Mary Brominski, Holly Brown, Elaine Brzezinski, Ellen Brzezinski, Rose Fedorowicz, Helen Gandy, Betty Holder, Cindy Holder, Alyce Javiers, Cecelia Kalert, Ruth Kanevsky, Linda Knight, Janis Labanovsky, Leo Lupa, Angelica Bertha Macios, Julia Macios, Norma Macios, Theresa Macios, Andrea Meyer, Linda Meinke, Shandra Miller, Jenny Miller, Julia Novosel, Bernice Nizinski, Connie Opich, Shelly Opich, Fairland Prill, Anna Rudnicki, Elsie Rutkowski, Barbara Schmitz, Beth Anne Schmitz, Gloria Schuman, Marianne Perry, Lorene Sadrakula, Delores Krinski, Catherine Wojcik, Jane Wyatt and Sophie Krinski.

### Attends Program At Great Lakes

Mrs. Norma Darnell, 2711 Center street, state commander of the Navy Mothers and a member of the Quad-City Navy Mothers 850, returned Monday evening from a trip to the Great Lakes Naval Station where she went at the invitation of Lt. Cmdr. James A. McClamant, USN Chaplain, Hospital Corps school, to attend the 50th anniversary of All Souls Chapel and the dedication of the memorial stained glass windows. "Peter, The Fisherman," was purchased and donated by the Illinois Navy Mothers.

"Blessing and Mercy" was the theme of the dedication at which Admiral John H. Cheffey declared "very appropriate when we consider the mission and the sacrifice of the Hospital Corpsmen who have given their lives in the service of mankind." A reception followed the dedication ceremony. It was held in the Crest Room of the Rathskeller at the Base.

# CYCLAMATES?

## Diet Pepsi can do better without them

Soon you will be enjoying a new, better-tasting Diet Pepsi-Cola with a "touch" of real sugar and no cyclamates.

\* \* \*

Recently there have been some unsettling news reports about the artificial sweeteners (calcium and sodium cyclamate) used in most low-calorie beverages and a number of other food products. In effect, the reports related possible health hazards to human beings that could result from the consumption of cyclamates.

Although the sweetener has up to now enjoyed approval by the Federal Food and Drug Administration, no consumer should be asked to worry or wonder about the food or drink she buys for herself or her family. This is especially true of soft drinks which people buy for pleasure more than nutrition.

### A New Diet Pepsi

Diet Pepsi-Cola, which has become the na-

tion's most popular diet cola, was formulated in part of cyclamates and was so labeled. But Pepsi-Cola Company cannot in good conscience offer its customers any products about which even the remotest doubt exists.

We have immediately formulated a completely new Diet Pepsi which is not only free of cyclamates, but which tastes noticeably better than our previous product. The secret is sugar—pure, natural sugar—but an amount so insignificant that people who watch their weight will be drinking and enjoying a true diet cola. And new Diet Pepsi offers a genuine cola taste remarkably similar to Pepsi itself.

### Is It Safe For Diabetics?

For some people even a teaspoon of sugar is considered harmful. We are carefully labeling new Diet Pepsi cartons and wraps in bold type (see above) to warn diabetics and other persons who must restrict their intake of sugar that the new product has SUGAR ADDED. If you are such a person, we suggest you drink new

Diet Pepsi only after consulting your doctor.

### Where And When Can You Get It?

We are moving just as fast as production and distribution facilities permit. Within a few weeks, people in this area will begin noticing our new Diet Pepsi cartons in their favorite stores. You will recognize them by a bright yellow band containing the words: SUGAR ADDED—NO CYCLAMATES! The same band appears on the label of non-returnable bottles. And, the phrase appears in a red-out-line rectangle on the back of Diet Pepsi cans.

### What About Other Diet Cola Brands?

We believe and we hope that other soft drink companies—making diet colas or other diet flavors—will follow Pepsi-Cola's lead by developing cyclamate-free beverages. Obviously, we take some satisfaction in our own readiness and technical skill. But, the soft drink industry as a whole has never been reluctant to modify its products for the benefit of its customers.

## Three Gifts Presented To Foundation at SIU

Three substantial gifts to Southern Illinois University have been received by the SIU Foundation, Kenneth R. Miller, foundation executive director, has announced.

Microwave transmitter and receiver units valued at \$15,000 have been donated by Central Illinois Public Service Co. for use at the university's Vocational - Technical Institute in training students in its electronics program.

An anonymous donor of the St. Louis area has presented the foundation with 500 shares of Ralston-Purina stock to establish a new student fund on the Carbondale campus, using only the income for the awards. Miller said this stock, at current stock market prices, has a value between \$11,000 and \$12,000.

The third gift is a \$600 check representing the proceeds from an insurance company policy held by a student, now deceased, and earmarked for the university. "This is the way people may make gifts to the university under our estate planning program," Miller explained.

## MECA Again Offering Art Museum Program

The Metropolitan Educational Center in the Arts (MECA) and the City Art Museum announce that the third experimental program in museum visits will begin on Monday, Nov. 3 with a training session for participating teachers.

MECA's art education program involves students visiting the City Art Museum on Mondays, when the museum is closed to the public. After attending a training session, participating teachers prepare their classes for their visits. The first set of visits, "The Art in Decorative Arts," will concentrate on the aesthetic value in everyday objects.

A limited number of museum visits are still available for elementary and secondary school classes. Interested persons should call MECA (314-652-9050) for additional information.

## Two Local U. of I. Girls To Compete in Contest

Diane S. and Donna L. Kinney, twin daughters of Mr. and Mrs. Don O. Kinney of 2639 East 23rd street, honor students at the University of Illinois and Food Science majors, will compete in the annual Collegiate Dairy Products Evaluation Contest on Nov. 3 in New Orleans.

The contest, which will involve about 20 teams, is held in conjunction with the conventions of the International Association of Ice Cream Manufacturers and the Milk Industry Foundation and is sponsored by the Dairy & Food Industries Supply Association and the American Dairy Science Association.

Every year colleges and universities throughout the United States and Canada enter a team of three and one alternate to compete in evaluating quality and flavor of five dairy foods. Winning teams and individuals

will receive awards at the Bayou banquet at the Jung Hotel. Both the Kinney girls are recipients of the Institute of Food Technologists Scholarship and are members of the Dairy Science Club, Institute of Food Technologists where Diane serves as secretary and Donna as secretary-treasurer.

Diane Kinney is also a Honors Day student and received the County Agriculture Scholarship and the Edmund J. James Scholarship. Donna Kinney is contributor to Student News and Information Bureau. Both girls are also members of the American Dairy Science Association.

Other members of the contest team are Russell Smith of Edwardsville, Ill., and Dean Bollinger of Edwardsville. They will be accompanied on the trip by Dr. Joseph Tobias, Professor of Food Science, who has coached the University of Illinois teams since 1956.

## SIU-Carbondale Enrollment Study

More than a third of Southern Illinois University's out-of-state students on the Carbondale campus this fall are from Missouri, New York and New Jersey, according to an unofficial enrollment survey.

Of 1679 students listed from other states, 308 are Missouri residents, 253 are from New York and 119 from New Jersey, according to a preliminary computer count. The survey shows students from 47 states, the District of Columbia, Mexico and the Canal Zone registered at SIU-Carbondale this fall.

States missing are Alaska, Maine and Nevada. In addition, an estimated 800 foreign students are attending classes at Carbondale. The big three internationally are Hong Kong (80), Iran (71) and Formosa (67). Total enrollment at the Carbondale campus this fall is 23,002. Overall enrollment in the SIU system, including the Southwest campus, is 35,154.

## Dental School Dean Named to Committee

Dr. Frank J. Sobkowski, Dean of the School of Dental Medicine at SIU-SW campus, has been named to a state committee along with six other men from the state of Illinois.

The committee members are serving on the Dental Education Advisory Committee of the State Board of Higher Education and is under the Health Education Committee created last July.

Dr. Sobkowski, who came to SIU to start his program in dental medicine, is a dentist and resident of Edwardsville.

## State Music Teachers Meeting at SIU-SW

The Illinois State Music Teachers' Convention will be held Sunday and Monday, Nov. 23 at the SIU-SW campus. First on the agenda will be the student and collegiate artist auditions in the Lovejoy library auditorium on Sunday from 10 a.m. to 1 p.m.

Registration for members and non-members of ISMTA is scheduled for Sunday from 1 to 2:30 p.m. in the Communications Building and on Monday from 8:30 a.m. to 9 a.m. outside the St. Clair room.

Speakers will include Paul Rolland of the University of Illinois, Guy Duckworth of Northwestern University, and many well known musical personalities.

At the concluding luncheon on Monday winners of the student and collegiate artist award auditions will be presented. The luncheon is set for 12:30 p.m. in the Madison room.

## Modern Dance Program Tickets for Students

Complimentary tickets to high school students interested in dance are available for a modern dance performance by the Jost Limon Dance Co. to be held on Friday, Nov. 14 at 8:30 p.m. at Kiel Opera House.

Limón's single St. Louis performance will include "The Moor's Pavane," based on the theme of Othello, "La Malinche" which focuses on a Mexican legend and his most recent works, "The Exiles" and "The Winger."

The concert is co-sponsored by MECA, Dance Concert Society, Washington University's Performing Arts area and Southern Illinois University's Fine Arts Division.

Free tickets may be obtained by contacting MECA, 4238 Lindell Blvd., St. Louis, or Missouri State Council on the Arts, 7933 Clayton road, by Nov. 7.

## Miss Karen Cowan is Named Freshman Officer

## Student Housing Contracts Ready At SIU-SW Campus

Housing contracts for part of the new on-campus apartment complex at the Southern Illinois University-Southwestern Campus are now being negotiated, according to William D. Burcky, coordinator of housing.

The contracts are for unfurnished, two-bedroom apartments. They are being mailed to persons who have previously applied for housing, and who wish to move in by Dec. 1, opening date. The university expects to be able to rent 24 units at that time.

The Tower Lake apartments, first on-campus housing for SIU-Southwestern, will provide a total of 248 units for students, faculty and staff. Fifty-six additional units for single students are expected to be ready by Jan. 1.

The two-bedroom units, which rent for \$115 per month unfurnished, will be reserved for those applicants returning contracts with the retainer fee. The 56 units for single students will rent for the academic year or the balance thereof, for \$105 per quarter.

Burcky said the three-bedroom units are expected to be available by mid-January. The apartments are near the lake facilities on the northwest portion of the University campus. Burcky also said apartments are still available for single male students who have not already submitted applications.

## Bicycle 'Rules of Road' Booklet Planned by State

An Illinois Bicycle Rules of the Road booklet is in the process of being printed, according to an announcement this week by Secretary of State Paul Powell. The booklet is expected to be available next February. Plans are for the booklet to be distributed in time for the second semester of the elementary school year and in time for the first warm days when bicycles suddenly begin to appear.

Powell praised the CORD project under which 50,000 children from 192 school districts will participate, with each of them visiting Safety Town Park four times a year to receive two and one-half hours of classroom and driving course instruction. The Peoria project will mean that students in that area will have had 80 hours of traffic safety training by the time they have graduated from the eighth grade, Powell explained.

He also expressed his strong approval of the high school driver education program, stating, "but, I think it should be a sort of graduate course."

"Our young people have already developed their attitudes toward driving and traffic safety before they get to high school, and so we have not been getting to them in time," he said.

"That's the beautiful thing about the Safety Town Park program, it provides an opportunity to bring our children into the traffic environment at an age when they are eager to learn and it's lots of fun," Powell stated.

**Miss Patricia Kawula Takes Job in Chicago**

Miss Patricia Lynn Kawula, daughter of Mr. and Mrs. Michael Kawula, 1512 Clark street, is living in Chicago's famous McCormick YWCA Residence while working as a Kelly Girl as office clerk.

McCormick is the largest YWCA residence in the world and is located on the near North side at Oak and Dearborn streets.

## Workshop on Library Book Selection is Set

A library book selection workshop sponsored by the Illinois Reading Service and county superintendent of schools for school and public librarians, teachers and administrators in the counties of Madison, Bond, Calhoun, Green, Jersey and Macoupin, will take place on Thursday Nov. 6 at Alton Materials Center, 2739 East Broadway, Alton.

Speakers and exhibits will feature good new library books for elementary, junior high and senior high schools. Larry Efsaw, manager IRS, will be available after the last talk at the 12-45, to answer any individual questions about business procedures.

Registration cards are available from Wilbur R. L. Trimpe, Edwardsville, and must be made with Efsaw by this week-end.

## Navyman Steve Bulla Jr. Receives Promotion

Aviation Electrician's Mate Third Class Steve R. Bulla Jr., USN, son of Mr. and Mrs. Steve R. Bulla of 3153 Davis avenue, was advanced to his present rate while serving with Heavy Photographic Squadron 61 at the U. S. Naval Air Station in Agana, Guam.

His advancement was based on time in service and rate, military appearance, performance of duties and his score on the Navy-wide test for promotion. The squadron flies the RA3B Skywarrior jet reconnaissance aircraft on reconnaissance and cartographic missions in the Pacific-Southeast Asian area of operations.

Two educational radio programs from Southern Illinois University are syndicated on radio stations across the country.

## Grant Award for SIU 3-County Youth Study

A \$19,800 grant from the Illinois Law Enforcement Commission has been awarded to SIU-SW campus for a study of services provided to juveniles in Madison, St. Clair and Monroe counties.

The grant, awarded to SIU's Center for the Study of Crime, Delinquency, and Corrections, will be used to survey and make recommendations on the availability of services to delinquents in the three counties and is to be known as the "Total Youth Planning Study."

Nicholas Reuterman, director of the project, said his group will be interviewing all agencies who have dealings with delinquents and juveniles. He added the study is designed to define services now available and develop a long-range plan for handling such services. The grant will be in effect until Sept. 1, 1970.

## Halloween Dance Set For Kirkpatrick Teens

The "Mars Bonfire" will provide music for the Halloween Dance Friday 7 to 11 p.m. sponsored by the Kirkpatrick Homes Teen Organization at the recreation hall.

Kirkpatrick Home's club reporter Connie Evans said "Everyone may dress as they please, and admission will be 40 cents stag and 75 cents drag."

## AF ROTC Cadet Gac Receives Promotion

Air Force ROTC cadet Frank D. Gac has been promoted from cadet airman basic to cadet airman while attending the University of Illinois college of engineering. A freshman, Gac, is majoring in aeronautical engineering.

As a member of the Professional Officer Corps at the University, Cadet Gac receives practical leadership experience, gained through the cadet's performance on the drill floor and through cadet lead classroom activities.

Upon completion of his academic studies at the University, he will receive a commission as a second lieutenant in the Air Force.

The local student is the son of Mr. and Mrs. Frank J. Gac of 2641 Washington avenue.

## Audiology Workshop Set at SIU-SW Campus

A speech pathology and audiology workshop will be held at the SIU-SW campus on Friday at 9 a.m. in the Illinois Room of the University Center.

According to Prof. Keith St. Onge, director of the Clinical Center at SIU-SW, the all-day workshop will concern general problems of voice and voice diagnosis and treatment. In addition to SIU students majoring in these fields, St. Onge is expecting 60 Illinois speech therapists to attend.

Joyce Wagley, therapist in the East St. Louis schools, and Mrs. Tom Romani, Edwardsville therapist, are in charge of arrangements. Principal speaker will be Prof. Isaac Brackett, chairman of the Department of Speech Correction at SIU, Carbondale.

## "Woodwind Circus" to Play

## Free Halloween Dance Tonight for Area Teens

Granite City Jaycees will sponsor their traditional "Halloween Dance" for area teenagers from 8 to 11 p.m. today at a section of the Nantweil Village shopping center parking area.

The admission-free affair will feature live entertainment, including music furnished by the "Woodwind Circus," a popular teenage group whose drummer, Bill Drew, was voted the top individual performer in the recently conducted "Battle of the Bands" contest.

John Fornasewski, Jaycees project chairman, and Al DeLay, co-chairman, said the event is open to all Quad-City teens.

About 400-500 young people have attended the seasonal dance party each Halloween since the project was inaugurated by the young men's service club several years ago.

## Drama Workshop Announced by Trimpe

A Drama Workshop planned especially for drama teachers is to be held on Saturday, Nov. 8, from 9 a.m. to 11:30 a.m. at the Edwardsville Junior High School. By-pass 66, it was announced this week by Wilbur R. L. Trimpe, superintendent of the educational service region.

Further information has been sent to District Superintendents, senior and junior high school principals.

B. F. Johnston, Director of Drama College of DuPage, will be the instructor for the workshop using the theme, "Scripts—Who needs them while building character?"

The local chapter of the National Association for Gifted Children will hold a business meeting at 7:30 p.m. Monday at the Frohardt school.

The purpose of the organization is to help further the talents of gifted children. The public is invited to attend the meeting.

## Roca Halloween Dance Saturday

The Roca Young Men's Club will sponsor a Halloween party at home of Bruce Buttry, 2591 Waterman avenue, Saturday from 8 to 11:30 p.m. Costumes will be worn, and prizes are to be awarded for the best costumes by a member and his date as hostess.

Plans will include a scavenger hunt, chamber of horrors, a Roca and other seasonal games under the direction of Dave Evans, chairman. Miss Nancy Sternberg, fall sweetheart, will serve as hostess.

Tentative plans were announced for members to attend B'nai Ancona synagogue in St. Louis in honor of the summer Roca sweetheart, Barbie Berger, according to Rich Dial, church chairman. Dial also stated that the following weekend the group will attend St. John United Church of Christ in honor of the current Roca Sweetheart, Miss Sternberg.

Other planned events are a hayride for Nov. 15 at the farm of Chester Buchta near Edwardsville and the reorganization of the Roca Raiders Basketball team for the park district league season. Robert Allen will serve as coach, and tryouts are being held Sundays at 10 a.m.

Winning offices in school activities are Perry Dillard in the sophomore student council, Mark Rigby and Frank Mehelic, who were elected to president and vice-president of the Letterman's Club at GCHS.

Ralph Thompson, vice-president, discussed the coming week's "Score" contest in which members are to write to servicemen or peace corps volunteers. Committee members are Mike Loftus, Buttry, Curt Kozar and Rick Cardwell.

Roca members serve as an distributing agent for tickets to the Masquer's Inc. production in Granite City on Nov. 7-8 of "The Sound of Music." Featured in the role of Rolf is Mike Loftus. Tickets may be purchased for \$1.50 students and \$2. for adults.

The club members plan to attend a St. Louis hockey game and to sponsor a bowling tournament next month.

## Essay Contest Under Way by Clean Air Group

"A Matter of Life and Breath" is the theme of an essay contest being sponsored by the Citizens' Clean Air Committee, a bi-state committee of the Tuberculosis and Health Society of St. Louis.

All high school students in grades 10 through 12 in St. Louis city, St. Louis, St. Charles and Jefferson counties, Mo., and St. Clair, Madison and Monroe counties of Illinois are eligible to participate.

A first prize of \$100, second through sixth prizes of \$20 each, plus 14 certificates of honorable mention are being donated by United Steelworkers of America, AFL-CIO.

The essay of 500 words or less, and a separate signature sheet, should be mailed no later than Dec. 1, to Air Pollution Essay Contest, 911 Locust street, Room 210, St. Louis, Mo. The student's name, address, grade, and school should be on this separate signature sheet and not on the essay itself.

An awards presentation is scheduled for Monday, Dec. 15, at Clayton high school Little Theatre at 4 p.m. Further information, including a bibliography of resource materials, is being mailed to all high school principals in the contest area.

## Parents Day Nov. 8 At SIU-Carbondale

Parents of present and past students at Southern Illinois University - Carbondale will be honored Saturday, Nov. 8, at Parents Day.

Two sets of parents will be chosen by random selection. In keeping with the University's Centennial Observance, parents honored during the past ten years also will be invited to participate in the day's activities.

The visiting parents will see the Salukis challenge Ball State University at 1:30 p.m. in McClelland Stadium. During the game the honored parents will be introduced.

Included in activities designed to give parents a taste of academic and social life at the University are a breakfast at the University Center where parents are invited to register and meet faculty members, open houses at various housing areas, campus tours, and departmental exhibits.

An evening show at 8 in the Arena will feature Simon & Garfunkel.

Sunday afternoon there will be a Greek Sing at the University Center Ballroom to which parents are invited.

## Shelters, Not Shanties For GC Pump Crews

Street department crews who man pumps at city sewer breaks around-the-clock are to be protected from the elements, it was decided at Monday night's Granite City council session.

At first, the talk was to have Street Supt. Warfield direct construction of shanties with stoves at each pump site, but the aldermen did not like the term "shanties."

In re-reading the motion, Deputy City Clerk Mrs. Virginia McLester, who was pinching for convening City Clerk Homer "Cal" Pendleton, said "the superintendent of streets is to provide 'shelters' for the pump crews."

## Research Memorial For Dr. Muntyan, 52

A fund to aid cancer research has been established in the name of Dr. Milosh Muntyan, a former Quad-Citizen, who was a Michigan State University education professor at the time of his death on Oct. 9. He was 52 years old.

The son of Mrs. Soffina Krmpotic, 2104a Cleveland blvd., Dr. Muntyan was born in Madison and attended Granite City schools. He served with the Air Force as an officer during world war II.

Contributions to the Muntyan Cancer Fund may be sent to Dr. Ronald Snyder, Department of General Surgery, University of Michigan, Medical Center, Ann Arbor, Mich.

The late educator became a member of MSU's faculty as associate professor and chairman of the Department of Higher Education in 1949 and was named professor in 1952.

During 1954-56, he headed MSU's Department of Social-Psychological Foundations of Education. From 1956 to 1960 he served as assistant dean of curriculum and instruction, and was chairman of Social and Philosophic Foundations of Education from 1961 to 1964.

Appointed professor of closed circuit television in 1964, Muntyan produced materials for classroom use and for use in a College of Education course and a university course. In 1968, he was distinguished visiting professor at San Fernando Valley College.

Dr. Muntyan received his B.S., M.S., Ed.M. and Ed.D. degrees from the University of Illinois. He is survived by his wife, living in East Lansing, Mich., one daughter Mrs. Lenka Carswell, Rochester, N. Y., two sons, Byron of Sacramento, Calif., and Keith of East Lansing; a sister, Mrs. Dobrilla Schneider, University City, Mo., and two brothers, Bozidar Muntyan, now at the University of Southern Florida, Tampa, Fla., and Midrag Muntyan at the University of Illinois, Urbana.

## City to Resume Franchise Talks with Water Company

A resumption of franchise negotiations with East St. Louis & Interurban Water Co. was urged by Alderman Charles Moerlein during Monday night's Granite City council session.

Moerlein called upon Mayor Partney to name a committee of aldermen to meet with officials of the water company to see if an agreement can be reached that would be beneficial to the city.

The aldermen said he had attended a special session conducted at the Illinois Municipal League convention and learned that cities now are able to obtain benefits in 20 and 25 year franchises rather than 50 years. "We might be able to save local taxpayers from \$10,000 to

\$12,000 a year," Moerlein added.

Mayor Partney said he recalled that former Alderman Richard Fry had headed a committee two years ago that had conferred with the water company and had presented a proposal that was turned down by the council. "I'll see who also served on that committee and ask them to serve again," the mayor said.

**Youth Problem Study**  
In other action, the council approved a resolution to seek a grant of federal funds available for study of youth problems in the city. The grant application would be a joint undertaking by the city and the Coordinated Youth Services and would be under the guidance of

a commissioner consisting of an elected official, a police officer and a citizen.

City Atty. Scroggins explained the police department would be called upon for information, but there would not be a monetary outlay by the city. "No matching funds are needed," he added.

Authorization was given Atty. Scroggins to prepare an ordinance for the city conforming to an ordinance of the East Side Levee and Sanitary District restricting development or home building in areas without adequate drainage. Council members heard a representative of The Bond for Men, a St. Louis firm that handles the workmen's compensation policy for the city, explain that it is a company program to require physical examinations each year for employees 65 years of age and older.

**2½-Month Debate**  
The matter has been debated since August by council members since it involves school crossing guards.

Several aldermen argued they worked in industrial plants where annual physical examinations were not required for persons over 65.

The insurance man said the stipulation is not in the actual policy, which follows guidelines set by state law, but physical examinations each year are required under his firm's loss control program which was set forth in writing and approved by the council two years ago.

He noted that the city has had a crossing guard killed and two others injured in previous years resulting in two insurance companies canceling policies with the city. He added that losses

## Spurrows to Sing Here Sunday Morning

The Spurrows, a 27-member musical youth group, will appear at the First Assembly of God Church, 24th street and Grand avenue, Sunday at 10:45 a.m. The entire morning worship service will be given to their presentation of a sacred concert.

Soloists, quartets, trios, folk groups, instrumentalists, "big band," orchestra and an acapella choir are in the combined troupe. While their average age is only 19, the young troupers are all bonafide musicians in their own right and have individually collected many awards and scholarships.

Director of this unique, upbeat troupe of Christian young men and women, Thurlow Spurr, who listened to what the "Now" people went for and then met them on their own ground. He has developed a repertoire which ranges from baroque Bach to the rolling rock of "O Happy Day," in traditional hand-clapping revival style.

Rev. Allen Groff, church pastor, invites the citizens of the area to attend this free family musical worship service.

## County Public Aid Costs \$753,352 During August

A total of 9603 public aid recipients in Madison county received \$753,352 in the five major divisions of public aid during August, according to a report released this week at Springfield by Illinois Public Aid Director Harold O. Swank.

Virtually half of the total distribution — amounting to \$375,853 — was paid to 9603 recipients of Aid to Dependent Children.

Other payments in Madison county included \$190,770 paid to 1068 clients of the disability assistance program; \$143,826 to 1364 recipients of old age assistance; \$39,638 paid 1443 general assistance recipients; and \$309 paid to 37 recipients of blind assistance.

At the state level, Illinois public aid rolls total \$46,537 during August, an increase of 2562 over the previous month and 50,880 over the same month of a year ago.

**August Costs Up**  
Total August expenditures were \$45,417,896, which was an increase of \$1,143,945 over July and an increase of \$9,702,880 over August 1968.

The state August caseload included 416,140 persons on assistance to the aged, blind or disabled and aid to dependent children receiving money grants and eligible for medical care; 61,818 eligible for medical assistance only; and 68,579 on general assistance.

The aid to dependent children program served 364,718 persons in August with expenditures totaling \$23,013,914, or an average of \$63.10 per person.

## Parent Work Survey Key to \$198,307 Grant to Schools

The annual survey of places where parents of school children are employed will be conducted Monday, Nov. 3, by the Granite City school district.

Every student enrolled in kindergarten through the 12th grade will receive a card to be completed by the parent or guardian showing his or her employment. Purpose of the survey is to qualify the school district for federal funds under Public Law 874, which provides aid to school districts with large numbers of pupils whose parents live or work on federal property.

The money received by the schools under this law is a payment in lieu of the local property tax, which is not paid by the federal government. In order to qualify, the school district must secure individual cards for each student enrolled, showing the parents' place of work.

Last year, the Granite City district was entitled to receive \$357 for each child whose parents lived and worked on federal property and half that amount for the child with a parent employed on federal property. Total funds to which the

district was entitled amounted to \$198,307.

This is the only federal money received by the school district which is not earmarked for a specific purpose. Amounting to about 1 percent of every student in the district, this money goes into the education fund for use as needed.

**Cooperation Sought**  
Rea appealed for the cooperation of all parents in completion of the survey cards.

The federal government requires that cards be completed for each child, and it audits the cards to be sure that all information is furnished. Cards also must be dated and signed by the parent.

"If all information is not furnished, the card is rejected by the auditors and the district loses this amount of money. The receipt of such federal aid enables the school district to use the money for education to the local taxpayer," Rea said in urging all parents to complete the cards and return them promptly to school.

## St. Louis Speedsters To Skate Here Saturday

An exhibition of the techniques and skills involved in speed skating will be demonstrated in a special program to be staged at the Wilson Park ice rink pavilion from 7:30 to 9:30 a.m. Saturday.

Harold Brown, Granite City superintendent of parks, announced today that members and coaches of the Gateway Speed Skating Club of St. Louis will present the exhibition program for interested local youngsters and adults.

Photographs also will be taken Saturday of St. Louis and Granite City speed skaters, to be used in publicizing the "Bi-State Speed Skating Meet," scheduled to take place Nov. 22 at the Wilson Park rink, Brown advised.

### Sailor Frank Vivod Returns from South Pole

Electrician's Mate Third Class Frank G. Vivod, USCG, son of Mr. and Mrs. George J. Vivod of 2804 Iowa street, returned to Baltimore after a one-year deployment aboard the U. S. Coast Guard icebreaker Southwind.

Territory covered in the deployment ranged from the Arctic waters of northern Greenland, around the world and to the region around the south pole.

## Present Supplies With Cyclamate Can Be Consumed

The government's recent order banning production of general food products and beverages containing cyclamates was not intended to require the destruction of existing stock in homes and on retail shelves. A schedule for the orderly withdrawal of cyclamate-sweetened products was made a part of the order announcing the ban, former manufacturers of such products have pointed out.

Health-Education-Welfare Secretary Robert E. Finch said, "Let me emphasize in the strongest possible terms that we have no evidence at this point that cyclamates have indeed caused cancer in humans."

"Thus, my decision to remove cyclamates from the list of approved substances in no sense should be interpreted as a life-saving or emergency measure."

Jan. 1, Feb. 1 Deadlines

"As for general purpose foods and beverages already produced, my action will permit orderly withdrawal from the market place. In the case of beverages, we are requiring a recall to be completed by Jan. 1, 1970. All other artificially sweetened foods will be phased out of the market by Feb. 1, 1970."

"I should emphasize also that my order does not require the total disappearance from the marketplace of soft drinks, foods and non-prescription drugs containing cyclamates."

"These products will continue to be available to persons whose health depends upon them, such as those under medical care for such conditions as diabetes or obesity. I expect that in the future these products will be labeled as drugs, to be consumed on the advice of a physician."

Secretary Finch's statement of the intent of the ban was reinforced in a release issued by Jesse L. Steinfeld, M.D., deputy assistant secretary for health and scientific affairs.

"S31 Bottles a Day?"

"There is absolutely no evidence to demonstrate in any way that the use of cyclamates has caused cancer in man," Dr. Steinfeld said.

"There is no evidence that the use of cyclamates has caused malformation of children, or any other abnormality in humans, other than a rare skin hypersensitivity."

"Again, I emphasize that this result was obtained only at feeding high dosages for the entire life of the animals. The level of

## Storm Sewer System (Phase I) Completed

Granite City's \$3,000,000 storm sewer system became property of the city Monday night when council members authorized payment of final amounts to the contractor.

The total of \$145,084 owed for the three-section project is subject to a final approval by the federal Housing and Urban Development agency. The project was financed with a local bond issue and a grant of \$1,500,000 federal funds.

Approved by the council was a resolution calling for HUD to approve final change orders prepared by the engineering firm of H. W. Lochner & Co.

Library Services to Aid Con Con Delegates

Secretary of State Paul Powell, state librarian, announced this week that the Illinois State Library will offer library services to the Study Commission for the Constitutional Convention.

A computerized program which will facilitate gathering information on the various sections of the constitutions of 47 states, including Illinois, is also being finalized, he said.

Alabama, Georgia and Louisiana are not included in the computer program because of the unwieldy length of their constitutions. These three constitutions are approximately two-thirds of the word count of the total of the other 47 states.

"As an illustration of the practicality of the computerized program," said Powell, "if one of the future delegates to the Con-Con would wish to concentrate on either revenue or judiciary in the study, he would simply request this data and would receive detailed information on specifics, as made available through the legislative unit of the Illinois State Library."

Library materials will be available for the delegates at the State Library in Springfield. Secretary Powell is also urging research and reference centers at the University of Illinois, Champaign, Northern Illinois University at DeKalb and the Chicago Public Library to establish a special service for the delegates.

cyclamates required to produce these tumors in rats was 2500 mg. per kilogram (of body weight) per day."

to adjust the final payments and to eliminate the penalty for time required to complete the job beyond the scheduled December 1968 date.

The penalty section of the resolution was debated extensively, and it was decided that the project engineer, Marvin Grant, is to submit a detailed list of the delays resulting in construction work continuing to last August.

Since that time, miscellaneous work on punch lists devised by the project engineer and city officials has been under way. Engineer Grant reported all work has now been completed. He added that should the city decide to extend the storm-sanitary sewage separation to other areas of the city that his firm be given consideration.

The engineer pointed out the delays for the contractor not only were due to weather and heavy rains, but also for mix-ups on easements with Granite City Steel Co., the park district and the Housing Authority for Kirkpatrick Homes. Nearly all of the lines were installed in the East Granite

area, but could not be connected because of the lack of an easement for the ditch along East 23rd street.

When the easement finally was obtained, the contractor turned his crews to the area to make the connections.

Alderman Paul Rutledge, chairman of the Special Sewer committee, advised council members that added costs to the contractor caused by easement delays and the lack of maps indicating utility lines were estimated by the contracting firm, S. M. Wilson & Co. at \$45,000.

"I'd suggest we forget the penalty clause in face of this, for the contractor has agreed not to bill us for these added costs."

When other aldermen insisted that perhaps the city would benefit from the penalty, Rutledge said the entire matter probably would go into court and would take years of costly litigation to resolve.

However, it was decided the amount of penalty is to be determined by the project engineer to be maintained as a matter of record for the city.

## GC Continues Effort For Crossing Repairs

Renewed efforts for repairs at railroad crossings throughout Granite City were urged Monday night by Alderman Green, who told council members "the crossings are getting so rough that new autos are leaving hubcaps on the bumps and holes."

Green called for continuing pressure on the railroads as the council heard letters from three railroads that the city's letters of complaint, written Oct. 13, had been received and were being referred to right-of-way superintendents and maintenance supervisors.

The replies were received from the GM&O, N&W and ITR. Alderman Dawes reported that corrective steps are being taken to correct depressed curbs and driveway along the Waterman avenue motor fuel tax improvement project that had been noted by engineers of Research Planning & Design Associates.

"We met today with the contractor, G. H. Sternberg," Dawes said, "and the corrections are to be made."

The city also was advised in a letter from the state highway department, that depending on weather conditions, the contractor may apply the asphalt surface on Waterman avenue after Oct. 31.

## Murder Charge Filed In Venice Stabbing

Mrs. Geraldine Curtis, 39, St. Louis, was charged with murder Monday afternoon in a warrant issued by the state's attorney's office at the request of the Venice police following the fatal stabbing of the woman's husband Sunday afternoon.

Mrs. Curtis was arraigned in magistrate court where bond was fixed at \$15,000, and later transferred to the county jail at Edwardsville to await grand jury action.

Police said the woman has admitted the stabbing of her husband, Silas Curtis Jr., 33, also of St. Louis, about 1 p.m. Sunday in the Robin's Nest Tavern, 113 Slough road, Venice.

Officers said when they arrived at the tavern they found Curtis lying on his back just inside the door, the blade of a kitchen knife protruding from his chest. Curtis was pronounced dead on arrival at St. Elizabeth Hospital.

## FROM THE STATEHOUSE

BY  
GOV. PAUL SIMON

### "You May Be Entitled To A Tax Rebate"

Today in the State of Illinois there is a tax return available to all who are qualified and can prove it.

The state has on hand \$2.5 million dollars in service occupation taxes—on such things as medicine and repairs—which were collected from August 1, 1967 to March 27, 1968. The tax was ruled unconstitutional by the Illinois Supreme Court on March 28, 1968, and the state was ordered by the court to return the money collected to the taxpayers.

So far only \$282,175.64 has been claimed. The final date for claiming refunds is December 1, 1969.

How can you get your share before it's too late?

Tax refund forms are available at most banks in the state. For claims under \$200.00 you need only fill out the form and produce a receipt showing that during the period from August 1, 1967 to March 27, 1968 you made a purchase from one of the following four categories: special order machine tools, graphic arts, prescription drugs or repairs on tangible property, like autos and television sets.

The rate of tax, divided between the state and counties, was 5%.

For payments totalling \$200.00 or more, the same procedure is followed except the person to whom the money was paid must verify the claim and his service occupation tax number must be listed on the sheet.

Those who have the tax without passing it on to the consumer may file for returns also.

Where can you find records for possible refunds?

Check the medicine cabinet for the number of prescription drugs. Contact the drug store and ask for a duplicate bill.

Look to your old check book records for bills paid to auto repairmen, drug stores, appliance, tv and radio repairmen.

Credit card customers can have their credit companies check the records by sending to them the billing date of the item.

Small businesses should look to their accountants for receipts and corporations may have tax records stored in computers.

If you should decide to apply for a refund, be certain that your receipt is for the period when the tax was in effect and shows purchases from one of the four categories. Use separate refund forms for each place you made purchases.

For most citizens it probably is not worth the effort, but if you had major drug or repair bills during this period, it might be worth your time and effort to file.

## Withholding Offsets Surcharge

(Internal Revenue Service)

Q—I'm back in school after working in a department store. Can I get a refund now on the taxes withheld from my pay?

A—No, you will have to wait until after the end of the year before you can file your return.

To avoid delays when you file your return, check now to make sure you have paid no statement of wages paid and taxes withheld which your employer gave you when you left.

A copy of this statement must be filed with your return.

Q—Will enough be taken out of my pay to cover the income tax surcharge?

A—Withholding rates have been adjusted to take care of the income tax surcharge. For most people, withholding will be sufficient to satisfy their tax liabilities this year.

Q—The IRS auditor who examined my return says I owe \$5 more. Can I get a further hearing on my case without getting involved with legal fees and the like?

A—Yes, you may request a district conference and present your side of the dispute to an impartial third party. It will not be necessary for you to engage legal counsel to represent you at the conference.

It also is not necessary to file a formal written protest to obtain a conference, since the tax involved is less than \$200.

Procedures for requesting a conference are outlined in a letter you will receive from the IRS setting forth the details of the examination of your return.

Q—I found an expense I overlooked when I filed out my return this year. Is it too late to make this change?

A—No, you may still claim this expense by filing Form 1040X, Amended U. S. Individual Income Tax Return. As a general rule, you have three years from the date your return was due to claim items you forgot about.

Copies of the form and instructions for completing it are available from the IRS or your District IRS Director.

Q—My son worked on my farm this summer and I paid him regular wages. Can I deduct them just as I do wages paid to my other workers?

A—Yes, reasonable wages paid to your son are deductible if there is a true employer-employee relationship.

## 50 YEARS AGO

OCTOBER 30, 1919

The fate of John Barrymore and the rest of his family of children apparently has been decided. The wartime prohibition act vetoed by President Wilson has been passed over the veto.

Dry leaders predict that the refusal to accept the president's veto means that the sale of liquor will not be permitted again in the life of this and many other generations.

One hope remains for a talked-of "wet spell" before January. It is that the German peace treaty may be ratified and that the president may declare peace and demobilization of the Army and Navy. Some legal experts contend this would automatically annul the wartime prohibition laws.

But there is a legal question involved as to whether ratification with Germany alone would accomplish that end. The wartime prohibition act was passed when the U. S. was at war with both Germany and Austria-Hungary; hostilities actually had ceased. Some law officers here are inclined to believe that it may not be ended until both treaties are ratified.

President Wilson refused to sign the bill because it included the enforcement of wartime prohibition. The objects of wartime prohibition, he said in his veto message, had been satisfied and "sound public policy makes it clear the reason and necessity for its repeal." It would not be difficult, he said, for Congress to deal separately with the two issues.

OCTOBER 30, 1944

East St. Louis defeated the Granite City Happy Warriors 21-7, the Venice and Roxana high school elevens battled to a scoreless tie and the Bellevue Maroons defeated the Trojans of Madison high 36-6.

### Now Is the Time for All Good Men to Come To the Aid of Their Party—and the Public

With filing for the March 1970 state and county primary election scheduled for Dec. 8-15, important decisions will be reached soon by prospective candidates and party officers. Trial balloons will be sent up, support will begin to coalesce behind various aspirants, and the extent and caliber of the competition for Democratic and Republican nominations will become apparent.

Because it is vital that government be effective and responsive, citizens are hopeful that well-qualified individuals will give serious study to running in the primary and, if successful, campaigning for election to public office in November 1970.

The next few days and weeks will be crucial, for quite often the willingness to run or unwillingness to run will determine the thinking and action of other possible office-seekers.

In addition to party positions, the balloting next year will decide the identity of U. S. senators, congressmen, state treasurer, state superintendent of public instruction, state senator, three state representatives, sheriff, county clerk, county school superintendent and county treasurer. Judicial posts to be filled are those of an Illinois Supreme Court judge, an appellate judge, appellate clerk and three circuit judges.

### At Last—Outer Stripe on Missouri Roads

They are quite a few years later than Illinois, but we salute Missouri highway officials for deciding to add a white stripe of paint along the outer edge of all roads in that state lacking such a stripe. Estimated cost is \$1 million, a considerable expenditure but only a small fraction of the yearly state highway costs.

The white outer line is helpful at all times and especially in wet weather, when the effectiveness of headlights is diminished. On the Missouri roads, the pavement and shoulder are so identical visually to motorists during rain that it has been difficult to stay on the highway as autos approach from the opposite direction.

### Judicial Authority Divided Between Supreme, Appellate, Circuit Courts

(Part of a Press-Record series on the Illinois Constitution, subject of a convention opening Dec. 8.)

The Judicial Article of the 1870 Illinois Constitution, updated in 1962, vests all judicial power in a Supreme Court, an Appellate Court and Circuit Courts.

General administrative authority over all courts is held by the Supreme Court, including the right to temporarily assign any judge to any court other than that for which he was selected, with the consent of the chief judge of the circuit to which assignment is made.

The Supreme Court appoints an administrative director of the courts, who is its chief justice in his administrative duties.

There are five judicial districts, the first consisting of Cook county, with the remainder divided into four districts of equal population, each district compact and composed of contiguous counties.

At the Appellate level there are 24 judges—12 from the First Judicial District and one from each of the other four districts.

The seven-member Supreme Court consists of three judges from the First District and one each from the Second, Third, Fourth and Fifth. The seven choose one of their number as chief justice for three years.

The Supreme Court may exercise original jurisdiction only in revenue, mandamus, prohibition and habeas corpus cases.

Appeals from the final judgments of Circuit Courts can go directly to the Supreme Court only in cases involving revenue, cases involving a question of the U. S. Constitution, cases of habeas corpus and capital punishment appeals by the Appellate Court appeals go to the Supreme Court as a matter of right only in constitutional questions first arising at the Appellate level, or upon certification by an Appellate Court judge that a case decided by it involves a question of such importance that it should be handled by the Supreme Court.

Each judicial circuit consists of one or more counties. Each county must have at least one associate circuit judge. The circuit courts have unlimited original jurisdiction.

There are no masters-in-chancery or other fee officers in the present judicial system.

In each circuit, the circuit judge, one must be a citizen.

### Miles Laboratories, Inc., Union Division Headquarters a Busy Center of Activity

The Miles Laboratories, Inc., Union Division is the newest often by reflection of the kind of activity generated by the presence within the Quad-Cities of an international business headquarters.

Acquisition of the former Union Starch & Refining Co. a few years ago by the manufacturer of Alka Seltzer and many other products has not only maintained the previous operations here but expanded and diversified them.

The association between Miles Laboratories and this community is a happy one not only for those directly involved but for all Quad-Cityans and for people of the entire region.

### But What If We Lose All Our Marbles?

"The public doesn't understand our taxing process." This is a frequent complaint by public officials, and it is not resolved by the joke about a new and simplified tax form: "Write in this blank the amount of money you earn, and it is us."

That is a bit too simplified, but we offer the following in the hope of increasing public understanding of the property tax cycle, from which local government agencies obtain most of the funds they spend:

During the summer, assessors survey the 35 residents of a mythical city and find that 20 own 100 marbles each, while 15 wealthier people have 200 marbles apiece. From this, it is determined that the collective tax base totals 5000 marbles. The individual and total figures are recorded, and published as assessment lists in the fall, but the process does not include the setting of taxes.

Simultaneously but separately, four taxing bodies decide how many marbles they are going to need to operate their departments for a one-year period. The schools ask for 140, the city 50, the county 30 and the parks 20.

The county clerk during the fall and winter adds together these requests and finds they total 250. She divides 250 into the 5000 known marbles and determines that for each 100 available, five must be collected to provide the required 250. This is the rate; it is not set by either the assessor or the taxing agency, but is the mathematical result of their assessments and levies.

Then, in the spring, the collector calls for five of each 100, or 250, from the 5000 known marbles and provides five apiece. The 15 who own 200 provide the collector 10 each. The 250 thus obtained are divided up among the agencies which had requested them the previous year.

This basically is how local-level taxes are obtained from Quad-Cityans who own real estate and personal property. Since assessing currently is at 50% of full fair cash value, the example could have shown 10,000 marbles with half that number counted for tax purposes.

And if you think the tax subject is only a fable, just wait until next spring.

### Top State Art Education Honor to Aiaisi

The impending election of Eugene L. Aiaisi as 1969-70 president of the Illinois Art Education Association is a high honor for him, and for Chicago's Graceland district, of which he is the art education consultant.

"Man does not live by bread alone," and the state art educators have been among the most active in fostering the fast-developing public interest in the fine arts and cultural activities.

A licensed attorney-at-law of the state, and a resident of the district, circuit, county or unit from which selected, any boundary change does not affect the tenure in office of a judge who is duly appointed at the time of the change.

All judges and magistrates receive salaries and expenses from the state; Cook county appellate judges, circuit judges, and magistrates may receive additional compensation from that county.

The General Assembly may provide for the retirement of any judge or magistrate by law or by pension plan, or by removal for cause by a commission of one Supreme Court judge selected by that court, two appellate judges selected by the Appellate Court, and two circuit judges selected by the Supreme Court. Such a commission must be convened by the chief justice upon order of the Supreme Court by the request of the Illinois Senate.

Any retired judge may, with this consent, be assigned by the Supreme Court to judicial service. While so serving, he receives the compensation applicable to such service in addition to his retirement benefits, if any.

## Inflationary Pressures Weakening

By DR. GEOFFREY M. MOORE  
Commissioner of Labor Statistics

The first essential objective in getting inflation under control—namely, to stop its accelerating—has been successfully accomplished.

We seem to be able to observe much the same sequence of developments occurring in recent months as that which has usually occurred when an inflationary period has been drawing to a close.

This does not mean that the general price level will not rise further. It is virtually certain to do so.

But it also seems reasonable to expect, in my judgment, that a gradual reduction in the rate of price increase will follow from the relatively mild reduction in demand pressures that has already occurred.

A recession is not necessary to bring about a decline in the rate of increase in the Consumer Price Index.

In reviewing price changes over the past 25 years, it is possible to draw three conclusions about present price trends:

1. The current inflation developed gradually over the past four years becoming more and more pervasive.

2. The rise in the price level began to accelerate in 1965, and acceleration continued during most of the period since 1965.

3. Expectations that prices would continue to rise became more and more widely held.

2. There was a significant but

short-lived interruption to this process during 1968. Every one of the demand-pressure indexes declined, and the rate of increase in the Consumer Price Index fell from 4% to 2%.

But early in 1967 the inflationary process resumed its course. The end of the year, it had made up for lost ground, and it continued to accelerate through 1968 and early 1969.

3. All of the indexes of demand pressures, with the possible exception of inventory investment and purchasing, have begun to weaken in the past few months.

4. The rates of increase in some of the early moving price indexes—stock prices, industrial materials prices—have been declining for several months.

5. The rate of increase in the Consumer Price Index has been relatively stable for several months.

6. It is early to say that a decline has set in, but the highest rates to date were reached last spring or summer, at about the same time as a bit later than the highs in the demand-pressure indexes.

7. The rates of increase in wages may also have begun to stabilize, though at a much higher level than rates of increase in output per manhour. The discrepancy, which was especially large in the first half of this year, has produced sharp increases in unit labor costs.

8. The American people are demonstrating, so they are trying to hold out until the people had to withdraw all the troops. Then North Vietnam could win the war with a great propaganda program.

I only hope the people realize that a withdrawal now could be a disaster. Since the program into operation.

So, if they really want to help, Americans can write their congressman, asking for more support.

WHAT IS WRONG WITH SUNDAY SHOPPING?

After reading two letters in The Forum Oct. 23, I just have to comment. While the letters relate to two entirely different subjects, they are related.

To the man shocked by Sunday food store openings, I can only wonder why he is shocked? Really, what is wrong with Sunday shopping?

What if the persons who work on Sundays spend three, four or five days a week with their families, and their family is in need of food, clothing and shelter? This is more opportunity for the unemployed, and who said that we should "do nothing" on Sunday?

As to the letter, "Law protects personal clergy views respect," how did he come to the conclusion that demonstrations are being led by the Communist Party?

If he admits to the fact that there is hunger, poverty and injustice in this country, what would they have to do? I am sure most ministers believe, and very fervently, that Communism is wrong and is a devil in disguise. But what ministers is he talking about—how many, where? There are many thousands of clergy in the U. S.

How many Communists or Communist sympathizers are there in the demonstration group? How many Communists do we know—or know of?

I have read of no more than five to eight ordained ministers who have taken part in "riots" today. The clergy and any person who professes allegiance to the Constitution of the U. S. are not "un-American" or "un-ministers"; rather, they should meet them head-on, providing they know and are willing to stand for their beliefs.

He said the clergy should become more glibly in their lives. This is true of all of us.

The clergy today, he said, is the people's actions as a country, unit, not a certain group or group.

What is good is served to have free worship protected by the laws of our land? And what worship is the speaker of the TV, auto, or wall carpeting, a Supreme Being?

It is quite evident, I don't understand the intent of these two letters. All I can offer are a few honest questions.

## Sailor Writes 'Yule Mail Call' from Ship

A sailor on board the USS Providence in Southeast Asia, submitted his own name to "Yule Mail Call" written on a colorful postcard, two brothers from Granite City, both stationed at Fort Ord, Calif., and the address of a soldier in Vietnam which was forwarded to the newspaper by Granite City Steel Co., appear in today's listing.

Relatives, friends, church and service groups former employers and other individuals are invited to provide the serviceman or woman's name for inclusion in the fourth annual "Yule Mail Call" program to be sponsored by the Press-Record.

**Cards or Packages**  
It is hoped the pre-Christmas service will encourage Quad-Cityans to add the local military personnel to their Yuletide mailing lists and send greeting cards, letters or packages, thereby helping to cheer servicemen who are away from their homes and loved ones during the coming holiday season.

To ensure proper delivery, it is important to accurately list the serviceman's name, rank, serial number and address, including APO and FPO number. Those contributing names and addresses of Armed Forces personnel serving at home or overseas are asked to send in the information by letter or postal card, or bring the written details to the Press-Record, 1815 Delmar avenue.

Regular service through Post Office mail—now through Nov. 8.

One recipient clipped out the newsletter item, wrote the name of his son alongside and returned it to the local industrial firm. Carl Bazenas, editor of the plant newspaper, "The Mill," forwarded to "Yule Mail Call" the address of Pfc. William J. Wolf Jr., currently serving in Vietnam with the 1st Cavalry Division, whose name appears today.

Early publication of names is essential to guarantee delivery prior to the holidays. Periods designated for overseas Christmas mail are as follows:

space available parcel afloat (SAP)—now through Nov. 22; parcel afloat (PAL)—now through Nov. 29; and regular air mail of all weights, Dec. 1 to Dec. 13.

Granite City Postmaster Theodore Overbeck reminded persons mailing gift packages to servicemen to send the parcels as early as possible.

Mailing within the dates outlined will ensure timely delivery to the overseas destination. However, the postal official noted, mailing of packages earlier than the specified dates is being encouraged to avoid a backlog of Christmas mail at shipping areas, especially on the west coast.

By using the SAM and Pal services, senders can save in the cost of shipping packages overseas. The parcels are sent by regular mail within the continental United States and forwarded by air on a "space available basis" to overseas destinations.

Postal authorities also remind those preparing packages for servicemen abroad to wrap all parcels securely; cushion the items inside a sturdy container; and address packages correctly and legibly, using the appropriate five-digit APO and FPO number as part of the address.

"Place a duplicate label which plainly shows the addressee's address and the return address of the sender inside the package in addition to a well-marked exterior address," Overbeck advised.

### A whole new field of one.

For people who have come to think of new cars only in terms of stereotypes, two words of fair warning.

Monte Carlo.

More than a new car. It's a whole new field of one. The first truly luxurious personal car even us guys who work for a living can swing. Keep that in mind as you read. Then, if you must, try bracketing Monte Carlo with anything else. Anything else on wheels at anywhere near the price.

### Our apologies to chrome buffs.

Cheap costume jewelry. The last thing found on a lady. Or a gentleman. Or a Monte Carlo.

The lines are just too nice. The form is just too clean. So excess chrome is out. And so is excess anything else.

### About those two missing headlights.

No, they're not concealed. They just aren't there. For two reasons. We wanted the Monte Carlo to be different looking.

And better looking. The stylists felt Monte Carlo's personality demanded the clean look of single headlights.

Not to be outdone, the engineers went one up by devising a special higher intensity unit. The result? Monte Carlo's notably uncluttered front end. With a headlight that throws more light, in high beam or low, than a majority of conventional singles do.

We redirect your attention to the picture. Is everybody happy?

### Like a library after hours.

With Monte Carlo, we did more to nullify noise than make solid welds. And position plump rubber biscuits at critical body mount areas.

### Monte Carlo by Chevrolet

### You don't feel like a fifth wheel.

Monte Carlo's concept as it differs from other luxurious personal cars is really quite simple.

To involve you as a driver. We figure if you like to drive, the last thing you want is a car that cuts off the sensation of the road.

We think you want a comfortable car that hasn't compromised its own maneuverability.

So we squeezed Monte Carlo's wheelbase down to a tidy 116 inches. And stretched out the front track to a little over five feet.

And held its height down under a yard and a half.

A physicist could tell you in complicated terms what all this does for Monte Carlo's impressive handling.

But maybe you'd prefer finding out firsthand by wig-wagging Monte Carlo down a busy side street.

Or some snaky mountain highway.

### Engines: 350 cubic inches and up.

Where a car like Monte Carlo might try to shorthrottle you in the engine compartment.

Not Monte Carlo. Inside rests a regular gas V8 to the tune of 350 cubic inches.

That translates into a crisp 250 hp. Which is plenty for most anybody. But you may not be most anybody. So go ahead, order one of these:

A 300-hp 350.

A 265-hp 400.

A 330-hp 400.

Or the house specialty, the 360-hp 454 in our SS package.

Whatever you need. Whatever turns you on.

### What's available? What isn't.

Perhaps we should restate the case. There are a few things you'd think would be available, but aren't.

Mainly because they're standards. Things like power disc brakes and biased belted ply tires.

What is available is virtually the full list of Chevrolet options, with the addition of some new ones.

For instance there's a clean little stereo tape/radio package that accepts tape cartridges through an ingenious flip-up radio dial. (Saves space and keeps the clutter down.)

And lots, lots more.

### The Monte Carlo SS.

The heading above says it all. 454 cubic inches of tough stuff. That translates into 7.5 liters.

And 360 horses.

Naturally, along with it come special chassis components and SS identification.

Plus the smug satisfaction of knowing you've got it all in a car that doesn't flaunt it.

### A whole new field of one.

All at a Chevrolet price. What more can we say?

Putting you first, keeps us first.

On the  
move.

## County Problems Unit to Aid Local Government Dept.

State Rep. Clarence E. Neff (R, Stronghurst), chairman of the permanent House-Senate County Problems Committee, will ask the group to work with the newly created Illinois Department of Local Governmental Affairs. The department will begin operating on Jan. 1, 1976.

The governor has said that "the basic purpose of the department is to provide skilled assistance to local governments," Neff related this week.

"The function of the commission is to review and study all aspects of county governments, consider the adequacies of existing laws relating to county governments, and recommend to the General Assembly the need for codification and revision of statutes pertaining to counties."

"Guidelines have to be drawn to establish greater home rule powers for counties and municipalities. This will require legislation. Our commission can be of help in this regard."

Neff said that further study will be given to the reorganization of counties.

FIRST VISIT with grandparents being enjoyed by ATR/2nd class Lloyd Summers, USN (center), with his maternal grandparents, Mr. and Mrs. Domenico Paladini, in their home in Naples, Italy.

## GC Sailor Sees Grandparents For First Time in Naples

A Granite City sailor met his Italian grandparents for the first time while on a Mediterranean cruise with the U. S. Navy and spent 14 days meeting other members of his mother's family in Naples, TRA/2nd class Lloyd Summers, 22, son of Mr. and Mrs. Thomas Summers of 14 Veronica drive, who has been in the Navy for the past 3 1/2 years was serving aboard the Saratoga when it stopped over in Naples, Italy.

The young serviceman called his parents Sunday from the home of his grandparents, Mr. and Mrs. Domenico Paladini, for a brief visit via the telephone. This was the first time since 1946 that Mrs. Rose Summers had talked with her parents.

Mr. Paladini is 60 years old and a retired Cavaliere, a job he has been engaged in all his working lifetime. The title would be a step above what is known in this country as a Chief Customs Port Inspector. Summers maternal grandmother, Mrs. Iole Paladini, was self-employed as a photographer and had her own studio until she also retired.

Summers is an Aviation Technician Radar and Electronic man with the Navy and was serving on the U. S. S. Enterprise in Vietnam for seven months prior to being transferred to the U. S. S. Saratoga. He received his "boot" training at Great Lakes, Ill., and advanced training at Memphis, Tenn. He expects to receive his discharge from the service in March 1970, at which time he will enroll at SIU-SW campus to resume his education.

The airman is a graduate of Madison high school.

## Non-Public School Study Commission Begins New Study

State Rep. Eugene F. Schlickman (R, Arlington Heights) has been elected to the chairmanship of the newly-created House-Senate Elementary and Secondary Non-Public Schools Study Commission.

Sen. Harris W. Fawell (R, Naperville) is vice-chairman and Robert E. Brinkmeier (D, Foreston) is secretary.

House Bill 1177 directs the members to consider the role and needs of non-public schools in Illinois; in what way these schools can be appropriately related to the public schools without impairment of their freedom; and constitutional means by which the state can aid private schools in the fulfillment of their task.

A study of the financial needs of private and parochial schools also will be made.

Rep. Schlickman has quoted Gov. Richard B. Ogilvie as saying last week that "I do not believe we can delay appropriating funds to private schools any longer without risking the collapse of the entire non-public school system in Illinois."

The governor indicated he will again sponsor legislation to appropriate state funds to pay a portion of the cost of teaching secular subjects at the April 1, 1971, session.

He referred to the failure of the General Assembly to pass a bill appropriating \$32 million to elementary and secondary non-public schools and \$14 million to private colleges and universities, which he recommended previously in his April 1 budget message to the legislature.

Public members of the commission include Dr. Herman L. Nebel, M.D., East St. Louis. The commission will meet at 11:15 a.m. Saturday Nov. 15, at the Hotel Bismarck, Chicago.

Airman Donald Graville in TAC Exercise  
U. S. Air Force Airman First Class Donald J. Graville, son of Mr. and Mrs. John Graville of 722 Washington avenue, Madison, is taking part in a Tactical Air Command exercise to test the command's ability to operate in any area of the world and be completely self-supporting.

Airman Graville is a refrigeration and air conditioning specialist in the 4th Tactical Fighter Wing, at Seymour Johnson AFB, N. C.

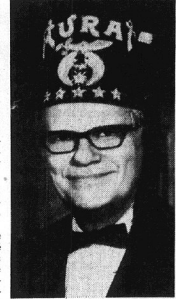

The airman is a graduate of Madison high school.

AANOMS of N. America

## Imperial Potentate To Visit Ainal Temple

Ainal Temple will host a three-day visit of Imperial Potentate J. Worth Baker from Indianapolis today when he arrives at 3 p.m., accompanied by Noble Bill Nichols of Ainal and Chief Rabban Edward G. Maag.

One of the highlights of his visit will include honoring the Hospital Unit of Ainal Temple and dining with the group at the Shrine Hospital for Crippled Children, St. Louis, this evening. Members of the Ainal's Divan also will attend.

A press conference is scheduled for Friday morning at the Ainal Temple and during the evening the officers of Ainal with the Imperial Potentate and Assistant Imperial Rabban Henry Struby of Granville will gather at a dinner to also honor Robert F. Miller, P.P., and recorder at Ainal for the past 15 years who is retiring in November.

Also to be discussed is the Shrine's new project — the treatment of spina bifida, another birth defect.

The program for care of such congenital defects of the spine's bony structure was just started at the present Shrine Hospital Unit in San Francisco to allow for smooth transition when a new hospital unit is occupied there next spring. It is described as a pilot operation for Shrine Hospitals.

Two from Area to be  
Honored for Service  
Arcolino A. Lombardi, a Granite City area resident, and Miss Alice Y. Paul of Mitchell will be honored at the third annual Olin Works Milestone Dinner next Wednesday at the Stratford Hotel in Alton.

Gordon Grand, president and chief executive of Olin Corp., will be the speaker at the dinner which will honor more than 200 Olin Works employees observing 25, 30, 35, 40 or 45-year service anniversaries during 1969.

## GC Council Ok's Emergency For Drainage Line Project

Installation of storm water drainage lines with motor fuel tax funds along Michigan and St. James avenues to connect on a line along Idaho avenue was given emergency status Monday night by Granite City council members.

Strong protest was raised by Alderman Whitmer to the request by Alderman Green, Whitmer said Green's Fourth Ward was getting a major portion of motor fuel tax funds and that the drainage project "should get in line behind MFT projects in other wards where drainage also is needed."

Whitmer pointed out the need for drainage lines along proposed MFT street improvements for Palmer avenue, Buxton avenue and Warren avenue and in the West Granite area for Harding avenue and Roosevelt street.

The motion for the engineer to prepare plans for the line was approved by a vote of 11-3. Absent were Alderman Boyd, who is recuperating from surgery, and Parmley, who advised the council he was under a doctor's care.

Voting for the engineering work were Nonn, Basarich, Dalziel, Moerlein, Robertson, Poulos, Green, Dawes, Morlen, Schuler and Boker. Opposed were Rutledge, Whitmer and Jarrett.

During the debate, it was brought out again that the city has no priority list for MFT projects other than Johnson road as the prime project to be started next spring.

As Whitmer continued his protests, Alderman Basarich advised him that any alderman who can muster the votes around the council tables can jump a project on any MFT priority list. "If you can get the votes, you get the project," Basarich remarked.

Alderman Robertson pointed out the project in Yorees Colonial subdivision opposite Wilson Park is an emergency, since flood conditions are being created.

Although it was noted the contractor for a new subdivision had put in proper drainage along the streets, Mayor Parney said he had hope the city could induce the builder to install drainage lines at the rear of the homes to provide the runoff needed to solve the Michigan and St. James avenues problem.

Green remarked to Whitmer that he was tired of the "barbs" aimed at Fourth Ward projects. "This project is an important one, and it's up to all the aldermen to decide whether it is necessary to be carried out on an emergency basis."

Before the vote approving the project was called, Nonn commented that the city might once again consider a city-wide street improvement program through a motor fuel tax bond issue. "The work on the storm sewers is done now, and we won't be tearing up the streets," he added.

## State Travel Control Board is Appointed

Secretary of State Paul Powell announced today that under the provisions of legislation recently approved by Gov. Ogilvie, he has appointed a Travel Control Board in his office.

In addition to establishing the three-member Board, the legislation states that the Secretary of State shall be chairman. The other two members are Thomas E. Erickson, comptroller and internal auditor, and Bob R. Austin, supervisor of the accounting budget division, both of Springfield.

The Board will continue checking of travel reimbursement claims submitted by employees with a quarterly report to the Legislative Audit Commission. The board checks travel expenses for accuracy, compliance with regulations and submission of receipts and other evidence in support of claims.

## Armyworms Observed In Nameoki Township

Armyworms were observed last week in several wheat fields in Nameoki township where stands of fall-planted wheat have been damaged, it was reported Tuesday by Warren W. Bundy, Madison county extension adviser.

"The worms thinned the stand of entire fields and killed the entire stand in small areas on some fields," he said.

"It is unusual for armyworms to be present this late in the year in numbers sufficient to damage wheat. I never have seen this before."

Armyworms have shown an unusual habit-pattern all year, he added. No wheat in Madison county required treatment last spring for armyworm control.

But they have been present in many corn fields all summer, feeding on corn leaves and later on ears between the husks and kernels.

Army worms will overwinter in the worm stage as well as the pupae stage. Moths emerge from them next spring to lay eggs for a new generation.

## Amsted Planning Price Boosts for Railroad Castings

American Steel Foundries, Chicago-based operating unit of Amsted Industries, announced price increases, effective Dec. 1, 1960, for certain steel castings it produces for the railroads.

The wide range of designs and chemistries for side frames, bolsters, couplers and yokes—the principal castings used in railroad freight cars—results in selective price increases. The average increases, depending on the product involved, range from a low of approximately 3% to a high of approximately 10%.

ASF operates steel foundry plants at Granite City, Illinois, and East Chicago, Ind. It also has a fabricating plant in Hammond, Ind. ASF is one of 10 operating units of Amsted Industries.

## Madison Countyans Buy \$346,150 Savings Bonds

Madison county residents purchased a total of \$346,150 in series E and H United States savings bonds and Freedom Shares in September according to Henry D. Karandjoff, local banker and general county chairman of the savings bonds committee.

Sales in the state of Illinois were \$22,111,679, according to Clarence S. Sochowski, state director of the Treasury's savings bonds division. National sales were \$381,000,000 in September, and the Illinois total represented 6.3% of this amount.

## Constitution Research Group Completes Study

Gov. Richard B. Ogilvie on Monday commended members of the Constitutional Research Group for completing work on a series of issue studies for delegates to the forthcoming constitutional convention.

The first three of the papers, dealing with the legislature, representation in the General Assembly, and suffrage, are being sent to delegate candidates this week.

Other studies, reaching a total of 18, will be printed and sent to candidates within a few weeks, according to Prof. Samuel K. Grove, director of the Institute of Government and Public Affairs at the University of Illinois and executive secretary of the research group.

Grove said copies of the papers will be available from the Constitutional Convention Information Center in Room M-1 of the State Capitol.

In a preface to the studies, Gov. Ogilvie notes the purpose of the project is to "stimulate independent thinking, not to write a draft on a proposed constitution."

In commenting on the members, most of whom are professors of government and law at Illinois colleges and universities, Ogilvie said they had made an "invaluable contribution to the complex task" confronting the convention.

He continued: "They have stimulated fresh thought and provided a framework in which to approach a thorough and systematic consideration of our constitutional needs."

## III. Power Promotes Appellate at Decatur

E. R. Applegate, a Granite City resident from 1956 to 1967, has been appointed supervisor of community relations for Illinois Power Co. at its Decatur headquarters.

Applegate joined the firm in 1961 as a salesman in East St. Louis city service area.

In Granite City, Applegate was active in the Chamber of Commerce, served as a council-level officer in the Boy Scouts, was on the board of directors of Junior Achievement.

Applegate and his wife, Celeste, have two children, Julie, 10, and Mark, 14.

## Door Window Broken

A window in a rear door of the Markuly Plumbing & Heating Co. was broken out late Monday night, according to Madison police who discovered the vandalism at 12:10 a.m. Tuesday.

CARL O. SUNDBERG

## Sundberg Will Head American Steel Foundries

Carl O. Sundberg, 53, will become president of American Steel Foundries, an operating unit of Amsted Industries, effective Jan. 1, 1970.

Sundberg, who is currently serving as president of South Bend Lathe, another Amsted operation, succeeds H. W. Chapman, who is retiring after 27 years of service with the company. It was announced this week by Joseph B. Lanterman, Amsted chairman and chief executive officer.

J. Richard Boudis, 45, executive vice-president of manufacturing for Burgess-Norton Mfg. Co., an Amsted entity based in Geneva, Ill., moves to South Bend Lathe as executive vice-president on Nov. 1. He will be named to replace Sundberg as president of that operation Jan. 1.

Sundberg joined the Amsted organization in 1946 as a process metallurgist for Diamond Chain Co., Indianapolis. He became a manager of the president's department of engineering for Diamond in February 1962 and later that year was named managing director of Amsted-Siemag Kette GmbH, a company roller chain operation in Reitzdorf, West Germany.

He was appointed vice-president of South Bend Lathe in October 1966 and was named president in July 1967.

## Metallurgical Engineer

Sundberg is a 1939 metallurgical engineering graduate of Virginia Polytechnic Institute. He is a member of the president's council of the National Association of Manufacturers, the American Society of Mechanical Engineers and the Rotary club. He serves on the executive committee of the Indiana Council for the South Bend-Mishawaka Area Chamber of Commerce and is a past director of United Community Service.

American Steel Foundries operates plants at Hammond and East Chicago, Ind., Granite City and Alliance, O. It produces a variety of engineered steel castings, forgings and springs for railroad freight cars, locomotives, rapid transit cars, earthmoving equipment and general industrial applications.

## Student Teacher Learns Teachers Also Must Study

The fact that teachers must also study was a revelation to the secondary education students of Quachita Baptist University in Arkadelphia, Ark., who returned to the campus after eight weeks of student "practice" teaching.

Miss Cynthia Crews of Granite City, who is studying English at the university, took part in the practice project to better prepare the student for the teaching field upon graduation.

Dr. Dewey Chapel, chairman of the Quachita division of education, stated, "Before a Quachita student graduates with a bachelor of science in secondary education degree, he has completed at least 90 clock hours teaching in an actual classroom. This takes place when he goes to public schools around the state for eight full weeks of practice teaching."

"We prefer that a student move to the community where he or she is doing the practice teaching. This makes it possible for the student teacher to become a part of the community," Dr. Chapel said.

The student teachers are also required to attend teachers' meetings, school functions, such as plays, concerts and ball games.

The university's secondary education department currently offers teaching cores in 15 different fields, including art, biological science, chemistry, commercial science, English, French, home economics, librarianship, mathematics, physical education, physical science, social studies, Spanish and speech and drama.

## Plans Made to Promote Lincoln Trail Tourism

State Rep. Sam M. Vaalabene of Edwardsville was part of a 26-member Illinois delegation headed by Gov. Richard B. Ogilvie which met yesterday in Santa Claus, Ind., for a conference dealing with the Lincoln Heritage Trail. The governors of Illinois, Indiana and Kentucky announced joint programs to foster increased tourism in the three states and to promote the trail as a national tourist attraction.

One of eight historic trails in the U.S., the Lincoln Heritage Trail traces the life of Abraham Lincoln from his birthplace in Hodgenville, Ky., to Springfield, Ill., where he was residing when elected president of the United States in 1860.

## NOTICE TO THE GENERAL PUBLIC

(How Safe Is Your Money?)

MOST REAL ESTATE TRANSACTIONS usually involve rather large sums of money (thousands and thousands of Dollars) changing hands. As a matter of fact, Real Estate may be the largest and most important single "money deal" in most peoples' lives.

"SO HOW SAFE IS YOUR MONEY?" Most folks would be horrified if you accused them of being gamblers, or of playing "Russian Roulette" with their own money. Yet people in "Blind Faith" will hand their money, or sign legal Documents over to perfect strangers or slight acquaintances simply because they read an ad in the paper or they see a sign over a door. "WHY?" Because most folks want to trust people they do business with. And, in most cases fortunately their trust is justified.

BUT, WHAT ABOUT THAT ONE TIME, something goes wrong—"A Life Savings Wiped Out," thru sheer ignorance or intent to defraud. Sad, but true, it can and does happen. Of course folks will say "There are laws to protect us." True, but "can you get blood out of a turnip?"

AS REALTORS, it is not our intent to point a finger at anyone in our line of business, or alarm the General Public. But certainly in the interest of our Profession, we feel the General Public when doing business with any Real Estate Man (no exceptions) should check and get some answers to "How Safe Is My Money?" After all, it's your money. Check Character, Reputation, Business Experience, Financial Ability (ask your Lawyer or Banker) and Know How. Also, are there built-in "safeguards" in the event of Dissolution, Bankruptcy, Death, Larceny. Will my money be kept in a separate "Escrow Account" (required by law)? Finally, are my Legal Papers safe from Fire, Theft, Carelessness?

We believe "REALTORS" will check out 100%

## VFW Seeks City Permit to Build Parking Lot

Plans by Veterans of Foreign Wars Post 1300 to raise a dwelling at 2102 Washington avenue to construct a paved parking lot for the post home at 21st street and Washington avenue were announced during Monday night's Granite City council meeting.

Nick Vasiloff, attorney for the VFW, requested a permit from the city for the parking lot, and the matter was referred to the City Planning Commission for recommendation.

Nonn urged the council take immediate action in granting the permit, but Mayor Partney pointed out the regular procedure was for such permits to go through the City Planning Commission to pin point a precise use for the property involved.

A special use permit was issued by the council for operation of a beauty shop at 2501 East 27th street, provided parking spaces on the lot are developed. The permit had been denied last week under a zoning change request to C-1 commercial. Aldermen of the ward reported there were no objections by neighbors for a special use permit for a beauty shop.

Also referred to the City Planning Commission was a request by Bobby Coryell for a zoning change for property at 1410 Grand avenue from R-4 residential to C-1 commercial to permit him to operate a glass and screen repair shop in his garage.

The council was advised by Building Inspector Orville Delator and City Inspector Jack Fricker that a 10-day notice had been sent to Leo Wolf, owner, to raise a structure at 836 Niedringhaus avenue. The notice points out that the building, which formerly housed a bakery, is a nuisance, dangerous and a fire hazard.

Nonn called for similar action on a burned out two-story frame structure in the 1700 block of Delmar avenue, and

## IMA Offers Booklets On Diets to Doctors

Now available to physicians is a new Illinois Heart Association booklet for use of those on a diet.

The booklet, entitled "Programmed Instruction for Fat-Controlled Diet, 1800 Calories," is designed to ease demands on the time of physicians, dietitians, nutritionists and nurses by helping the patient to better understand principles of the heart-helping diet.

Both the diet booklet and its accompanying guidelines were developed in a cooperative project sponsored by the Bergin County, N. J., Heart Association and Teachers College of Columbia University through a grant from the American Heart Association.

Copies of the publication are available free to professional personnel concerned with the regular procedure for such permits to go through the City Planning Commission to pin point a precise use for the property involved.

## Assigned in Vietnam

Army Specialist Four Campbell E. Dale, 20 son of Mr. and Mrs. John E. Campbell, 2 Mercer drive, has been assigned as a helicopter crew chief with the 1st Aviation Brigade in Vietnam. His wife, Judi, lives in the 1400 block of Washington avenue, Granite City, Ill.

Alderman Polios asked for city action to raise a structure in the 2200 block of East 23rd street. Alderman Nonn noted the inspectors have limited powers, and that if necessary, legal action should be taken by the city attorney to rid the city of hazardous structures.

Offering a suggestion, Alderman Dallas said the city could call upon the state fire marshal in seeking repairs or razing of old structures.

Referred to the Street Committee were requests from Mercer Mortuary to widen the driveway at its parking lot at 1416 Niedringhaus avenue by six feet and by Illinois Power Co. for two 200-foot excavations along Iowa street and Washington avenue at 14th street to replace a cast iron gas main with steel pipe.

## Steps Can be Taken to Halt Flow of Smut through Mail

Following a reported increase in mailings of pandering materials by smut peddlers, Rep. Melvin Price reminded postal patrons of the steps they can take to curb the flow of offensive advertisements into their homes under the provisions of the Pandering Advertisements Law that became effective in April 1968.

"Despite a vigorous Post Office Department promotional program and the wide distribution of informational materials," Cong. Price said, "many families apparently still are unaware they can have mailers legally forbidden from sending them such offensive materials from a place to you." The Post Office Department has distributed pamphlets informing the public "You can prohibit pandering advertisers from sending you" to about 40,000 post offices nationwide. Also, one-and-a-half million additional copies of the Post Office Department leaflet "How You Can Curb Pandering Advertisements" have been printed and made available for distribution at local post offices.

Leaflet Explains Law The leaflet explains how the law works and also contains a request form the customer can use in sending a complaint to his postmaster. Under the law, each addressee has the sole right to decide for himself whether an ad is offensive. He should send the ad, its envelope and a proper notice to his postmaster with the words, "Request for Prohibitory Order," on the face of the envelope.

The notice also may include the names of all children under 19 residing at the same address. Price explained that when a patron's request is received by the Post Office Department, a "Prohibitory Order" is sent to the mailer directing him to remove the complaining patron's name from all of his mailing lists. If the mailer fails to respect the order, the Postmaster General asks the Attorney General to apply for a Federal Court order commanding compliance. Failure to observe the Court order may be punishable by a fine or imprisonment.

Nearly 275,000 Prohibitory Orders have been issued by the Post Office since enactment of the Pandering Advertisements Act. Over 1800 violation cases have been referred to the Department of Justice for Federal Court action. Crowded Court calendars, however, have slowed the issuance of orders

## New Pediatric Dept. Hours Start Saturday

The new visiting hours for the pediatric department at St. Elizabeth Hospital will take effect on Saturday, Nov. 1, according to Sister Mary Thomas, administrator.

New hours will be from 2 to 4 p.m. and from 6 p.m. to 7 p.m. only and will replace the present hours from 1 p.m. to 6:45 p.m.

Sister Mary Thomas said the revision is needed because of change in season and the prevalence of colds among visitors.

## Robert J. Schoeber is Recuperating from Surgery

Robert J. Schoeber, 24, of 2101 Garfield avenue, is recuperating from bone surgery of the forehead which he underwent Friday at McMillan Hospital in St. Louis. Injured in an automobile accident on Aug. 18, he was hospitalized in Wood River Township Hospital for 46 days prior to entering the St. Louis Hospital.

He is in room 619 at the St. Louis hospital. A cabinet maker by trade, he was employed at the Anchor Cabinet Co. in St. Louis. His parents, Mr. and Mrs. Herman Schoeber reside at the Garfield address.

## Forestry, Conservation Seedling Trees Available

Seedling trees are available from two state nurseries at reasonable cost for certain forestry and conservation purposes. It was announced this week by Warren W. Bundy, Madison county extension adviser, at Edwardsville.

"Trees ordered now will be delivered at the right planting time next spring. The earlier you reserve your planting stocks, the better the choice of species. Later this fall and winter some species will be sold out, and you may not be able to get what you want," Bundy said.

There are about 25,000 acres of woodland in Madison county. Some native stands of timber could well be improved by planting desirable species of hardwood or evergreen trees.

Steep slopes, soils of low fertility, severely eroded areas of small, irregular or isolated areas of land are most commonly used for forest production through planting new stands of trees.

State law forbids the use of state nursery trees for ornamental, landscaping or shade tree purposes or for resale with roots attached.

Trees may be used for Christmas trees and greens, sawlogs, posts, pulpwood, poles, crosses, food and cover for wildlife, erosion control, protection of fields by shelterbelts, establishing a forest stand, or enriching present stands.

Seedling trees cost \$12 to \$20 per thousand, depending on the species. Kinds of trees available are white oak, black walnut, red oak, cottonwood, black locust, red pine, Scotch pine, red cedar, white pine cypress and several others. Special wildlife and conservation packets also are listed.

Price lists and application blanks for trees are available now at the County Extension Office, 900 Hillsboro avenue, Edwardsville.
